the fate of Joseph and Hyrum Smith and the other prisoners betrayed into Mr. Dickson then called U. S. depu-ties, Smith, Franks and Cuddihe, and of Colonel Hinkle and was used pretty roughly as a result, being hustled along between two horsemen, who held him by the collar while they rode at a full in bed, by looking over the transom; gailop.

He was the first settler of Juab County and the original founder of the City | was not opened, and we then called of Nephi, in which for many years he was one of the leading spirits, taking a prominent part in all public work. For some years past he has been in his dotage and hardly responsible for what he said or did. He was a remark- let us in; I then went around to the ably healthy man, scarcely ever having any sickness in his life, and was quite active until a few months ago when he else I wanted, and soon afterwards we lost his sight, since which time he has not been able to get about much.

Boreas on the Rampage. - Davis

County is noted for its high wind storms, and the strangest part of it is the limited area to which they are sometimes confined. A gentle zephyr in this city may increase to a hurricane on reaching Bountiful or Centerville, and develop into a veritable cyclone by questioned as to whether she had been the time it gets to Kaysville, and yet be to Logan with the defendant, but jit and develop into a veritable cyclone by scarcely felt in Ogden. As a result of was ascertained that she had not, and she was excused. Maria Madsen was sworn and testithe character of that region in this respect, wide projecting roofs are rather at a discount there; in fact, if the roofs there were not anchored down more do not know how long it was before we there were not anchored down more than they usually are in other places, they would frequently be seen floating off in a sudden gust towards Salt Lake, Bergen; we were all in the store to-gether: I did not go to the store with as they have fin a few instances'. To guard against such a catastrophe it is not very uncommon there to see the eastern eaves of the houses fastened down to the wall with strips of iron, or weighted down with get endowments for our dead friends; arge stones or heavy timbers. Weath-erwise people in that vicinity claim o'clock; Matilda and I went together; 1 that the approach of heavy wind do not know the family I stopped with storms are generally indicated by a at Logan; a man took me from the decloud settling down upon the eastern pot, when I asked him where I could cloud settling down upon the eastern mountains, and that the rising of the cloud is invariably a signal for the storm to cease, but we are unable to wouch for the correctness of this

storm to cease, but we are unable to vouch for the correctness of this claim. We had a slight breeze here in this city yesterday, scarcely sufficient to biow one's hat off, but at Kaysville, as we issrn from a gentleman just down from there, the wind storm amounted almost to a tornado. No damage was done, so far as we have learned, ex-cept the blowing over of a barn in the settlement and the prostration of a iarge number of telegraph poles, but no small amount of alarm prevailed among passengers on the railway, lest the train would blow over, as well as the train would blow over, as well as their houses. with their houses. t

Death of Edward E. Brain.-Ia spother part of the paper will be found a notice of the death of Elder Edward Mr. Bergen if he had any statement to E. Brain, who was only 30 years of age. make, and upon receiving a negative reply, stated that he considered there He was in many respects an exception- | was probable cause to believe the deguite remarkable, and way sustained by unusual will-power.
