If You Buy at FREED'S It is All Right.

TERRIFIC PRICE CUT

NOW is the very height of the season. NOW when other furniture houses are hanging onto war-time prices. NOW, when the goods are most needed. NOW fully six weeks in advance of usual cleaning sale season. We expect a rush. We've prepared for it, for there is not a man or woman in Salt Lake that can afford to close their eyes to such deep, determined reductions as we've made clear down the line. Let the Prices Talk—Surely they are eloquent enough.
