CONGRESSIONAL.

was intimidation in Louisiana which changed the whole result of the election. Murder, riot, whipping and violence by organized democratic rifle clubs existed. He appealed to the Senators to act deliberately and coolly. The electoral vote in several States was disputed. He believed that everybally appealed the South Caveline. body conceded the South Carolina vote to Hayes and Wheeler,

Thurman argued that the docu- to. ment presented but one side of the The joint resolution as amended A Sure Cure for the Piles case. When both sides were before passed. There should be more have filled the vacancy; but it was ed printed and tabled. not filled because the board intendthe election were not made within ordered printed. the specified time, but were made after the election in New Orleans to

count in the republican nomi-West asserted that in 1872, when the democrats had the returning board, parish after parish was re-

election laws. Morton said the great question before the returning board was in-timidation, murder and violence. The country wanted to hear from the democratic committee about intimidation, which subject they barely mentioned. The report admitted there was violence in the State, but attributed it to the State government being usurped.

Thurman withdrew his motion to postpone the consideration and is amendment to have the democratic commissioners' report printed with the President's message.

truth, which would throw the re- November Gen. Leman came to Cleveland, Ohio. Circulars mailed sults of congressional interference me from the Attorney General, free. with the local State government. representing that there was reason Sherman defended the State authorities. They had prosecuted criminals, but these could not be arrested outside of the parish where the crime occurred without tedious legal proceedings. Sometimes it was impossible to hold court. In truth, the young men of the south were determined the negroes should not have constitutional rights. A

peace in Louisiana but for the democratic clubs. If this violence succeeded in electing a President new, the same violence would soon extend over the whole country, and the same violence would be at an extended.

Your obedient servant. our Government would be at an end. He did not want to see a war of races, but it would come unless the negroes of the South had their

club crimes must cease. West said he had received a telegram from the United States marshal at New Orleans, saying that the witnesses who had testified the witnesses who had testified without semblance of mercy, believed the returning heard concerns before the returning board concern-ing intimidation had, on returning, been driven from their homes and some killed. It was on account of

Bayard said the rules of the Sen-ate might have been invoked when the senator from Louisiana charged When brought before the Mayor no Last Night's Dispatches. Couraged violence. On one side complaint and he was discharged. He adds that he firmly believes the debates in this chamber and his republican voters of the city will

brief reply. He regretted that the democratic committee had entirely omitted the question of intimidation and that it was a fact that the time the troops were sent to existence of violence and enormical instruments and merchandles, and take second-hand planes and take second-hand p tion. Their whole paper was an budget of technicalities to defeat the law of Louisiana. The Louisiana ties in the south was no longer denied in the Senate. He argued that crimes in that section had not sianians had failed to discover what been punished because intimidation the committee asserted, namely went into the courts; assassination that the State law did not provide awalted both judge and jurors. This or the election of electors. He read ruffianism would be stopped when

He would leave them for those who knew them both. less government will furnish them ample protection by sending troops for that purpose. Other affidavits, Washington, 14.—Sherman said he could not permit this document to be printed without making a brief reply. He regretted that the progress exhibited in the Sthat the process of troops to protect the republicans at the progress exhibited in the Sthat the expressing belief that the presence all cutlery, lock and gunsmith work.

The President's Answer as to Why the Troops Were Sent to Peters. burg.

WASHINGTON, 14.-The following s the President's message to the Senate in answer to the resolution He combatted the various questions raised by them, and said the democrats objected that the returning board did not all the returning board did not all the returning south, but he denied that the south, but he denied that the state of Virginia on the finite state of Virginia on the fin

"I submit the enclosed letter of propriety, in no wise affecting the legality of the board. He would, of the State could be overthrown by legality of the board. He would, as a member of the board, have favored the appointing of any democrat to fill the vacancy. The democratic force of the board, yet the democratic House of Representatives had discharged all the republican party. When the right of suffrage was conferred upon the licans in its employ, and the republicans did not complain. He senate that the republican party that the supervisors' needed the votes of 80,000 negroes. publicans did not complain. He did not deny that the supervisors' affidavits were not made out in proper legal time as the democrats asserted. The democratic committee did not impeach the fairness of the mode of conducting the count. There was intimidation in the seviceu parishes, and to its extent the committee dare not commit the committee dare not commit the moselves. He would maintain, before the Senate and the people of the United States, that there were that the republican governments, but a republican government had never been overthrown soldiers, under command of a capture of the United States in the republican party needed the votes of 80,000 negroes. The trouble now was that the republican shall the republican by any citizen, whatever prevents the full exercise of the franchise by any citizen, whatever his political faith. If, then, they worst kind of intimidation, and there would be an end to republicant, and the protection to citizens casting it in giving it to the candidate of his unbiased choice, without fear, and thus securing the very essence of liberty. It may be that the presence of twenty-four United States soldiers, under command of a capture of the United States and the people of the United States, that there ple of the United States, that there was Intimidation in Louisiana by this kind of intimidation, which tain and a lieutenant, quartered in

The Senate then considered the have been obtained if they had not joint resolution to print 10,000 been there to maintain peace in Randolph and Withers denied extra copies of the message of the case of riot; but if such is the case that there was any such concession.
