SUNDAY CHANGES in the wea-
ther are productive of Throat Dis-
ease, Croup and Colds. There is
now a more effective relief to be found
in the use of "Brown's" Bron-
chial Trochee.
A person who has a cold, a sore
throat, or a cough, should at once
buy a box of "Brown's" Bronchial
Trochee, and use it. It will give
relief in a few minutes, and prevent
the cold from becoming a cough, or
the cough from becoming a bronchitis.
It is a sure cure for all these
affections, and is sold everywhere.
Beware of cheap imitations.

Assaulting Ladies.—Last evening
Eliza Murphy and August
Brown assaulted and abused a
couple of young ladies, on Second
South Street. The abuse arose from
the ladies refusing to accompany
the parties named, who were
strangers to them, for a walk. Both
men were arrested. Brown, who is
a soldier, was turned over to the
military and the other was to have
a hearing before Justice Pyper to-
day.
In Arms.—We have discovered
another foundation for the reports
of a prospective "uprising" among
the "Mormons." Numbers of them
can be seen daily upon the streets
of the principal cities of Utah, in
arms. It is a notable fact, too,
that the class we allude to all be-
long to the infantry, and their
names is "legion." This thing must
be stopped, if an army has to be
sent to the Territory to inaugurate
a contractors' war, and make busi-
ness lively.
Popular Science Monthly.—We
have received, from Mr. Dwyer,
this popular educational journal for
June. The contents are varied and
interesting as usual. It is a period-
ical from which much valuable in-
formation can be gleaned, especial-
ly where demonstrated facts are
treated. Upon the theories of the
various writers of course the intelli-
gent reader will always form his
own conclusions and draw his in-
dividual deductions. It is one of the
most attractive magazines published,
for the studious and intellectu-
ally inclined.
Returned Missionary.—We have
received a call from Elder Elbridge
Tufte, of this city, who returned on
Monday evening, from a mission to
the eastern States. He labored, in
connection with Elder T. F. H.
Morton, in the Pennsylvania,
Maryland, and Delaware District,
under the direction of Elder Grow.
They labored first in Ohio, stopping
several weeks in that State, holding
a number of public meetings.
From thence the two Elders named
proceeded to Toga County, Penn-
sylvania, where they also held meet-
ings and preached to the people,
and baptized four persons. Next
they returned to Morgan County,
Ohio, where they converted upon
the gospel with a great many peo-
ple. The health of Elder Tufte
became somewhat impaired and he
was released to return home in con-
sequence. He is glad that he went
on his mission, and is gratified with
the experience he obtained through it.
Special Conference at Logan.—A

There were also, besides Bishop
Preston and other local authorities,
President Joseph Young, Bishop
L. D. Young, Bishop Alvin Nich-

On Monday forenoon the preach-
ing was done by Elder Lorenzo
Snow and President Brigham
Young.

of Zion was then effected, by the
appointment of the following offi-
cers:—
President of the Stake, Moses
Thatcher; William B. Preston and
Milton D. Hammond, as coun-
sellors, all of whom were set apart
by President Brigham Young.
President of the High Priests,
Quorum, George L. Farrell, and
Charles O. Card and Thomas E.
Rich, as his counselors.
President Young left the business
of organizing the organization with
the Presidency of the Stake. The
party from this city left Logan on
the return at two o'clock on Mon-
day afternoon, and reached this
city at 7:30 in the evening.

Mormonism in London.—The fol-
lowing appears in the *Illustrated*
(London) *Gazette*, of April 20th:—
Sir,—The right of public worship
is one of the glorious institutions to
which we claim the right in this
country. It is a right which no
right-minded person must regard as
a mere technicality. It is a right
which took place last Sunday
afternoon at Sadler's Wells Theatre.
An annual Mormon Conference
was held there, the same as has
been held for years past, and a
large number of London, without any
interference on the part of anyone.
They invite no discussions, but
invite the friends to come and hear,
like peaceful citizens, many of
these people had traveled five thou-
sand miles (or less), from various
parts of the world, to be present at
this conference.
It has been in my province to
meet with a large number of these
people yearly. They number, in
Clerkenwell and Islington, no less
than eight hundred, and for the
most part respectable, and I have
always found them a most peace-
ful, loving, and order-abiding peo-
ple, and a credit to any denomination.
What can these foreigners think of
the un-English-like conduct of the
"Cord" missionaries, who, in the
midst of the service, and caused
such a consternation in the midst
of the assembled multitude, that
it was impossible to continue
the services? This conduct is most
unbecomable in the extreme, and de-
serves the censure of all right-
minded persons.
I am not a Mormon, but a lover
of fair play and liberty of worship
to all creeds and sects whatsoever,
in this free country of ours.
The smallest child of the assem-
bled Mormons would have taught
Mr. Catlin a lesson in good behav-
ior.
J. C. BOYD,

well.
A Good Word.
Editor Deseret News:
There are many who, not un-
derstanding the "Mormon" people,
have an ill word to say concerning
them. So far from that being the
case with me, I have seen many
evidences of their being a hospi-
table and kind-hearted commu-
nity as exists. I have reason to
personally acknowledge my indi-
vidual experience in a particular in-
stance. Last fall my wife was in this
City and very ill, and was cared for
with the greatest tenderness and
the most assiduous care by Mrs. S.
D. Hennessey, of the 13th Ward.
Subsequently she died, leaving a
young baby. Mrs. H. also kindly
took charge of the little one, nur-
sing and caring for it as if it were
her own. The child died yester-
day.
I mention these circumstances
as among many instances I have
witnessed, showing the practical
benevolence of the "Mormon" peo-
ple.

That Trinity.—As a private citi-
zen, we rather like Judge McKean,
believing him to be an honest and
upright gentleman. But this im-
pression does not obtain with all
the Gentiles of Utah, and his ap-
pointment as one of the delegates
to represent the Liberal cause at
Washington will not meet with
approval.
And now it is proposed to send
District Attorney Howard to Wash-
ington as one of the delegates to
represent the Liberal cause and ask
for special legislation for Utah. We
have been under the impression
that Mr. Howard had all the work
he could attend to at home, and
had supposed that men other than
Federal officials would have been
selected as delegates. Isn't it pos-
sible to find in all Utah men of
sufficient calibre to do justice to
this cause without picking upon
Federal officials? What is Mr.
Howard paid so much per annum
for, anyway?—*Corinne Record*,
