Rocky Mountain Pills.

A VALUABLE MEDICINE,

From New and Rare Medicinal Plants recently discovered in the Rocky Mountains!

PURELY VEGETABLE.

FIFTEEN years of earnest botanical research among these mountains and valleys have resulted in the discovery, not only of many new varieties of, but species of new species, some of which have wonderful medicinal curative properties. By continued experiment their virtues have become known—and thus from extracts of these newly discovered plants are these pills compounded.

If properly used, they will cure very many diseases, pains and aches, and are more especially valuable in DYSPEPSIA, LIVER COMPLAINTS, INDIGESTION, HEADACHES, and all cases of FEVERS, COLDS, URINARY AND KIDNEY DISEASES, RHEUMATISM, COSTIVENESS, HEARTBURN, DIARRHŒA, MUMPS, MEASLES, for PURIFYING THE BLOOD, and for many other diseases, and all cases of BILIOUSNESS and DISORDERED STOMACH.

On orders accompanied by the cash, or postal order, I will send safely by mail, postpaid, 1 box Pills for 25 cents; 1 dozen boxes, $2.50; 1 gross boxes, $24.00.

J. E. JOHNSON,

By Telegraph.

Hopes for Babcock.

WASHINGTON, 16.—Col. Cook, of Babcock's counsel, stated to day that he had received a telegram from St. Louis announcing that the general opinion was that the government's case was a failure, the evidence not being sufficient to convict. Cook was at the White House to-day and informed the President of the contents of the telegram.

Averse to Subsidies.

ALBANY, 16.—Both houses of the Legislature have adopted resolutions protesting against Congress granting subsidies to railroads, &c.

Fire.

RUTLAND, Vt., 16.—A disastrous fire broke out here to-night destroying the Bates House, the *Herald* office, and several other buildings. Loss not yet ascertained.

Wool Market.

BOSTON, Mass., 16.—Wool steady. Demand from manufacturers without change from last report in either prices or tone of market. Holders of all desirable grades are firm, but there is no pressing demand; X and X X Penna. and Ohio fleeces 45 @ 47½; medium and No. 1 do, 47 @ 50; combing and delaine fleeces 50 @ 56 for washed, 40 @ 49 for unwashed. Wisconsin and Michigan fleeces 42½ @ 44 for X, 44 @ 47 for medium and No. 1. California wool continues in demand and has been selling at 15 @ 25 for fall, and 20 @ 36 for spring.

Indian Management—Mining Decision—Appointment.

Luttrell to-day, presented resolutions of the California legislature favoring the transfer of Indian matters to the military, and will, by appointment, appear before the House Indian affairs committee in advocacy of the proposition. This committee will probably add its recommendation to that of the House military committee, which yesterday reported a similar bill favorably.

On the 12th instant the Secretary of the Interior affirmed the decision of this office in the case of the Hawley-Consolidated Mining Company, *vs.* the Memnon Mining Company in Nevada, rejecting the adverse claim asserted by the Memnon Co.

Samuel Guthrie to-day was appointed storekeeper of the 1st district of Cala.

The Advisory Council.

NEW YORK, 16.—The advisory council reassembled at 2. A great number of spectators were present.

Shearman resumed, giving details of the matter of the opposition offered by the Plymouth committee to a mutual council, in which certain delegates should sit as members. Plymouth Church was not ruled by one man, nor by ten. Those who were supposed to rule were most frequently overruled. He denied that Plymouth Church had gone beyond its right as a church of Christ so as to justly forfeit its claim to the confidence and fellowship of the congregational churches. At the close of his address the council adjourned till 7-30.

WESTERN.

The Big Race—The Horses and the Track.

SAN FRANCISCO, 16.—Concerning the big race, it is reported, on good authority, that Grinstead is practically out of the race for want of training, and Rutherford is stiff in the shoulders and fore legs, from too severe training. Other horses and the track are in good condition. The weather is promising. Pool-selling begins to-morrow evening.

FOREIGN.

EGYPT.

Burmese Embassy.

SUEZ, 16.—A Burmese embassy has arrived here on the way to Europe.

GREAT BRITAIN.

Unseated—Don't Believe in a Personal Devil.

LONDON, 16.—Robert Henry Hurst, liberal, who was elected member of the House of Commons in December last, for Horsham, Sussex, has been unseated in consequence of sending letters to voters, promising to pay their railway expenses to the polling places. Justice Quain, of the court of Queen's bench, declared that this was bribery, and the election was therefore void.

The judicial committee of the Privy Council to-day decided the case of Jenkins against Cook, appealed from the Arches Court at Canterbury, in favor of Jenkins. Jenkins had denied the personality of Satan, and the Rev. Mr. Cook thereupon refused to administer sacraments. Jenkins sued in the Court of Arches and the court sustained Mr. Cook. The judicial committee, however, condemned Cook to pay all costs, and admonished him not to refuse to administer the sacraments to Jenkins.

Refuse to lay down Arms—Russian Instigation.

A special telegram from Vienna gives the following—

"The Bosnian insurgents have issued a manifesto against Count Andrassy's note. The manifesto points out the Porte's former breaches of promised reforms and declares that the resistance of Mahommetan Beys will baffle every reform. The Mahommetans even are expected to revolt if the attempt is made to execute the reforms. The insurgents therefore refuse to lay down arms, and they appeal to the justice of Europe."

An article in the Cologne *Gazette* draws attention to the fact that the Russian press is continually instigating the insurgents in Servia and Montenegro against the Porte. The *Gazette* declares that the Russian government is responsible for the alarming demeanor of the press. Consequently it cannot be surprising that people believe in the existence of a secret agreement by which Austria is to be allowed to annex Bosnia, Russia retaking the Bessarabian territory which was ceded in 1856.

The "Deutschland" Inquiry.

A Berlin correspondent reports that Captain Brickenstien recently applied to Prince Bismarck, complaining of the injustice done him by the judgment of the English official inquiry in regard to the loss of the steamer *Deutschland*, and asking for a new investigation. Bismarck replied that under the existing German law no such inquiry could be instituted without civil or criminal proceedings, and he had no power to order other.

The German press, with the exception of the Bremen journals, approve the judgment of the English court.

The *Times'* Paris despatch says a strange rumor is current that some Carlists recently entered French territory, mistook French soldiers for Alfonsists, and fired upon them. The French replied and the engagement lasted ten minutes. One of the French soldiers was killed. It is said that in consequence of this occurrence and the possibility of a similar complication, Senor Molins, the Spanish Ambassador, has abandoned the intention of going to Madrid to take his seat in the Senate.

Important Movement.

The Paris correspondent of the *Times* points to the expected entry of the Alfonsists into Tolopo as an event of great importance. The capture of the city would free the railway and establish communication with Madrid.

A telegram from Madrid announces that King Alfonso started from Vittoria last night.

AGENTS WANTED!

To sell the New Patent Improved EYE CUPS.

Guaranteed to be the best paying business offered to Agents by any House. An easy and pleasant employment.

The value of the celebrated new *Patent* Improved Eye Cups for the restoration of sight breaks out and blazes in the evidences of over 6,000 genuine testimonials of cures, and recommended by more than one thousand of our best physicians in their practice.

The Patent Eye Cups are a scientific and philosophical discovery, and as ALEX. H. WYETH, M. D., and WM. BRATLEY, M. D., write, they are certainly the greatest invention of the age.

Read the following certificates:

FERGUSON STATION, LOGAN Co., KY., June 6th, 1872.

DR. J. BALL & Co., Oculists.

GENTLEMEN: Your *Patent Eye Cups* are, in my judgment, the most splendid triumph which optical science has ever achieved, but, like all great and important truths, in this or in any other branch of science and philosophy, have much to contend with from the ignorance and prejudice of a too sceptical public; but truth is mighty and will prevail, and it is only a question of time as regards their general acceptance and endorsement by all. I have in my hands certificates of persons testifying in unequivocal terms to their merits. The most prominent physicians of my county recommend your Eye Cups. I am, respectfully, J. A. L. BOYER.

WILLIAM BRATLEY, M. D., Salvisa, Ky., writes: "Thanks to you *for the greatest of all inventions.* My sight is fully restored by the use of your *Patent Eye Cups*, after being almost entirely blind for twenty-six years."

ALEX. B. WYETH, M. D., Atchison, Pa., writes: "After total blindness of my left eye for four years, by paralysis of the optical nerve, to my *utter astonishment* your *Patent Eye Cups* restored my eyesight permanently in three minutes."

Rev. S. E. FALKENSTEIN, Minister of M. E. Church, writes: "*Your Patent Eye Cups* have restored my sight, for which I am most thankful to the Father of Mercies. By your advertisement I saw at a glance that your invaluable *Eye Cups* performed their work perfectly in accordance with physiological law; that they literally fed the eyes that were starving for nutrition. May God greatly bless you, and may your name be enshrined in the affectionate memories of multiplied thousands as one of the benefactors of your kind."

HORACE D. DUNLAP, M. D., says: "I sold, and effected future sales liberally. The *Patent Eye Cups*, they will make money, and make it fast. 4000 nominal cash penny affair, but a superb, number one, tip-top business, promises, as far as I can see, to be life-long."

Mayor E. C. ELLIS wrote us, November 16th, 1868: "I have tested the *Patent
