STAR VALLEY EMERGES FROM SEVERE WINTER

(Special Correspondence.) APTON, Wyo., May 13.—Star valley is just emerging from a long and rather severe winter, rendered more trying through a scarcity of hay. Losses in livestock have not been so great as was expected a few weeks ago, but the direct loss through the poor condition of dairy stock will be a serious blow to Apton's most important industry.

The new state tabernacle, the result of several years' faithful work, will be completed in a few weeks at an approximate cost of \$30,000, and all are looking forward with joyful expectancy to the promised visit of President Joseph F. Smith to attend the dedication.

A commercial club has been organized in Apton with Arthur F. Burton as president and N. P. Lee, secretary.

LEWISTON PURCHASES VALUABLE WATER SUPPLY

(Special Correspondence.) LEWISTON, Idaho, May 13.—Lewiston has purchased a beautiful spring of pure water from William G. Love of Franklin, Idaho, which will, it is hoped, in the near future be piped to the residences, when the people will have pure water for culinary purposes. Lewiston and Fairview purchased this spring jointly, the consideration being \$4,000 and it would have been sold the next day for \$5,000.

The funeral of Miss Lewis, who died recently of appendicitis, was held Wednesday from the meetings house, and a large gathering met to pay respect to the deceased. He leaves a young wife and babe and a host of friends and relatives to mourn his untimely end.

Weather here is cold and the growing season is very backward; however, most of the cropping is done. Yesterday morning ice was frozen nearly half an inch thick.
