The scarcity of Diamonds, Gold and Silver, and the difficulty of meeting in securing them, is a sure indication of their value.

It is with a valuable medicine, Dr. Aug. Kasper's Celebrated German Pulmonic Elixir, through the jealousy of rivals, has met with the most bitter opposition, and apparently almost insurmountable obstacles have been thrown in its way; but its opponents might as well try to change the course of the sun, sweep back the ocean with a broom or put out a prairie fire with a bucket.

For the cure of Throat and Lung diseases, such as Coughs, Colds, Consumption and Bronchial Affections, it is unequalled. Its cure is only medicinal. Ask your Druggist for it. The genuine bears the Prussian Coat of Arms, the facsimile signature of Dr. Aug. Kasper, and has his name blown on every 75 cent bottle. Trial bottle, 25 cents.

For sale, wholesale and retail, by the Z. C. M. I. Drug Department, Deseret House, 421 South Main Street, Salt Lake City. d223 w.1

Of for a thousand tongues to sing the praises which are daily received of that popular article now known as HALE'S MONKEY OREHOUD AND TART. It is now becoming known among the people as a positive fact that this article has performed more cures of Coughs, Colds, Influenza, Hoarseness, Difficult Breathing, and Affections of the Throat, Bronchitis, Tubercles and Lungs leading to Consumption, than any other article ever brought before the public. All we ask is a little more time for the people to test the article, and then we are satisfied that it will be the family physician for any ailment of the above complaint, and occupy a prominent position in every household. Sold by all druggists and at Crittenton's Central Medicine Warehouse, 7 Sixth Avenue, New York City, at 50 cents and \$1 per bottle. Great saving by buying large size.

Never Despair.

For fifteen years our attention has been called to the wonderful qualities of Gillet's preparations. His Double Extracts are well known to be from three to five times as strong as most others, and are certainly more delicious, while Gillet's Cream Tartar Baking Powder cannot be excelled. It equals, for its purity, nutrition, and healthfulness. It, too, is the most economical. We cordially recommend Gillet's goods, and say "never despair" to those who have failed when using other powders, etc., but try Gillet's.

Goods cheaper than ever at C. W. Davis.

The Professional Indorsement which has been accorded by leading medical men in various parts of the country to Dr. Wm. Hall's Balsam for the Lungs, is a sufficient guaranty of its efficacy in treating diseases of the breathing organs. These gentlemen have thoroughly tested the remedy, and their concurrent testimony is to the effect that it is a positive and specific for lung, bronchial and throat affections of every description, and a most reliable preventive of that dreaded scourge, consumption. Druggists sell it. d120 s&w
