FUNERAL OF JOSEPH E. TAYLOR.

Unfortunate Victim of Gasoline Explosion Laid to Rest.

Ogden, May 22.—Many relatives and friends assembled at the late home of Joseph E. Taylor, 877 Twenty-fourth street yesterday afternoon to pay a tribute of respect to his memory, and to sympathize with his young wife and family in the sad and sudden death of Mr. Taylor which occurred last Friday morning at Potomac, Ida., by the explosion of a gasoline boiler killing him instantly and then partially destroying his remains by fire.

A wealth of beautiful floral offerings silently told of the high esteem in which the deceased was held in Ogden City where he conducted the Elite Cleaning Works for several years.

The funeral services were most impressive. Bishop James Taylor, uncle of the deceased, presided at the services. Mrs. Emily Maddock sang "Not half has ever been told." Orson Griffin sang "Some Day We'll Understand," and Miss Pauline Maddock sang "Love Divine."

The service was Rev. P. A. Simpkins of Salt Lake City, a personal friend of the deceased, who beautifully portrayed the uncertainty of life and the great need of serving God, that when the summons comes to meet Him man may be prepared.

Elder George Barker spoke on the hope of a life beyond the veil of sorrow and tears where partings will be known no more. Bishop Taylor expressed the deep sympathy felt by all in the untimely death and comforted the family in the fond hope of a glorious resurrection.

A large funeral cortege followed the

CROPS INJURED BY FROST.

Wool Sold at a Loss—New School Progressing.

Special Correspondence.

Fountain Green, Garfield Co., May 20.—The very cold weather with frost at night has done considerable damage to crops. The corn has been damaged so that the first cutting will be below the average, and grain is very slow in growth, and the early fruit has been killed. Sugar beets have had to be replanted. During the last week the weather has been more favorable for all crops, so that now the most of the crops are thriving and may yet be fairly good. The water is plentiful for irrigation, with a good deposit of snow in the mountains so that all streams are full to overflowing.

The foundation for the new school building is now finished, and brick-laying has begun. It will be built of white brick made at Provo and Provo men are doing the most of the work.

Joseph Barrows pleaded guilty to a criminal assault on a little girl and was sentenced to five years in the state prison.

Elmer George of Kanosh, who was charged with a felony, has been on trial for the past week, but the jury after deliberating on the case for 18 hours were unable to agree, and were discharged without a verdict. The parties involved in this case were both from highly respected families, and the whole community seemed to take sides in the matter, and the consequence was a hard fought legal battle. The case will perhaps be tried again at the next term of court.

In the case of Fillmore City against the Fillmore Roller Mill company, the jury returned a verdict for the plaintiff for \$203, as defendant's just proportion of the expense of putting in a dam in Chalk creek, of which the parties were alleged joint owners.

Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a
