Recorder : ROBERT CAMPBELL.

Marshal :

J. D. T. MCALLISTER.

NEWS OF THE DAY.

THE postal committee of the House of Representatives, Washington, D. C., has been instructed to report a bill for the free distribution of printed matter, seeds, etc.

The articles of impeachment against Judge Busteed, of Alabama. charge that he has not, and never has been a citizen, that he has never resided in any district of which he has been the judge, that he has failed to hold court terms as required by law, and that he the registry of the court.

French candidates have been elected by large majorities to the German parliament in the annexed province of Alsace.

At an election meeting held or Sunday in an upstairs room at Bury, Lancashire, England, the floor gave way, precipitating a large number of people to the story below; six were killed, and several fatally injured.

Disraeli, the English Conservative leader, has declared against the repeal of the income tax, a fact which is being used to the disadvantage of the Conservative party by the Liberals, nevertheless, according to the dispatches to-day, the Conservatives seem to be gaining ground. There has been much excitement, fighting, and rioting at some of the elections to-day.

Ex-Governor Harvey, of Kansas a straightout Republican, has been elected U.S. Senator by the Kansas legislature.

nary character, is reported from San Francisco, between the editors of the Chronicle and Sun newspapers. The former, it is said, published in the Chronicle remarks of a very uncomplimentary character respecting the editors of the Sun, who retorted, and in their reply, very ungallantly cast aspersions upon the characters of the mother and sisters of the editors of the Chronicle. This was enough to arouse to boiling tion of a portion of their office. The result was that all the parties belligerent were placed under arrest and serious cousequences to some are likely to ensue.

The U. S. minister to the republie of Columbia, was recently insulted by boys because he refused to take off his hat during the passage along the streets of the capital of a religious procession, the refusal being regarded as an insult to their

Louisiana question still hange fire in the U. S. Senate. He contended that Congress could not set aside the present State government and order a new election without overriding the constitution

ing Chicago paper gives the out-line of a bill, which has been pre-pared to authorize the reconstruction of the State Department of the Government. For synopsis see telegraphic columns.

The stock company of the Chest-nut St. Theatre, Philadelphia, struck last night, on account of the nonpayment of wages.

The fight between the German Government and the Ultramontapes still continues; the latest phase of the struggle is the arrest and imprisonment, by order of the Government, of Archbishop Ledoshowski.

rille, Mass., this morning, in which everal buildings were destroyed and two men burned to death.

tality. This is the kind of spirit in which the attacks are made upon the mucompromised a libel suit against himself with money taken from cipal council, and upon the municipal police. An angel from heawere could not please the crusaders.

Were his conduct as pure as snow, he would not escape their calumnicus tongues. The more righteous while Westhury while west with the shall belove beginning mill, store and tenement and dwelling, in Millsville, Mass., were burned this morning; two men were burned to death, and two sembers, while Westhury which ven could not please the crusaders. ly he acted, the more they would find fault with him, abuse and vilify him, and misrepresent his motives and his deeds. The administry of 22. Wholesa its equal on the continent for econ- tion will be brought to unseat the abunuant solvency as to municipal ter Rylands, the former Liberal member, was defeated by a majority of 180. In 48 Rylands was remisrepresentations are made of its more, and bitterer and bitterer pre-

solutely annihilative of American election in Marylebone, submitting to the opinion of the Attorney General, that his chances of success This is a western country, a frontier country, a mining country, to the other Liberal nominee. Hughe which flows, at times, all the scum asked for and accepted the decision of the Attorney General to avoid the division of the party and its possible defeat in Mary-le-bone. isting prejudice against the large majority of the citizens, and many of the local officers, here because of their religion, a prejudice which A broll, of a somewhat sangui- has been most undignifiedly and unwisely cherished and fanned to unwonted heat by extra-official opposition made to the laws, ordinances, institutions, habits, and customs, which the people, in the ex-

ercise of their undoubted sovereign right as American citizens, have elected to adopt.

Among the many visitants to this city are some of the most wicked, most villainous, most desporate characters that America or the world produces. Some of the world produces. Some of these reckless characters, steeped in crime, and caring for neither God nor man, come under the surveillance and into the custody of the police of this city. Not only point the ire of any man, and led to the world produces. Some of a violation of peace and good order, these reckless characters, steeped in which the Sun folks suffered in order, and caring for petther personal vicience, and the demolithe police of this city. Not only naturally and by habit, as well as by residence in frontier and new

mining communities, are these characters, wild, wicked, and des perate, swift to assault, maim, or kill with or without provocation, but they are emboldened in their wickedness and ferocity by the perverse attitude and course of the ju diciary and other federal officials, and in the not baseless hope that hapeas corpus will secure them immunity from municipal punish-ment, rickly due for their offences. apt to put on airs, and in-dulge in provoking threats, and

in language of so vile, filthy, loathsome, and often personally and aggravatingly insulting a character that no man, however phlegmatic. can hear it unmoved. The police Washington special to a leadto carry their lives con their hands, have to submit to be called by the foulest epithets it is possible for the ingenuity of fiends to conceive of, and yet are expected by the crusaders to be meeker than Moses, to deport themselves with lamblike gentleness in arresting and securing wolves, hyenas, tigers in the shape and semblance

of humanity. While uncompromisingly opposed to unwarrantable extra-official action, whether on the part of police, or aldermen, or marshals, judges, or officers of any kind, we do maintain that the officers of the law should be sustained in the exercise of their legal and constitutional authority and in the dischar of their bounden duty; that they hould have the sympathy stevery itizen in their endeavors to preserve the peace and good order o he community; that the efforts to and fault with and discourage th alice and to depreciate them in frowned down by every man and
