newsboy races for cash and merchan-dise prizes. The Big Four-County Fair has been a huge success and one of the chief items in making it this, was the horse race program arranged. Saturday night vill see an activity in the Ogden railroad yards, much like the scenes a boy stays out "after curfew" to see when the circus is leavin' town. A dozen owners will take their horses down to the depot and load them into special stock cars. The trip from the Junction City to the fair grounds in this city will follow. Tracks are had right up to the fair city and cars are backed to within a few rods of the long stables where the races are quartered. A corps of workmen, experienced from years with circuses, unloads the cars. It is really interesting to watch these men at work. The highly nervous, bloeded animals are usually excitable after a ride in the cars and only experienced horsemen can handle them. But in the hands of ex-perienced men the frightened animals are wholly contented. A veterinary surgeon is at the grounds constantly. His ser-vices have not been taxed to any large degree but the fair management does not care to leave anything undone with scors of valuable horses in the stables. Vater an Lestor D. Freed is on the grounds every day now and is getting the fast horse department in the toto. Not have covered man-satisfied with arrangements and treat-ment and some who have covered man-circuits, both eastern and western, are lavish in praise for the manater in which Mr. Freed manages affairs.

NATIONAL L'EAGUE.

Cincinnatt, Oct. 1.—Chicago had no trouble in defeating Cincinnati today, the ragged fielding of the locals as-sisting the visitors materially in se-curing runs. Reulbach held the locals to two hits, both of which were made by Egan.

Umpires-Owen and Rigier. Philadelphia, Oct. 1.-New York broke even with Philadelphia here today and thereby retained the lead in the National league race. The visitors knocked Cor-ridon off the rubber in the first inn-ing of the opening contest, but the home team bunched hits off Mathewson and tied the score in the fourth inning. In the last five innings Philadelphia could get only two hits off Mathewson, while Richie held his opponents to three hits during these innings. New York scored the winning run in the sixth inning when, with Devila one first and two out, Mageo muffed a drive by Needham, the former Scoring.

Mageo muffed a drive by Needman, the former scoring. Covalesky held New York to four hits in the second game and the home team won easily. They knocked Wiltse off the rubber in three innings and also touched up McGinnity's curves. New York's runs were scored in the sixth inning on two bases on balls and Don-lin's double.

National League Championship More Acute Than Ever. New York, Oct. 2 .- Interest in the stir-

ring fight for the National league base-ball championship is more acute than ever today, following the developments of yesterday which reduced New York's lead to two points over Chicago and Pittsburg. The New York's have five more games to play, two with Philadel-phila and three with Boston and must who them all unless Pittsburg and Chi-cago meet with unexpected reverses to win the pennant outright. Chicago and Pittsburg play doubleheaders today while the New Yorks play a single game. If the Chicago and Pittsburgs win both their games and the New Yorks also, all three will be tied for first place, al-though the New Yorks will be less than half a point behind on strict percentage figures. ever today, following the developments

Coast Papers Say "Lawrence Has Been Riding Well in Denver." An elaborate cycling program has been arranged by the California Associated Cyclists for Oct. 40. The proceeds are to go towards buying medals for winners of overist at the stadium, Oct. 18. One, three and five-mile amateur champion-ships will be decided and the fact that Percy Lawrence, who rode here all sum-mer is going to compete, will be of in-terest to Salt Lakers. On the coast they fear Lawrence will gobble all the cham-pionships and Utah cycling fans will fed that it will be a mighty good man who gets the medals if Lawrence doesn't. Some doubt is expressed as to lawrence's amateur standing, but the little youngster will have no trouble cs-tains in the eligibility. The San Francisco Call says Law-ronce has been riding at Denver.
