SCOTT & BOWNE, 409 Pearl Street, New York

suits and working short fabrics are in fair shape for full. In duck, the de-basid is less than the supply, with hardly a normal call for awaing duck. The demand for reteens is steady, with while enteens for clothiers' lin-lies hard to get. Staple printed goods are in moderate call from agents but deliverise are still being made on old orders. The demand for fancies in fine and medium counter goods continues strong, with dimitles of fine qualities hard to get. The neverity fabric that has overturned many calculations this spring is the please or crinkled effect. The shift market is strong as ever with the demand for immediate delivery conally nothing doing for the week. Colinclina continue e little slow, as it is claimed money is hard to get through the country at just this time. In fact some customers of the trade are asking for extensions in time of paynent. It is chilmed that this condition largely due to the action of farmers holding back their products for ther prices. The small banks while the demand for money for de-while the demand for money for de-velopment of minos never ends. Some coulion is necessary, however, in this infer matter. Idaho is califng for DRY GOODS. the definited for Immediate delivery con-tinuous. Pongees, shantungs, satin printied foulards and taffetas are called for steadily. Messalines in old widths are much want-ed and not easy to get. There are usiny buyers in the linen market where wide dress gools are in steady request. Damasks, napkins, crashes, towelling, and other lines, are in good The local dry goods trade reports very little doing largely on account of the unpleasant weather, which it seems has affected the wholesale as

a return of health and comfort.
