Last Night's Dispatches.

EASTERN.

Sherman and Cameron—The Situation in the South.

WASHINGTON, 13.—General Sherman, who returned to Washington to-day, has been very busy at the War Department attending to the routine of business. He had a consultation with Secretary Cameron, and was visited by several prominent republicans from South Carolina, who had also been in conference with the Secretary of War upon the subject of the existing condition of affairs in that State. It does not appear that any representations, concerning the necessity for troops, were either made to the Secretary or to General Sherman in addition to what has heretofore been presented for consideration, but an urgent appeal is being made for the stationing of army forces throughout the State in such a manner as will prevent all possibility of disturbances during the campaign in the coming election. The opinion in army circles here is that there is already sufficient troops stationed in South Carolina to protect all citizens in their rights. It is probable, however, that the statements of the delegation from that State will be considered at a Cabinet meeting to be held on Tuesday next, at which Attorney General Taft will be present. The views of the Government, at least up to this time, have been that every necessary precaution has been taken for the protection of voters in the sections of the Southern States where responsible representations have been made that their rights are in danger.

$27,000 Fire.

LOUISVILLE, 13.—Last night, about nine o'clock, the bonded warehouse of H. D. Owings, in Edward's County, was destroyed by fire. Owings was absent at the time. The place was in charge of a Government storekeeper. Four hundred barrels of whiskey were destroyed; loss $27,000, insurance $11,000.

Yellow Fever Interments.

SAVANNAH, 13.—The yellow fever interments, to-day, were twenty.

Gen. Merritt on a Scout—The Indians Raiding.

CHEYENNE, 13.—Gen. Merritt left Custer City with 500 men on a scout, to-day. His destination is not positively known, but is surmised to be the Belle Fourche, a fork of the Cheyenne River. The remainder of the command is still at Custer.

The party of Indians who killed Monroe, near Fort Laramie, a few days since, also raided the ranch of Nick Jones on the old Red Cloud road, stealing twenty-five horses. Monroe's body was pierced by eight bullets.

The Railway Postal Service Commission.

ST. LOUIS, 13.—The United States railway postal service commission met here, to-day, and examined Postmaster Cilley, two or three superintendents of the mail service, several experts from the post office and three or four prominent representatives of the different business interests. The substance of their testimony was that a fast mail service is of no practical value to the business community here, for the reason that it did not arrive until the bulk of the business of the day had been transacted. What is most needed for the interest of St. Louis and this section of the country is a double daily postal car service. Speed is not of so much value as promptness and reliability. A double daily service on the Missouri Pacific Railroad, west of here, is also asserted to be of the greatest importance. The commission will sit again to-morrow and examine a number of other persons. On Monday they leave for Texas.

Nominations.

MARSHALL, Ills., 13.—The republicans of the 13th congressional district, to-day, nominated Geo. D. Chaffer.

NEW YORK, 13.—The sixth anti-Tammany congressional district convention nominated Hon. J. S. Cox to-night.

The Reason Why West Virginia Went Democratic.

CHICAGO, 13. — The *Tribune's* Washington special says the reason why the West Virginia vote is so largely democratic is because the disabilities of great numbers of the rebels have been removed since last election. It is believed here that Wolcott's withdrawal in Indiana was an injury to the representatives, and that had he retained his place the democrats would have been defeated.

Gen. Young, of Ga., democrat, ex-member of Congress, who is just from New York represents the outlook in that State for Tilden decidedly encouraging; and says Gov. Tilden told him a week ago, that if he could not sweep the State he would move out of it.

Indiana Election.

INDIANAPOLIS, 13.—Ninety counties, all official except three or four, give Williams 4,719 majority. The counties not heard from gave a democratic majority in 1872 of 178. The democrats claim this will be increased 400 or 500. The following are the official estimates of the majorities of the congressional ticket: First, Fulton, democrat, estimated at 1,500. Second, Cobb, democrat, 5,000; Third, Bicknell, democrat, estimated 5,100; Fourth, Sexton republican, official, 317; Fifth, Brown, republican, estimated 1,600; Sixth, Robinson, republican, official, 302; Seventh, Hanna, republican, partly estimated 1,600; Eighth, Hunter, republican, official, 1,080; Ninth, White, republican, official 1,272; Tenth, Calkins, republican 1,350; Eleventh, Evans, republican, estimated 1,200; Twelfth, Hamilton, democrat, estimated 5,400; Thirteenth, Baker, republican, estimated 2,300.

BRITISH AMERICA.

Schooner Gone Down.

TORONTO, 13.—The schooner *Maggie Hunter*, Captain Nixon, of Toronto, laden with coal, is reported gone down with all hands, during her passage from Oswego to this port. The vessel was valued at $10,000, uninsured.

To Trappers, Co-operative Stores and Others:

As numbers of our Patrons are already bringing and sending in MUSKRAT SKINS, we wish to state that those pelts are always of an Inferior Grade, when taken from animals which are trapped before about November 15th. We cannot, therefore, purchase Skins taken off prior to that date.
