Bald?

Then you starved your hair. What did you do that for? When you saw that your hair was falling out, why didn't you use Ayer's Hair Vigor? It feeds the hair, gives it vigor, stops it from falling, makes it grow, and always restores color.

"I was almost bald before I began using Ayer's Hair Vigor. In a short time my hair came in again, and now it is thick and heavy."

FOURTH DISTRICT COURT.

The case of the State vs. Albert Christensen, charged with committing a criminal assault on the person of Hattie Johnson, an inmate of the asylum, on May 29 of this year, came up for hearing in the district court yesterday.

After she was examined of the principal witnesses the attorneys for defense moved to take the case from the jury on the grounds that the state had not proved the incompetency of the defendant, and that the greater part of it will go over.

Judge Johnson is strictly enforcing the rules adopted as a guide for attorneys and others in proceedings in his court. Two cases were called for trial at the opening of the court. There were two cases on the criminal calendar, both of which, on motion of District Attorney Livingston, were dismissed. There is much civil business on the docket but it will go over.
