The document is miretity work delity diplocratic, and its next is much beings than eming the Case flint is ating no bran sought failur tid of himself for his That is exactly what i

with a request that he hay it before the proper officials and use his influence to effect its purpose. He is approved to watch over the intersets of his constituency at the initional capital, and to do what he can to fester and protect them. It is all very well to ventilate such mattern as this in the unsersame. lef that he is smallowing

FATAL OBJECTIONS TO THE IDAHO CONSTITUTION.

y an addition

In this have appears a perion of the argument made by Hon. John T. Caine in the House of Repre-sentatives in opposition to the ad-unision of Linko with the unof Hon. John T. Caine, of is, in the House of Represen-Utals, in talives, 1850,

On the hill (H. R. 4507) to provide thin for the admission of Idaho into the Union. merican, un-republican constitu-n proposed for her. One of the follow made by the speaker ought me to have decided adversely tho e of the proposed constitution.

Mr. Caine sold: Mr. Speaker-1 am in favor of the admission to statehood of all the Torritories soon as hey have the requisite qualifications and adopt constitutions as the fundamental law of the fature States, which are been republican in form. Alded and unsupporter hat one point ought to have im-

tion, is a matter of astonishment, it should have been instantly and unaninously voted down. It is an annualt apon live Christian religion, Catholie and Protostant, of a more sweeping and dangenous character than even ingersall have ever limit the efformiery to suggest. Mr. Caline makes other telling robust against the common character The Supposed that they will yote the Domocratic ficket. The Mormon citizens of Jiaha are counted to obtain the necessary population for stateboat, and they will be heavily taxed to support the State government. Traction with out representation is just is odown now as it was in the days before the Revealution. Its enforcement by an alleged free and scoreing State will be no less detestable than it was by King toeorg the Thrit. I fear we are gradually departing from these great principles of the generic with found to the Deplaration. The Medica the project of a re-pained to the generic to the project of a re-pained to the generic to the project of a re-pained to the generic to the project of a re-pained to the project of a re-pained to the generic to the project of a re-pained to the generic to the generic to the state government. The Medica to the project of a re-pained to the project of the generic to project of the project of the generic to the generic to the state government. The medica to the project of a re-painten generic to the project of a re-painten to the best of the generic to the project of a re-painten to the state to the project of a re-Mr. Cälie makes other terms, poluta against the proposed charter of the new state which are man-swerable. There exists no method of meeting theon. He argument as a whole is remarkably cogent and the remarkably cogent and able, and if it shallfall in its purpose it will be because religious intoler-ance and political expediency have

which gave bring to the Decomposition of Independence. The speaker bere quoted from the report of Governor Stevenson of Idaha, in which the "Mormota" are spoken of in high learns for their thrift, holdsstry and temperimee. This testimenty to the character of the Marinon people of Habb and the work they have performed in redeeming that once bleak and storile region agents locally in their praise.

THE GEORGETOWN POST OFFICE.

on which our untional structure

Georgetown, Bear Lake County. Tail for those below that they are follow, states that notice has been received from the Post Office De-hartmann is the effect that, on the bit hash.

A commession raise willing from Georgetown, Bear Lake County (labo, states that motice has been received from the Post Office De-partment to the effect that, on the 19th inst. the post office at that phase is to be discontinued. The writer states that the town has population of about 500, and that they will have to go twelve miles to the nearest post office is that its way are to be first transfer own office is the there will have to go twelve miles to the nearest post office is the statistical in the states that the town has population of about 500, and that they will have to go twelve miles to the nearest post office is the statistical in the states that the town has post the wire discussion of the states that they are to construct the states that the mole with the the states that the town has post office. This we will willingly do, by suggesting the proceeding out for a the proceeding the states that will be proceeding out the states that will be proceeding out the states that we will willingly do, by suggesting the proceeding out for a the proceeding out the states that the mole mile the states that will be avere the states that the proceeding out office at the states the states and the states the states the states that we will be avere the states the states and the states the states and the states at the states the states and the states at the the states the states and the states the states and the states the states the states and the states that the states the states and the states the states and the the molecule the states are the states and the states are to be distanchies."

the mail ragon the crass, etc. Let this be signed by the present pest-renster, such of the local and county ufficials as can be conveniently reached with it, and by a number of the periodic of the place. The main edges is to state the factor and have them will sutherithester. reply. Is will be said it is because they practice polygony. But Governor practice polygany. But Gevernor Stevenson says that he was informed by men high in authority in the Macmon Church, and in whose word he had the highest confidence, and have them well authenticated The number of signatures need not "that they are willing to five up to the laws (which they claim are now being faith. e large, but they should embrace is large, but they should embrace sensors whose statements can ob-clourly be depended upon. ces of excitement and exapera-, as evidence of dislayalty of the le Mormon people. We are also ligned for disloyalty because we e sometimes probated agained def for distoynosisted approxi-constitues protested approximation ad decisions which we deemed ad persisters and urpusally dis-oppressive and urpusally dis-oppressive and urpusally dis-tribute against our people. Our office against our people. Our office against our people. Our office against our people. Our

criminative against the supreme ruler bellef in God as the supreme ruler of the universe and His overzuling or things and authority has been

and the Silberian in that one point ought to have its constitution is the four end and another point ought to have its constitution is the four end and another point ought to have its constitution is the four end and another its constitution is the four end and another its constitution is the four end and another its constitution is the four end and the output to be an end of the proposed. Our issues to for-several and the end of the proposed its constitution is the four end of the proposed its constitution is the issues to read all the results in the problem. The out argument we refer to issues to read all the results in the results in the issues to read all the results in the issues the read all the results in the results in the issues the read all the results in the issues the issues the issues the issues there is the issues to read all the results in the issues to read all the results in the issues the issues the issues the

This right ablies a government to prosen guinst a law, or demand its repeal, r agitate for referri is not to be r agitate for referri is not to be imited to cases where the people are clearly in the right-that is beg-ging the question. But it is hard and cruri, as was the case with the Mormons in Ulab, to be charged with disleyally for denouncing and cellicition acts and declators of Pederal officers that were clearly wrongful and corpusator. clearly cent inan ex-Utab commissions B. Carlton, before the co-Territories of this House Territories of this House. Though personality cognitant of the facts related by hin, I prefer to give his statement, as he, being a non-Mor-moni, is not an interested party. I therefore condense from his testi-mers as follows:

berefure condex nony se follows:

The Federal Sodges on Ukab, a few years of what was called "signega-deed evolution of the meralled of 0741 watter that he meralled any mathe persons to establish with new wromin, and fixed the maxi-ment at how of the meral to averalised in one of anomalities. Dust the infrare spatians, the pair of which was that if a spa-or spatian of the pair of which was that if a first spatial straight which they or unre-alisate the spatial straight of the spatial latence of instances the grand forcy might may be the spatial straight of the spatial straight of the spatial straight is been spatial which are the spatial straight in the spatial which are the spatial straight in the spatial straight of the spatial straight is spatial as ranket anymes of the Overgetown best office.
This was will willingly do, by substantian the modern make a country in a spectrum within good effect by the people of Georgetown. Let up optimize the modern the specific of the provide with good effect.
the partial will good effect the formation of the specific of the people of Georgetown. Let up optimize the drawn up, briefly set that they are to be disfranchised?
the posterior will be contained, such as the post of the counting of the people of the specific of the speci errols of a year, a month, a resch, and bring in a separate o thefulbe three years being into periods of one day mets. thetailon might be todid and attesty free times a fact and imprivations in the same and free his save years hid in most dut the Judges any olygnuy Laliforngh

sending citizens tone or mold of Jennings, the s although they let wife for many readouting they have Witter Witter practice of polyganity or loganity." Thus Governme Stevenson's state-ment, which agrees with the bedi-ment, which agrees with the bedi-monty given before the committee to Congress during the path two years, fully disposes of the charge of polyganity.
