

## WHAT IF RUBY "BOB" SHOULD COME HERE?

For the Night of July 3rd in Order  
To Save His Forfeit  
Money.

### SCHRECK WOULD MEET HIM.

Alec Greggains Arrived Here From  
Reno Last Evening and Will Work  
With Dave Barry.

What if "Ruby Robert" Fitzsimmons should suddenly realize that the stories he is telling in the east about Salt Lake are taken with a grain of salt; he should discover that slowly but surely, the fact is becoming known that he can run away from one Schreck; that he is being regarded as a has-been; that he stands a bad chance—or a bad one to lose the thousand dollars he put up in Charley Egan's hands in Chicago, and realizing all this he should put in an appearance in this city to save himself.

Well, hardly any one here expects the sorrel topped one to show up on that night, a private or friend of his, to the effect that it is likely to show up ready to meet Schreck, or do something to save himself from the ridicule that is being heaped upon him and save the \$1,000 he left in Chicago.

Last night, the rumor of Fitz's re-appearance in this city, was taken over with a bang, Schreck's manager, Hagan said.

You can never tell what Fitz will do, who perhaps not two persons think Fitz will show up. He may be too afraid to appear and announce his readiness to meet Schreck. What will we do if he comes? I think we will have to let him go. We will fulfill our contract to the letter. When I telephoned Egan for the \$1,000 paid up by F.H. East, he told me he means that we will be here on the night of July 3d, will weigh in at least ten pounds, and will be ready to meet Mr. Fitz. If he comes, we will let him know up there. Mr. Barry will take his place, and we will then lay claim to the \$1,000 paid up."

ALICE GREGGAINS ARRIVES.

Alice Greggains, one of the most prominent promoters in the country, arrived here from Reno last evening. Greggains came to the city to meet with Marvin Hart, and go home to meet the winner of Monday night's *Salute*. Of course Greggains thinks Tom Hayes' win was a fluke, and that his team looks like a sure winner, and is much better than some folks imagine. You will see the myth of the team broken up, and Greggains will win speaking of the crowd fight between Eddie Hanlon and "Young Corbett." Greggains stated that the little Devante got a hard hit, but was not hurt, and that if Corbett and Hanlon meet, the latter will win.

Sam McHale was in town last night with Eddie Hanlon. The same man from Reno to meet Greggains, and will go to get up a crowd of ring followers to go to Lagoon this afternoon and watch Hayes and Greggains work out.

## MALARIA UNDERMINES THE HEALTH

When the germs of malaria enter the blood the entire health is affected, and if the blood is not purified of these germs and microbes, Chronic Sores and Ulcers, Liver Splotches, Chills and Fever, Body Aches and Pains, and a great variety of troubles manifest themselves, and soon the entire system is undermined, leaving the sufferer a prey to a most miserable, weak and nervous condition.

618 W. Market St., Louisville, Ky.  
For several years I suffered with Chills and Fevers, and was in a weak nervous system, and each summer for several years I would have a relapse. Finally my physician prescribed S.S.S. I took it, however, in the winter of 1895-96, a year ago. It entirely cured me, and I have never been troubled since, and have never been troubled again since. No one could speak too highly of S.S.S. My partner in business is now taking it, and for an enormous sum with a general run of the best physicians in the state, and although he has taken it, one bottle, already commences to feel better.

L. SHAFOFF.

S. S. S. contracts and drives all the poison from the blood and builds up the system by its pine purifying qualities and tonic effects. It strengthens every part, increases the appetite, helps the stomach and digestion, and by supplying the body with rich pure blood cures Malaria and all its disagreeable affections. Unlike most blood medicines S. S. S. is almost purely vegetable. It does not contain a particle of mineral oil or any kind to any degree.
