Nervous prostration cannot continue if the right kind of food is used, but food that will build fat does not always contain the elements necessary for rebuilding the soft gray matter in the nerve centers. A lady tells how she got well from using Grape-Nuts Brenkfast Food, "I was treated

by several physicians at the hospital. My disease was pronounced neurasthenia (nervous prostration). The doctors gave me various nerve tonics without producing any beneficial results. I finally got so weak that I could not work either physically or mentally. "About two years ago I began the use of Grape-Nuts and a marked improvement set in at once. In eight weeks I had regained my . strength and could do my old work even better than before, that of writing for the press.

BOARD OF HORTICULTURE to Oregon to visit a daughter. Mr. Smith passed through Utah in 1849, when he went to California; he is Appointed for Sevier County-Names

Of Commissioners. Special Correspondence.

Richfield, Sevier Co., June 16.-Mr. B. H. Bower, member of the state board of horticulture for the second district was here yesterday and met with the board of county commissioners and presented a petition to have a county board of horticulture appointed, in accordance with the law passed by the last Legislature, relating to horicul-ture. The petition was acted upon favorably and the members of such

county board were selected as follows: W. F. Asimus of Richfield, T. B. Humphrey of Salina and P. P. Wash-burn of Monroe. These are all prac-tical fruit raisers and will take a declded interest in having the law in re gard to the care of orchards observe as fully as possible under the circum stances. They will appoint an inspec

tor whose duty it shall be to visit and inspect all the orchards of the county and to endeavor to get the people in piles can't be cured: a mistake to suffer a day longer than you can help. Doan's Ointment brings instant relief and per-One the notion of taking better care of their One of the worst features of the or-

a day longer than you can help. Dotating the service of the presence of the tent cater-chards of the county this season has been the presence of the tent cater-pillar, which has infested every district in the county. They have stripped the trees entirely of foliage and fruit in places, yet there has been a great deal of indifference and neglect in getting returned to their homes and our town has quieted down to its normal condition. Monday was spent in viewing the Agricultural and Brightam Young colnow be undertaken and they will be cleaned out.

tion. Monday was spent in viewing the Agricultural and Brightam Young col-leges and other sights of interest around town, and in listening to fine concerts by the brass bands on taber-nacle square. A hall game in the af-ternoon between picked teams from the colleges and the town, drew a large atcleaned out. Mr. Bower says he finds one of the worst drawbacks to the orchards in this county in the old, uncared-for trees. These have, through neglect, outlived their usefulness, and should be re-moved entirely and destroyed. They one heavend much that unaning tendance, and resulted in a score of 19 to 10 in favor of the students. Prizes are beyond any help that pruning now would give, and should be replaced with a stock that will respond to efforts to produce a good tree and fruit.
