DEAF SCHOOL COMMENCEMENT

Splendid Showing Made at State Institution for Unfortunates—Names of Graduates.

SESSION OF CITY COUNCIL.

Weber County Affairs—District Court Business—Resolutions of Respect To Judge Miner Adopted.

Ogden, June 4.—The commencement exercises of the state school for the deaf and blind were held last evening at the school auditorium before an audience that taxed the building to its capacity. The showing made was a most creditable one in every respect, reflecting great credit on Supt. F. M. Briggs and his instructors, who have labored untiringly to make the school what it is, one of the best in the United States. The school has an orchestra of blind pupils that would do honor to a school of pupils who could see to read music. The orchestra rendered the three selections, "Columbia the Gem of the Ocean," "Overture Medley," and "Robin Adair." Excellent piano solos were rendered by Lulu McDonald, and Janie McCallan, graduating exercises by Elsie Christiansen, "Mount Vesuvius," and Carl Lund on "Enoch Arden," were most excellent illustrations of the wonderful work being accomplished at the school in teaching the deaf to speak.

Judge H. H. Rolapp delivered an able address to the graduates, giving good advice on the life before them. Hon. L. L. Clark of the board of directors presented the graduates with their diplomas. After the exercises the visitors were escorted through the departments, where they inspected the exhibits of the great work being done by the pupils in the manual training, domestic science and needle work departments. The graduates are: School for the deaf—Rufus E. Briggs, Trenton; Elsie Christiansen, South Jordan; Lizzie Eslington, Ogden; Emma Emmertson, Ogden; Ivy Griggs, Salt Lake City; Mary Woolsey, Salt Lake City; Fred Low, Salt Lake City. School for the blind—Bernard Iverson, Salt Lake City; Carl Lind, Brigham; Lulu McDonald, Sevier; William Nichol, Murray.

CITY COUNCIL SESSION.

Decided to Reconstruct Old Bridge Over Ogden River.

Ogden, June 4.—By a vote of 7 to 3 the city council last night decided to reconstruct the bridge at the entrance to Ogden canyon over the old channel of the river. The city engineer has before been authorized to prepare the plans to build an arched concrete bridge over the new waterway.

Through the adoption of the resolution introduced by President Craig, the newly appointed public park commissioners were allowed a sum of \$3,000 from the city treasury for the creation and maintenance of parks. It is estimated that out of this amount approximately \$2,800 will be used for the maintenance of parks already owned by the city and that the remainder will be devoted to the parking of the west section of the city hall square.

Chief of Police Thomas E. Browning was given an indefinite leave of absence to attend the national convention of chiefs of police, which will be held at the Jamestown exposition during the latter part of June.

Chief of Police Browning's action in the removal of Mike Malone from the police force was confirmed.

The contractors who have done work on the streets of Ogden were requested to immediately remedy all defects, principally cave-ins, in the city's thoroughfares.

A bill from A. T. Hestmark for the printing of the newly revised ordinances, amounting to \$97.95, was referred to the engineering committee.

Payroll amounting to \$2,125.46 were heard and allowed.
