BENEFACTORS.

When a board of eminent physic-ians and chemists announced the discovery that by combining some well known valuable remedies, the most wonderful medicine was produced, which would cure such a wide range of diseases that most all other remedies could be dispensed other remedies could be dispensed with, many were sceptical; but proof of its merits by actual trial has dis-pelled all doubt, and to-day the dis-coverers of that great medicine, Hop Bitters, are honored and blessed by all as benefactors.
