FOR SALE.
A RARE OPPORTUNITY.
Best business proposition ever offered on the line for the new Salt Lake Route. Look over these facts:

Townsite 80 acres—40 acres each side of Union Pacific depot station.
Merchandise stock inventories \$150,000 to \$200,000. Doing a business over \$40,000 a year.
Hotel, saloon, feed yards all making big money.

Absolutely no competition and one of the most fertile valleys in Nevada to draw from. A California climate and the railroads are adding to the wealth of this ready productive district. Ranches and Mining Camps of Utah, Arizona and Nevada are also big feeders.

Investigate this proposition if you want a sure thing. \$25,000 will buy it all; \$10,000 a year profits. Good terms to the right party.

Present owner has made enough to retire and on account of poor health wants to sell at once.
