AN EXPERT. -- Dr. Price is well known as an expert in the study of as follows-Culinary Chemistry, and all of the manufactures of Steele & Price are the result of his researches. One of these discoveries is the Cream Baking Powder, by the use of which light, sweet biscuits, cakes, &c., at all times are a certainty. The market is flooded with cheap inferior baking powders, and adulteration is so extensively practised, that the Cream Baking Powder does the work with two-thirds of the quantity required of any other kind. In view of such cheap impositions, the public are advised to ask for these cannot be obtained of one grocer may be of another. The purer the articles that compose our daily food
