BOND ELECTION JUDGES.

Council Committee Pay Them \$3 a Day and Some Extras.

The Council committee on elections last evening approved the claims of registration agents and judges who rendered service at the recent bond election. The committee will recommend to the Council that the judges be paid at the rate of \$3.00 each, plus \$2.00 extra for the judges who brought in the official returns, and that the compensation of the registrars be at the rate of one cent a name for voting lists, plus 75 cents for post-mortem. The registrars will be allowed nothing for being at the election day for the reason that they were not requested to be there.

DELEGATES NAMED

BY REPUBLICANS

List of Those Who Will Attend Saturday's Judicial Convention.

MEETINGS WELL ATTENDED.

Names of Those Believed to be in the Lead for Nominations—Harvey Prevails.

THE REPUBLICANS HELD PRIMARIES LAST EVENING IN SALT LAKE.

The Republicans held primaries last evening in Salt Lake, Summit and Tooele counties for the selection of delegates to the third judicial district convention, which meets in this city on Saturday next to place in nomination those judges and one district attorney.

Five meetings were held in the city and ten in the county. Everything, so far as known, was harmonious and matters were disposed of in a business-like manner.

The first precinct is said to be divided between D. C. Eicher and Harvey. Eicher is the incumbent district attorney, the judicial favorites being C. W. Morse and George F. Goodwin.

The second, it is claimed, favors Eicher first, and Christensen second. For judicial candidates the delegates are said to be for Morse and Wengert. Messrs. Lewis, Goodwin and Ritchie each exhibit a certain amount of strength for third place.

The third claims to have no choice for either of the places.

The fourth, while silent on the attorneyship, is said to be solid for Ritchie and Morse for judges.

The friends of D. C. Eicher claim the fifth precinct delegation to be solid for him. Wengert and Morse are said to be favored. For third place Messrs. Lewis, Bishop and Ritchie are favored.

The county precincts, it is understood, largely favor Bishop Ferguson for a judgeship nomination.

THE SECOND PRECINCT.

Names of Delegates Chosen at Last Evening's Meeting.

The first precinct primary was well attended. The meeting was called to order by Walter J. Meeks, chairman of the precinct committee, and J. F. MacKnight read the call for the convention. J. Meeks was elected permanent chairman and Joseph Christensen, secretary.

Of the eleven voting districts and six of the eleven voting districts and six were selected at large, as follows: First district, B. S. Harrington; Second, D. S. Bragg; Third, Peter Johnson; Fourth, S. B. Westfield; Fifth, Frank H. Huffman; Sixth, W. F. Griffiths; Seventh, William Shawell; Eighth, D. A. Walker; Ninth, Fred Hansen; Tenth, R. W. McAllister; Eleventh, A. H. Atkinson.

For delegates-at-large, the following were presented: Walter J. Meeks, George L. Nye, J. G. McAllister, W. S. Grey, Frank Pierce, J. H. Thoren, Parley P. Christensen, J. M. Breeze, George Buckle, W. F. Hill, W. A. Lee and Arthur Parsons. Buckle, Lee and Parsons, however, withdrew before a vote was taken.

Mr. Lee decided that the six receiving the largest vote should be declared elected, and the ballot resulted in the selection of the following by the vote stated: J. M. Breeze, 77; Parley P. Christensen, 76; Walter J. Meeks, 75; W. S. Grey, 74; George L. Nye, 65; Frank Pierce, 55; J. G. McAllister, 54; J. H. Thoren and W. F. Hill, who received 29, 17 and 37 votes, respectively, were selected as alternates.

SECOND PRECINCT.

Convention Agrees Upon its List of Delegates.

The primary in the second precinct was held in the Sixth ward meeting house. The convention was called to order by J. U. Edredge Jr., Jas. H. Anderson was chosen chairman, and W. S. Grey, Robert E. Butler, upon motion it was decided that the residents of each of the fifteen voting districts composing the precinct, caucus and elect one delegate and one alternate, and that the other delegates be elected at large. The precinct is entitled, be balloted for by the convention as delegates-at-large. It took about five minutes for the districts to caucus on representatives, and the following were elected: J. H. Thoren, J. M. Breeze, J. C. Lynch, Fourteenth, J. C. Lynch; Fifteenth, S. A. Komer; Sixteenth, Hyrum Clark; Seventeenth, Robert E. Butler; Eighteenth, E. J. Bartley; Nineteenth, W. M. Owen; Twentieth, T. Ellis Browne; Twenty-first, C. Donetti; Twenty-second, Mrs. Annie M. Bradley; Twenty-third, D. W. Appleby; Twenty-fourth, C. Canning; Twenty-fifth, Daniel Parker; Twenty-sixth, James Wilson.

For delegates-at-large the following were put in nomination: H. P. Nickerson, M. W. Whitaker, M. S. L. Thompson, W. F. Appleby, James W. Fox, H. P. Evans, A. S. Reiser, Mrs. Martha Price, H. M. Thompson. The four receiving the highest number of votes were A. S. Reiser, M. W. Whitaker, Mrs. S. L. Moore, and James W. Fox. The choice of the convention for delegates-at-large, the three receiving the next highest number of votes were H. P. Nickerson, Mrs. Martha Price and W. F. Appleby, and the choice of the delegates chosen by the voting districts could not attend the convention that they could have their places filled by giving their proxies to others residing in the district from which they were chosen.

THIRD PRECINCT.

Convention Held in the Plymouth Congregational Church.

The Third precinct primary, which was held in the Plymouth Congregational church, was presided over by A. F. Doremus, while William M. Millan acted as secretary. The delegates chosen by districts were as follows: Twenty-second, Z. H. Jacobs; Twenty-third, Jonathan Hart; Twenty-fourth, H. S. Tanner; Twenty-fifth, W. M. Elliott; Twenty-sixth, Robert B. Taylor; Twenty-seventh, Robert Bridge; Twenty-eighth, D. W. Gamble; Twenty-ninth, W. F. Nobles; Thirtieth, Jonathan Leach; Thirty-first, F. H. Rudy. The four delegates elected at large were James F. Smith, H. E. Booth, A. F. Doremus and William L. Dykes. It was decided that Hans Christensen and W. F. Armstrong, who had also been placed in nomination, should act as alternates to the convention.

FOURTH PRECINCT.

Arthur Brown Presides Over De-liberations of Convention.

The Fourth precinct was not behind any of the other precincts in attendance and enthusiasm. Chairman Houghton called the meeting to order.

A SOLDIER'S BABY DIES.

Son of Lieut. and Mrs. Palmer Succumbs to Convulsions.

Father is in the Philippines Fighting the Nation's Battle—Mother Returning Sorrow Laden and Alone.

Little Guy, the infant son of Lieut. and Mrs. Guy Palmer, died at Flavel, Oregon, Sunday evening, after a severe illness of several weeks. The sympathies of the community go out to Mrs. Palmer in this hour of her sad bereavement. She was in Oregon alone with her child when the end came, her nurse having left her before they reached Portland, and her husband in the Philippines fighting for his country. For weeks the mother had watched over her infant and witnessed the tide of life, ebb and flow, until it passed away. Mrs. Palmer went to Portland two weeks ago on the advice of her physician, and from there she went to Flavel, opposite Astoria, but the child continued to grow weaker until his young spirit was released from earthly detention.

Sidney K. Hooper, brother of Mrs. Palmer, left last evening to meet his sister at Weiser, Idaho, and they will return tomorrow at 4:45 a. m., when the family and friends will meet them. The funeral procession will proceed from the depot to the city cemetery, where services will be conducted by Dean Edgell of St. Mark's cathedral. Of the saddest phases of the sorrowful event is that the father has never seen the baby and the young mother in this hour of her greatest grief is denied the comfort and solace of her husband's presence.

COLORED TROOP LEAVES.

Departed Last Night for the Land of the Boxer and the Mandarin.

Troop C Ninth Cavalry left last evening for the President, where they will await the sailing of a transport for China. There were over a hundred colored friends of the troop at the station when they pulled out, who went up a mighty cheer as the train pulled out of the station.

The departure of the colored troops releases the police officers of considerable worry and extra vigilance. The troops had threatened to have a "hot" time before they left, but an extra force of police was on the streets so the boys thought the odds were against them and they refrained from acting in a very undisciplined manner.

An hour or two before the train left Private John Childs was darning a shirt in a very abandoned manner on State street. Officer Randolph took the shirt from him and marched him to the station. He was subsequently put in the hands of a friend who promised to take care of him.

Private George A. Brown, who is serving a ten days' term in the city jail for drunkenness, was tendered a dishonorable discharge from the service last night.

The soldiers left quietly last night, the principal feature of their departure being the showering of Lieut. McCullough and his bride with rice. Mrs. McCullough will return to Salt Lake as soon as her husband boards the transport.

Care for Cholera Infantum—Never Known to Fail.

During last March an infant child of our neighbor was suffering from cholera infantum. The doctors had given up all hopes of recovery. I took a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy to the house, telling them I felt sure it would do good if used according to directions. In two days time the child had fully recovered. The child is now vigorous and healthy. I have recommended this remedy frequently and have never known it to fail.

TALKS ABOUT DAWSON.

Mrs. Harry Edwards Says the Klondike City is a Pleasant Place to Live.

Mrs. Harry Edwards has returned from the Klondike after a sojourn in that country of nine months. It will be remembered that she left the city as Miss Julia Swenson, her maiden name, last September. Her husband, who has made a fortune at Dawson, she reached that city on October 11, and the same day was made Mrs. Harry Edwards, by a minister of the Church of England. Her husband, who is a resident of the city, conducts the best hotel in the city, at which it costs \$1 to sleep over night, and \$1.50 to eat a meal. There is a very small school there, as well as some retail stores. There are three daily newspapers published in Dawson, and all the comforts and conveniences that are obtained in Utah. Although the mercury goes down very low in the winter, it is not so awful cold, as there is never any wind.

Mrs. Edwards said she enjoyed living at Dawson, and if her husband doesn't come down in August, she will return in September. Wages are very high there, being from \$10 to \$15 a day. The people are friendly, and for some are all going back again. Mrs. Edwards says the score or more Salt Lake who are in Dawson are all doing well.

AMUSEMENTS.

The week's bill at the Salt Palace theater last night opened to an audience that was as large as it was divided. Every member of the audience to a surprising degree, and if the same standard of excellence is maintained to the end of the season, the popularity of the house is assured.

The McDonald Bros. in their latest diversion, were related one of the best character teams that ever trotted side by side in a light amusement house in this city. Miss Hayden, the female baritone, did excellent work and sang with voice and dash that many a male vocalist could not have failed to equal. Ned Baldwin, the trick bicycle rider, is a wonder on wheels and as graceful in his movements as a mountain lion. Kalekarkas, the Australian juggler, also did several clever acts.

POLITICAL POINTERS.

Col. W. H. Dewey of Nampa, Idaho, passed through here on his way to Indianapolis, being a member of the Bryan notification committee.

W. H. Watt, who was chairman of the Idaho Democratic State convention, is here for a visit of a few days.

A candidate for State senator will be named at Marysville on August 6th by Republicans of the Tenth district.

Offer to Retain the Money.

Many thousands have been restored to health and happiness by the use of Chamberlain's Cough Remedy. It is afflicted with any throat or lung trouble, give it a trial for it is certain to prove beneficial. Coughs that have resisted every other treatment for years, have yielded to this remedy and perfect health has been restored. Cases that seemed hopeless, that the climate of famous health resorts failed to benefit, have been cured by its use. Be sure to mind that every bottle is warranted and if it does not prove beneficial the money will be refunded to you.
