NEWS was obeyed, the despotism of fashion DATLY, SPADAY'S EXCEPTED, AT FORE O'CLOCK June 4. Friday. EDITORIAL NOTES.

From a number of letters to the Millennial Star written by Elders special dimensions. in the missionary field, we learn of numerous baptisms in various parts of the British Isles and in continental Europe. The missionaries are either to ape the masculine or to run faithful and diligent and rejoice in towards the extrem of utility, reseeing the fruits of their labors.

The death of Maria Alexandrovina, Empress of Russia and daughter own object and make their projectors was carried. of the Grand Duke of Hesse-Darm- objects of ridicule instead of benestadt, announced in our dispatches, factors of their sex. has been for some time anticipated. The idea of a uniform for woman She has been a long sufferer from nervous maladies and was familiar with the prospect of dissolution. She was fifty-six years of age, a good ers and the trees. Variety is exhib-wife and mother, and an empress ited in all His universe. We can for a quarter of a century.

Our Washington enrespondent beneath. And while we see that writing on May 29th says: "It is He delights in beauty, we may also now evident that neither the bill perceive that harmony of tints and transferring the Indian Bureau to the War Department nor that grant- to form, are plainly exhibited in all ing lands to Iudians in severalty, His giorious handiwork. In these can pass during this session. The are hints for His children. Whatagreement of Secretary Schurz with ever He clothes is covered and adornthe Utes will be approved, with ed with garments suitable and promodifications, and will prevent for a per to meet, alike, the wants of the time any serious conflict with those creature and the sense of pleasure Indians."

"Oh for a social walk with God," was the hymn sung by the minister lectures from men or women on the at the hanging on the 28th ult., of L. L. Ford, for murder while commiting a robbery: The culprit joined heartily in the singing, having been led to expect from the absurd teaching of a false theology that he was about to take a short out toward that "social walk." Of all the gross delusions in man-made religions this seems the most foolish and blasphe-DIGUS.

A little word often makes a big difference. In a brief note about the site for the asylum, in Wednesday's News, the word "not" was inadvertently omitted, reversing the appears to be destructive to the tin meaning of the septence. We de coating of the cans in use and they sired to call attention to the fact are spoilt in one season's use. Hence that the law did not intend that the the glass bottles, although more exdirectors should study the wishes or regardless of individual proclivities. ticle.
