

## SCHOONER GIVEN UP FOR LOST, SAFE

The Kineo Was Two Hundred and  
Seven Days From Honolulu  
To Philadelphia.

### LOG TELLS TALE OF HARDSHIP

All Hands, Including Captain's Wife,  
Had to Take a Hand at  
The Pumps.

Philadelphia, Nov. 16.—After a voyage of 207 days from the Hawaiian Islands, during which the vessel was given up for lost, the five-masted steel schooner Kineo tied up at a wharf here today. The schooner is commanded by Capt. Patten and carries a crew of 15 men. The captain's log shows a tale of hardship, the vessel during the voyage sustaining many accidents. The steam gear by which sails were raised and anchors hauled was out of order several times and all hands, including the wife of Capt. Patten, were compelled to take their turn at the pumps. Mrs. Patten, on her arrival here today said:

"Thank God! I have been 15 months on the water and I will never go on another ship."  
The schooner on Jan. 23, 1905, sailed from Norfolk on her maiden voyage for the Philippines with coal and made the trip in 153 days. She then sailed for Australia and ran into a typhoon. During that voyage every one on the vessel with the exception of the captain was stricken with beret. The vessel was finally picked up and towed into Brisbane, Australia, where one of the seamen died. The schooner was tied up there two months, until the crew recovered. The Kineo then sailed for

the Hawaiian Islands, where a cargo of sugar was loaded for Philadelphia. Misfortune followed the vessel, and after being 60 days overdue, the Delaware breakwater was sighted to the joy of all on board. The crew did not lack food during the trip. Capt. Patten said that he had enough provisions to last another month when he reached port.

### GOVERNMENT SUES EX-CALIFORNIA LIEUTENANT.

San Francisco, Cal., Nov. 16.—Papers were filed today in the United States circuit court by the federal government in a civil suit against John J. West, formerly a first lieutenant in the First regiment California volunteers and now an attorney in this city, for \$7,073, alleged to be due the government from West. During the war with Spain, West served with the First California volunteers in the Philippines. He was acting commissary and as such had charge of supplies.  
The complaint alleges that during April, May and June, 1899, West disposed of supplies and received money for which no accounting has been rendered. The suit was ordered by the first controller of the treasury department. A similar suit is pending against Col. Thomas Barry, connected with the First California volunteers. West declares that he owes the government nothing and stated that he invited the suit in order to collect \$1,000 back pay, which has been withheld.

### HEARST'S CAMPAIGN.

The Expenses of It Amounted to  
\$386,370.

Albany, N. Y., Nov. 16.—William R. Hearst, Independence league and Democratic candidate for governor, today certified to the secretary of state that he had spent \$386,370 in promoting his canvass. This was divided as follows: Independence league, \$228,370; Democratic state committee, \$87,000; traveling expenses, \$300.

### MOSCOW JOURNAL SUPPRESSED.

Moscow, Nov. 16.—After a period of tranquility, the local administration, on the eve of the elections, is turning its eyes upon the liberal newspapers, and today Gen. Ruzhich, the prefect of police, personally led a detachment of police into the offices of the Novy-

ye (the New Way), the mouthpiece of the more radical elements of the Constitutional Democratic and labor parties. The general directed a thorough search of the premises and declared the paper suppressed. He furthermore vowed he would silence other newspapers which might make themselves disagreeable. The censor is also entering the field against the newspapers and has begun lawsuits against seven local journals.

### INCREASE IN WAGES.

Demand Will Be Made on Behalf of  
35,000 Railroad Employees.

Kansas City, Nov. 16.—A demand for an increase in wages for the 35,000 employees of the 45 railroads west of Chicago will be recommended by the 30 representatives of these employees who have been in conference in this city for the past three days. The proceedings of the conference have been secret, and tonight no statement could be secured from the conferees except that a raise in wages would be recommended. The amount of the increase or the time when the demand will be made was not made public. It was stated that there were so many employees and so many different local issues involved that local unions would have to arrange their own schedules and make demands accordingly.

### JOHN W. HAYS RE-ELECTED.

Washington, N. Y., 16.—At the annual convention of the Knights of Labor, just ended here, John W. Hays was re-elected general master workman. L. D. Chamberlain of Colorado, was chosen general secretary-treasurer.  
Resolutions intended to promote the growth of the organization were adopted, also resolutions defining the position of the organization to be in favor of a restricted use of the injunction in labor disputes, but not in favor of entirely abolishing injunctions.

### ERIE EXPECTS NO STRIKE.

New York, Nov. 16.—President Underwood of the Erie railroad, who returned today from Chicago, made the following statement:  
"We are not preparing for a strike and there is no reason why there should be a strike. The strikers have always been justly treated and there is no reason why they will not be treated as well in the future."

A meeting to organize the ferryboat men is being arranged so as to have the men employed by the Erie join the harbor men's branch of the International Seamen's union as a preliminary to the presentation of demands for higher wages.

### DIST. ATTY. JEROME GIVES WARNING TO GAMBLERS.

New York, Nov. 16.—A warning to gamblers that they will be prosecuted to the extent of the law and that a bill will be introduced in the legislature at the next session to repeal the present law which permits letting of race tracks was given today by Dist. Atty. Jerome in the supreme court.

It was supported by Judge Otto Rosalesky, who declared that he would impose the severest penalties upon persons convicted of gambling. At the same time Mr. Jerome announced that in the future all gambling cases will be tried before Judge Rosalesky.  
On the calendar called before Judge Rosalesky today were 36 indictments, involving nearly 100 persons, who had been arrested during poolroom raids and other forms of gambling. In a majority of the cases first offenders were arraigned and upon the motion of the district attorney fines were imposed and the other judgments, should there be any, were dismissed. As a general rule \$25 fines were imposed, with a warning that subsequent fines will be heavier. In addition to this Mr. Jerome forced the prisoners to tell the names of the owners of the various gambling houses.

### CRAPSEY HERESY CASE.

Decision Has Been Reached But It Not  
Made Public.

New York, Nov. 16.—A decision was reached today by the Episcopal court of review which has heard the appeal of Rev. Dr. Algernon S. Crapsey from the verdict of the Rochester diocesan court, which found the Rochester clergyman guilty of heresy. The decision was not made public. It will first be served upon Bishop Walker of the diocese of western New York, and to be communicated to the president of the standing committee of that diocese and to Dr. Crapsey. Following these formalities the conclusions of the court will be made public at Buffalo.

## POLITICS IN CUBA IN VERY BAD WAY

Bitter Feeling Between Moderates  
and Liberals Grows  
More Intense Daily.

### HAVE NO FAITH IN EACH OTHER

Moderates Believed to Prefer American  
Annexation to Liberal  
Government.

Havana, Nov. 16.—The bitter feeling between the Moderates and the Liberals is growing more intense as a consequence of rumors that the former party is prepared to go to any length to prevent new elections, the result of which, it is a foregone conclusion, would be an overwhelming Liberal victory. The Moderates are believed to prefer an indefinite American occupation and even annexation to the United States to submission to Liberal rule. The Liberals assert that the Moderates are prepared to instigate disorders in all provinces as soon as the date of the elections is fixed, hoping by this means to compel the provisional government to abandon its intention of holding elections.

Such intentions are vehemently denied by the Moderate leaders, who, however, are frankly opposed to the election project and advocate the continued retention of American troops in the hope that the delay will bring about dissensions in the Liberal ranks and the consequent extinction of the present Liberal preponderance. This also will give time for the organization of the conservatives.  
Fears of an outbreak are not seriously considered by the provisional gov-

ernment. The rural guard has been reinforced and redistributed, in accordance with previous plans, to more than 300 posts throughout the island, and it is believed these men will be able to deal promptly and decisively with the first symptoms of disorder.

### PERRY BELMONT

Will Insist on Being Recognized as  
Member of N. Y. State Dem. Com.

New York, Nov. 16.—In a letter to Chairman Conners, made public tonight, Perry Belmont said that he will insist upon being recognized as a member of the state Democratic committee from the First senatorial district. Mr. Belmont has been a state committeeman for 15 years, and says that he was recently informed that a protest would be made against him remaining upon the committee on the ground that he had not supported the Democratic candidate at the recent elections. To this Mr. Belmont replied that he would not be influenced by such a protest, as he had never voted for a Republican candidate.

### DECISION AGAINST RUEFF.

Has no Right to Office of Dist. Atty. of  
San Francisco.

San Francisco, Nov. 16.—Judge Seawell today decided that Abraham Rueff has no legal right to the office of district attorney in which he was appointed by Acting Mayor Gallagher after the board of supervisors had pretended to suspend H. Langdon. The court's opinion was oral. He said:

"I am clearly of the opinion that the conditions of this charter do not apply to the district attorney's office, and that the mayor and supervisors have no power of removal in regard to that office."

### HEARST LAYS HIS DEFEAT TO DEMOCRATIC DEFECTIONS

St. Louis, Mo., Nov. 16.—Delayed by a missed connection upon the Iron Mountain road, William H. Hearst, who and son and party of friends who are en route to Mexico in the private car "Constitution," spent today in St. Louis, eighteenth. The party will depart tonight for Monterey, Mexico, where Mr. Hearst expects to spend a month in looking after ranch interests and enjoying a recreation.  
When Mr. Hearst was asked for an expression concerning his recent double race, he replied:  
"That is the last thing in the world

I want to talk about, a defeated candidate. You know. The thing was so obvious that I didn't have to run. I felt sure I would have won. I feel sure I did not turn any Republican votes to me."

### GROSS FRAUD ALLEGED.

San Francisco, Nov. 16.—Gross fraud in placing the name of Gus Hartman upon the ticket as the nominee of the Union Labor party for the state senate in the Twenty-second district was alleged today in a complaint filed in the superior court by Robert O. Rogers, who was Hartman's opponent for election. Hartman was the nominee of the Republican convention. The candidate named by the Labor party for the office was E. F. Sperry, but on behalf of a purported withdrawal of Sperry was filed at the office of the registrar and subsequently a petition asking man on the ticket as the nominee of the party was filed.  
The withdrawal is said to have been made and Hartman's name substituted on days later than prescribed by law. Rogers now seeks to have the registrar restrained from certifying to the vote on behalf of Hartman, who, according to the face of the returns, has been elected.

### Deafness Cannot be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional treatment. Deafness is caused by an inflamed mucous lining of the Eustachian tube. When this tube is inflamed, you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the hearing can be restored by restoring the tube to its normal condition, cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surface.  
We will give One Hundred Dollars for any case of Deafness caused by catarrh that cannot be cured by Hall's Catarrh Cure. Send for circulars free.
