

GEO. A. CRAYTHORN DIES OF INJURIES

Received in Runaway Saturday
Evening at Railroad
Crossing.

ANNUAL OF HOLLAND CHOIR.

Utah Light & Power Company Aban-
dons Plans to Appropriately Og-
den River Waters.

Ogden, June 21.—After a hard strug-
gle against the inevitable George Alvan
Craythorn, who was injured in a run-
away which occurred at the railway
crossing on Twenty-fourth street, Sat-
urday evening, died at 6 o'clock last
evening, at the Ogden General hospi-
tal.

His death is unusually sad, as he
leaves a young wife and two little
children, the youngest of whom is very
ill, and its recovery is despaired of. It
was in coming to Ogden to get some
medicine last Saturday that the sad
accident occurred. He had driven to
town with his team and got the medi-
cine and was on the way home, when
his team became frightened in cross-
ing the railroad tracks on west Twen-
ty-fourth street and ran away, and
when at their greatest speed the wagon
collided with a telegraph pole, throw-
ing the young man from the vehicle
onto his head and shoulder, causing
a serious fracture of the skull, a broken
collar bone and other injuries. Im-
mediately after the accident he was
taken to the hospital, where he was
given every possible care, but only for
a short time did he regain conscious-
ness.

He was the son of Mr. and Mrs.
William G. Craythorn of South Hooper,
where he was born Dec. 22, 1882. He
was well known in that part of the
county and was highly respected.

HOLLAND CHOIR ANNUAL.

Reception and Banquet Given in the
Fifth Ward Meetinghouse.

Ogden, June 21.—The Holland choir
of the Weber stake held its second an-
nual reception and banquet last even-
ing at the Fifth ward amusement
hall. There were present about 125
guests who had an evening of real en-
joyment.

At 7 o'clock an elaborate banquet
was served in the hall, two tables be-
ing set the full length of the same,
which were laden with a bounteous re-
past and beautifully decorated with
roses, carnations and other cut flowers.
Louis Euerhardt was master of cere-
monies. Short talks were made by
President C. F. Middleton, Bishop John
Watson, Ben. Jansen, H. C. Jacobs,
J. W. F. Volker and T. A. Shreeve.
After the banquet all repaired to the
meetinghouse, where a short musical
program was rendered by the choir,
and the remainder of the evening was
spent in dancing. The choir is a cred-
itable musical organization under the
direction of Prof. Leo van den Aaker
and is doing some excellent work.

appropriate the waters of the Ogden
river during certain months of the
summer. Several months ago the com-
pany filed with State Engineer Caleb
Tanner an application for the appro-
priation of more water from Ogden
river than is now being used in its pipe
line. It was the intention to use a
pumping system during the summer
months and pump water from the river
into the pipe line. This movement was
bitterly opposed by the citizens of
Ogden, who filed with the state engi-
neer numerous petitions praying that
the application be not granted.

The engineer returned the applica-
tion to the company to be amended, as
it was not specific enough, but it has
now been decided to abandon the mat-
ter entirely.

DOUBLE RUNAWAY.

Robert Burch, the mail carrier for
Huntsville, had a lively time in a run-
away yesterday afternoon. He was
going up Ogden canyon when his horse
became frightened and started to run
away. Burch was thrown out, but es-
caped without serious injury. A mule
named Anderson saw Burch's horse
running away and jumped from his
wagon to stop the runaway, but did not
succeed and his team then bolted and
ran away. Anderson's wagon collided
with Burch's and practically demolish-
ed it.

BETTERMENT OF HIGHWAYS.

Heavy Vote in Favor of Special Road
Tax Levy.

Ogden, June 21.—The movement for
the betterment of the public highways
of Weber county is meeting with great
favor in most of the precincts. Special
road tax election was held yesterday
at North Ogden, Randall, Pleasant
View, Warren, Riverdale and Harris-
ville. In all of the precincts but the
last named the people voted strongly
in favor of the tax, which means that
over \$20,000 will be expended in these
precincts for the improvement of the
roads. The county commissioners
agreed that wherever the people fa-
vored the movement that they would ap-
propriate out of the general fund a like
amount as was voted for, so that in the
following precincts the amounts men-
tioned will be paid out to put the road
in good condition: North Ogden, \$2,000;
Randall, \$1,000; Pleasant View, \$2,000;
Warren, \$3,000; Riverdale, \$2,000; Roy,
\$2,000; Wilson, \$2,500. The commis-
sioners will at once decide on a place to
put the rock crusher so the work can
be commenced as soon as possible. The
commissioners have also built water
tanks at various places so the roads
can be sprinkled often.

DISTRICT PROBATION OFFICERS.

Upon the recommendations of Juve-
nile Judge Gunnell the chief probation
officers for the several counties in the
Second judicial district have been ap-
pointed by the juvenile court commis-
sion, and are as follows:
For Weber county, H. C. Jacobs of
Ogden.

For Davis county, William W. Ross
of Farmington.
For Morgan county, T. S. Wadsworth
of Morgan.

SUES FOR BACK WAGES.

An action has been filed in the Sec-
ond district court by Hugh T. Dyer,
Ogden sugar factory, for several years,
against the Amalgamated Sugar com-
pany to recover \$408.33, alleged to be
due for back salary. According to the
complaint, Dyer was engaged to su-
perintend the sugar factory at a salary
of \$5,000 per annum; that there was
due him for services from Feb. 1,
1907, to May 1, 1907, \$408.33, for which
amount he demands judgment and
costs of court.

Mr. Dyer has severed his connection
with the company, and will be suc-
ceeded by A. S. Woodruff.

10,000 FISHING LICENSES.

State Fish and Game Warden Cron-
quist states that over 10,000 state li-
censes to fish and hunt will be granted
already this year, and many more
will be granted before the season
passes. It now costs all residents
of the state who wish to fish or hunt
\$1 for a state license. Non-residents
pay \$10.

Elmer Bartlett, the 12-year-old son
of Thomas Bartlett, had his right arm
broken just below the elbow. He was
playing and fell, fracturing one of the
bones.

A fracas occurred at the Union de-
pot last evening between a Engo and
several soldiers over a game of cards.

inghouse. The speakers were Pres-
ident John E. Hays, Joseph A. Hays,

ham Johnson. Many beautiful floral
offerings covered the casket.

CLARENCE BOSCHARD HELD.

ce Boschard, charged with an at-
tempted felony, was held yesterday

been issued:
Joseph D. Bagley and Emma Spaf-
ford, both of Springville.

John Beck, of Lehi, and Georgia
Morse, of St. George.

DIVORCEE WANTED.

Suit for divorce has been commenced
by Annie K. Hayes of Spanish Fork
against John Hayes, on the grounds
of cruelty. Defendant is charged with
beating and striking plaintiff, calling
her vile names, leaving her and go-
ing to live with his son, and after-
wards entering the house by stealth
and taking some of the furniture and
other household effects. The parties
were married in Miami Dec. 19, 1894.

GARDEN CITY BRIEFS.

The Utah County Democrat has is-
sued an exceptionally fine illustrated
edition for the U. C. T. A. convention,
with illustrations of Provo's principal
buildings, and description of its busi-
ness enterprises.

Mr. and Mrs. Julius C. Anderson went
to Ogden today to attend the funeral of
Mrs. Anderson's mother, Mrs. Wilson
Poulton.

Samuel Knight, Mrs. Inez Knight,
Allen and Mrs. J. Wm. Knight, of the
Knight party, that went east some
time ago have returned after a pleasant
trip. Mr. Jesse Knight and Dr. George

dence, Missouri, and it will be some
time before they return.

LOGAN.

AGITATING SEWER QUESTION.

City Council Session—Wedding Per-
mits—Births—Hospital Notes.

Special Correspondence.

Logan, Cache Co., June 20.—A mass
meeting is called for this evening by
the mayor and president of the Com-
mercial club to consider the question
of sewerage. There are some who are
inclined to oppose the present sewer-
age proposition, on the ground that
the city and property owners cannot
afford to make the necessary expendi-
ture at this time, and the meeting
is to consider putting in the sewer
on an installment plan covering a
period of three years.

TWO POPULAR COUPLES WED.

Ogden seems to be making an ef-
fort to diminish our population. Yes-
terday two of our most estimable
young people were "carried away" by
residents of the Junction city. The
ceremony was performed in the Logan
temple yesterday uniting in marriage
Miss Edna Smith, daughter of J. E.
Smith of this city and Mr. H. L. Smith,
a young business man of Ogden.
At the same time and place, the
marriage ceremony was performed
uniting Miss Janette Meloy of Ogden
and Dr. Joseph B. Morrell, formerly
of this city, but who has recently
located in Ogden, where both young
couples will make their home.

COUNCIL SESSION.

At a meeting of the city council last
night, the name of Eugene Schaub was
submitted by Mayor Robinson to all
the office of city engineer, also the
appointment of Samuel Holt as sani-
tary inspector and Peter Christensen
as special policeman at the auditori-
um, all three appointments were con-
firmed.

The question of the present city
recorder being disqualified, was dis-
cussed, she being under age. The
matter was finally settled by Miss
Maude Egbert tendering her resig-
nation as recorder and her sister, Miss
Nora Egbert being appointed in her
stead.

The committee on sidewalks and
paving, to which the petition of Geo.
Fisher and others asking that the res-
triction for riding bicycles on the side-
walk between First and Second Street
on Main street, be rescinded, reported
in favor of granting the petition, ex-
cept from First Street to the bottom
of the hill on the south side of South
Brother's lumber yard. The council,
however, tabled the report.

The council adjourned until Satur-
day evening, at which time they will
hear protests with regard to the
sewerage proposition.

Mr. and Mrs. J. W. Crawford have
returned from Chicago.

HOSPITAL NOTES.

Miss Lizzie Ecklund of Newton was
operated on at the L. D. S. hospital the
first of the week for appendicitis; her
case was considered a very serious one,
as she had been affected for a long
time, but she withstood the operation
and her condition is considered favor-
able at the present time. The 12-year-
old son of George W. Stanton of Hyrum
met with a serious accident yesterday.
He was with his father were in the canyon
after wood. In some way the boy was
struck by a falling tree and his skull
fractured. He was brought to Log-
an this morning and underwent an op-
eration, several pieces of bone being re-
moved from the back of his head and
his skull trepanned. At present he is in
a critical condition, but the physicians
hold out a hope for his recovery.

A daughter of Mrs. George E. Blair
is seriously ill.

The child of Mr. and Mrs. C. W. Por-
ter, who has been ill for some time, is
improving slowly.

Daughters were born the past few
days to Mr. and Mrs. Henry Crockett

ITALIAN PRINCE KILLED IN AN AUTO ACCIDENT.

Naples, June 20.—An appalling auto-
mobile accident occurred at Capriello,
about five miles distant from Naples to-
day, five men being killed. The motor-
car, which was going at high speed, ran
into a wall and was demolished. Among
the killed was Prince Pioscar, a member
of the Italian nobility, and related to the
Spanish royal house.

LIMITATION OF ARMAMENTS.

United States Has Not Decided Defi-
nitely to Raise the Question.

The Hague, June 20.—It is officially
stated that Gen. Horace Porter's res-
olution yesterday covering the right
of the United States to present the
question of the limitation of arma-
ments does not mean that the Wash-
ington government has definitely de-
cided to raise the subject. On the con-
trary, it is stated that it involves no
change in the American attitude, which
is defined as follows:

"The United States regards the limita-
tion of armaments as a European ques-
tion, and in face of the present diver-
gence of views among the European
powers and the unwillingness of any of
them to assume the responsibility, the
United States does not feel justified at
the outset of the conference in injecting
an issue that might jeopardize the im-
portant work achievable. Nevertheless,
the United States does not want to see
the door closed, and the reservation is
made to protect her right to introduce
the subject if for any reason later she
should decide to do so."

MRS. CRONIN INDICTED.

Tonopah, Nev., June 20.—Mrs. Elsie
Cronin, who shot and killed her hus-
band on May 4, was today indicted by
the grand jury for murder in the first de-
gree.

At the request of the district attorney,
Judge O'Brien ordered the woman into cus-
tody. When the order was made, she
jumped up and uttered a piercing scream.
She became hysterical and struggled with
two deputies against going to her cell.

The Biggest Kind of a Change
that Ever Happened to Any Magazine
Has Happened This Month to

THE SCRAP BOOK

THE SCRAP BOOK for July is issued in two sections—two complete magazines, each
with its own cover and its own table of contents. One of these sections is an ALL-
ILLUSTRATED magazine; the other is an ALL-FICTION magazine. Each is a mammoth maga-
zine in itself. The one presents an overwhelming array of human interest articles and
illustrations; the other an enormous tonnage of fiction—160 pages of absorbing stories.

Ten years ago I created a new type of magazine—the ALL-FICTION magazine. Now I am creating another
distinct type—the ALL-ILLUSTRATED magazine. This is the age of specialization. The conventional magazine,
with its smattering of illustrations and its smattering of fiction and its smattering of special articles, doesn't contain
enough of any one thing to make it satisfying. The ALL-FICTION magazine and the ALL-ILLUSTRATED
magazine, joined together as a unit, strengthen each other, and make something really big and forceful and convincing.

The Only Way to Know a Thing is to Try It

The two-section magazine idea is brand-new to the world. It is not quite new with me, however, as I have
given it, at odd times, four or five years of thought. It first came into my mind in response to a desire to couple, in
some way, the strength of the all-fiction magazine with the illustrated features of the conventional magazine. It has
been a difficult problem to work out. Now that the idea is perfected, I wish to see what these in it. It looks to
me to be very good, but the only way to know a thing is to try it.

Two Magazines for a Quarter—Easy Money

The price of this two-part magazine is twenty-five cents, which is equal to twelve
and one-half cents a magazine. Most magazines which were selling at ten cents
have been advanced to fifteen cents. THE SCRAP BOOK in two parts means two
magazines for twenty-five cents against thirty cents for two fifteen cent magazines.
