PROVO.

PROVO, UTAH, - JULY 22, 1906.

Celebration and Reconciliation.

The glorious Twenty-fourth has a double significance in Provo this year. In addition to being known as Pioneer Day, the station will be the site of a celebration, in which will be represented the states of the Union, special attention being paid to the new state of Utah. The twenty-fourth of the month is the day of the year when the people of the world are reconciled. Following the procession will be a meeting in the forenoon, at which speeches will be made by the following gentlemen: N. H. Thurman, J. D. Jones, W. N. Dusenberry, A. Hays and W. H. Hays. The speeches will be interpreted with appropriate music.

Notes.

Lt. John H. Taylor, charged with the duty of maintaining order at the celebration, appeared before Commissioner Dusenberry, who, after a long examination, gave him a license to carry a gun for the purpose of maintaining order at the celebration.

A sudden explosion of a powder can in Provo caused the death of a man. The explosion occurred at the residence of a man named Taylor, who was working on a powder can. The explosion was so violent that it blew the man to pieces.

LOGAN.

LOGAN, UTAH, - JULY 22, 1906.

THE TEMPLE CITY.

Death of Mrs. Cora M. Smith-Pipe. Notes and Personal.

Robert Cora M. Smith, wife of President Cora M. Smith, died at her home in Logan on Saturday afternoon, of pneumonia. Her death was a great loss to the community. She was a devoted wife and mother, and her death was a great shock to her family.

A Kid Ring.

The alarm bell sound of a little after 12 o'clock Saturday night, for a fire at Alvin Crockett's residence in the Hotel, close to the north of Logan station. The fire started in a summer kitchen or bath room in the back part of the house, and had obtained considerable headway before it was discovered. By the time the firemen arrived the main building was a mass of flames. The house was a large one, being used as a boarding and lodging house for the accommodation of A. C. students when the college is in session. The furniture was saved, but the building was a total wreck. It is a pity that a short time ago it was in such a good state of repair.

COVERED AND COLLATERAL BANKS MUST BE USED.

Tomorrow afternoon there will be a sale of horses and mules at the California Collateral Bank. The horses are of various breeds, including Arabians, Thoroughbreds, and Standardbreds. The mules are also of various breeds, including Standardbreds and Heavyweights. The sale will be held at 2 o'clock in the afternoon.

On Friday night, August 1st, the alleged blind wife of Henry Hays, of Provo, will appear as a witness at the trial of Hays. Hays is charged with the murder of his wife. The trial will be held at the Logan Hotel, and will include a hearing on the witness' testimony.

A BOUNTY COLLECTION.

The other evening Mrs. Joseph Mann, of Southfield, was accompanied by her little daughter and baby, were returning home after a visit to Logan. When just outside of town they met another woman, who was driving a horse-drawn carriage. The woman was driving the carriage in a dangerous manner, and the children were in danger of being run over. The woman was taken to the hospital, and the children were rescued.

WHY

WHY are you asked, should we pay \$15 for a Strakosky Bicycle when there are so many other makes of wheels on the market that we can get cheaper? Well, ask the man who has tried the cheap wheels once. He

DON'T

try it twice. When you buy a Strakosky that settles it. No monthly repair bill, leaving true, three perfect wheels ready for use. Can't afford to pay \$15, you say? Why

YOU

can't afford to do anything else. A Strakosky Bicycle doesn't cost, costs you nothing for board and lodging, no repair bill, and never wears out. You

RIDE

in the street cars every day, spend \$6 to \$10 a month in street car fare, and have nothing at the end of the year to show for it.

A

good business man, seen the force of this argument at once. Don't you? The Strakosky is a fun-time.

WINNER?

On the road and track you always find the Strakosky boys and the pink colors at the front.

40. Count Them! 40.

Did you ever Count Them? We refer to the Spokes in the Wheels of your Bicycles. Some makes have 28. Some have 32. The STEARNS, that Super 20 Pound Guaranteed Road Wheel, has 40. Count them? 40. No wonder the Wheel stands Hard under. What wonder that it can be ridden over all kinds of roads and never break down. Mr. T. O. Angel, our Salesman and pains-taking repairer says: "I never saw anything like that STEARNS spoke. Not a broken one so far this year. And really, you can't tell one out!" Talking about light wheels. Crown Angel is riding the 10 Pound Racer. Think of 10 Pounds for his road wheel. He is now at Logan and Brigham City, en route for Salt Lake City. We are told over the wires that our representations have created a sensation at Logan and Brigham City, with the "STEARNS."
