VEANCE WAY TAKE STRULAR ACTION

The Victory of Cretan Insurgents Fir-Greeks With Estimatesm—The Crown Prices Off for the Front

Britain from the blockade is the one subject discussed foothy in cauri and other circles. The sublant's advisers are making ins best of the siluration by pointing to the fact that Great Britain does and constitute the whole of Europe, and that so long as the sulfain as the support of Russia, France, Germany said Austria, he has nothing to fear from Great Britain. It is whippered that France will, in all probability, below the example of Great Britain. France, it is aspecied, it easily to take the step the example account with Kuisel, and it is adass that in any case, the Francis government would not risk taking part in the bindicale of Greece, witch would lie and or war, without flast consulting the Chemier of Deputies, or train and the control of policy and the control of the correction policy. It regarded here so being the from each late.

It is stated that Great Britain has
