DESERET EVENING NEWS MONDAY MARCH 1 1909

Legislature Has Hard Grind Ahead. But Junkets Are On the Card.

MANY MEASURES PENDING.

The Week's Calendar Is Filled With Important Matters Awaiting Final Action,

with 10 days of the sension yet before it, the Eighth legislature of the suste of Utah this week faces an enor mulls amount of work. It seems that it at an impossibility for the to get down to the real hostof making or unmaking laws un-"nomestretch" of the session is So much time is consum d a the preparation of measures, and in ting the committees regularly to the and in motting the "legislative p by the members, that the 60 ye allotted for the work of the sma-in are nearly gone, in each instance, for the real work actually begins. It is true that are question of great each has not been a feature of former shows, was brought before the mem-in at the precedul before the mem-in at the precedul body. The plead-is at more than 75,000 residents of a stime, asking the legislators to pass we for the prohibition of the beguer affer overs not to be lightly passed the two houses, and in respon-e hover branch passed, by almost astannos wold, the Cannon bill. The set of the measure in the upper house measured the time and labor spent in the two houses and have responsting the committees regularly to i the time and labor sport in r branch futile, but if the pres-s are curried out, of submitting stitu to the vote of the peopl-cial election to be held throughstate in June next, when the of whether the people, the ms of the state, desire the pass-robilitory laws, the time spect onalderation of the matter with

SPECTACULAR ACCIDENT

Derrick on Vermont Building Comes

Down With a Crash-Two

The snapping of a steel guy rope, fol-

owed by a crash and a rear of fail-

ing steel and brickwork on the Ver-

nont building at 10 o'clock this morn-

ing drew a large crowd on South Tem-

is and Richards streets. When the

dust had cleared away it was found

that the blg decrick with its 65-ft, must

had gone by the board. There were

everal narrow escapes and but two

William Ellott, who rooms on west William Ellott, who rooms on west First South, was handling brick in the alley west of the Vermont building. The twenty-foot wall that is now go-ing up was all that saved him. The big mast of the desrick fell across the vall and brought down about three wall and brought down about three to masonry. Elliott was struck in the head, shoulders and left arm by flying bricks and sustained a masty

by flying bricks and sustained a many scalp wound and several bruises that required surgicul attention.

on more hit by the debris.

dille" in plags.

Ever read the above letter? A new one appears from time to time. They are genuine, trub, and full of human

We are now ready to submit to parents and the boys a most aftractive selection of Spring Suits, Top Coats, Reefers, Hats, Caps. Shirts, Blouses and other accessories; all of the befter grades and designed exclusively for boys from

two to seventeen years.

### A DESCRIPTION-NOT OUR OWN.

Sald a well known man: "Having three boys in my family, I have in the pist twenty years bought a great many boys' clothes for them and in different cities both East and West, and I want to say to you I have never seen anywhere a handsomer line of boys' suits or much moderately priced ones than those you have just shown me."

KOB We quote this remark-made in this department last Saturday-for the sole reason that it is the opinion of one wholly disinterested, one unbiased by the viewpoint of the seller-a candid description of our new Spring clothes by an experienced and critical buyer.

# Styles and Models

### For the little fellows from 2) to 7 years of age we show four different models in the Russian and French blouses with belts. The fabrics are serges and worsteds in attractive colors and combinations for spring. For boys from 6 to 12 years we have three styles in several distinct models, the most popular of which are the Junior Reefer and Junior Norfolk styles with the belt. For boys from 12 to 17 years of age we show the more mannish styles, two of these models having the belt and three without belt. The "Derby back," which proved such a big seller in our Winter lines, has been reproduced in the Spring lines, A new model is the "Marathon" (designed in honor of the great international games) and sold exclusively in this city by this store.

# Boys' Hats and Furushings

Our spring lines in boys' shirts, blouses, hats, caps and other necessities to boys' outfits reflect the same careful attention to style and appropriateness as you find in the suits. We wish every mother to see this line of blouses and shirtsyou'll find the patterns so attractive and the prices so reasonable that any idea of having such articles made will be abandoned at once.

When Shopping in the K. O' B. Store. ask to see the Boys' Clothes.

# New, Favored Models in Misses' and Girls' Apparel

The styles are decidedly aftractive this season and the values offered merit the keenest appreciation of discriminating buyers.

## MISSES' SPRING SUITS

Smart models in light shades of striped and checked cloths, blue and cream serges, hox and semi-fitting coats, single and double-breasted fronts, self and inlaid collars, all silk lined coats, gored and platted skirts, sizes 12, 13, 14, 15, 16 and 

# MISSES' and GIRLS' JACKETS

The new "Picadilly" coats for Spring are all here, very attractive styles in plain color and striped materials, lined and unlined models. The linest coats have haircloth intertinings and have hand worked collars and lapels, and are guaran 

INFANTS' SPRING COATS

A very attractive line of coats and jackets for little girls and infants, sizes 

GIRLS WASH DRESSES Our piece wash dresses in new domestic and imported plaids and stripes, liners and new reps, high neck and low neck models, some of the linens and rops

are hand embroidered in all and contrasting colors. The dresses we show this season have a style and beauty beyond comparison with those of former seasonis, alans 6, 8, 10, 12 and 14 years, concentration and concentration \$5.00 to \$15.00

### GIRLS' WASH DRESSES

One piece wash dresses in checked, striped and plain color guighants, cham-brays and other wash materials, both high and low neck models, some trimmed with insertion; others with narrow wash braid, plaited skirts, adjustable neck and
