MAMMOTH MUCH STRONGER.

Penn Weh—Swansea Commander a Good Figure—Sandy Consolidated Does Up—Minnie Sells.

WHEN prices generally move more or less in response to the movement of a single stock, it is a sure sign that the stock is the leader of the market. Such a stock is Grand Central. Whenever it moves, the whole market moves with it. Grand Central closed at $6.00. Yesterday it sold at $6.00. To-day it sold at $6.00. Such a movement is significant. Grand Central closed
