

ANOTHER BOOM FOR BASEBALL

Ogden Suddenly Looms Up With
A Forfeit of \$500.

MEETING FOR NEXT MONDAY

Gimlin Will Be Here Then and Sched-
ule Will Be Arranged Between
Salt Lake and Ogden.

Well, the baseball situation which, to say the least, has been anything but flourishing for some weeks, has taken a sudden change for the better and hope has once more entered the hearts of lovers of the national game. The announcement is made from Ogden that the directors of the Junction city club had authorized Frank Gimlin to come down to Salt Lake on Monday with \$500 to put up as forfeit. Gimlin will also remain here until a schedule is arranged between the two clubs and then the hustle for players will begin.

All this was brought about at a meeting held at Ogden last evening at which J. R. Rogers, president of the Salt Lake association, was present. John S. Critchlow was elected vice president of the two-club league. Nothing new seems to be in the way of the consummation of the plan which has been in the minds of the fans for many months past, and the "cranks" and rooters will now begin to train for the season that will soon be under way.

Rheumatism

"THE PAIN KING."

Those who have ever felt its keen, cutting pains, or witnessed the intense suffering of others, know that Rheumatism is torture, and that it is rightly called "The King of Pain."

All do not suffer alike. Some are suddenly seized with the most excruciating pains, and it seems every muscle and joint in the body was being torn asunder. Others feel only occasional slight pains for weeks or months, when a sudden change in the weather or exposure to damp, chilly winds or night air brings on a fierce attack, lasting for days perhaps, and leaving the patient with a weakened constitution or crippled and deformed for all time.

An acid, polluted condition of the blood is the cause of every form and variety of Rheumatism, Muscular, Articular, Acute, Chronic, Inflammatory and Sciatic, and the blood must be purged and purified before there is an end to your aches and pains. External applications, the use of liniments and plasters, do much toward temporary relief, but such treatment does not reach the real cause or cleanse the diseased blood; but S. S. S., the greatest of all blood purifiers and tonics, does cure Rheumatism by antidoting and neutralizing the poisonous acids and building up the weak and sluggish blood. It is safe and reliable in all forms of Rheumatism. It makes the old acid blood rich, and the pain-tortured muscles and joints are relieved, the shattered nerves are made strong, and the entire system is invigorated and toned up by the use of this great vegetable remedy.

If you have Rheumatism, write us, and our physicians will furnish without charge any information desired, and we will mail free our book on Rheumatism.

Klop's error with two men down put

Freeman on base, and the next six men pounded out safe hits, Hurst putting the ball out of play. The locals were out in a hurry, but an error in the ninth, the only one made by Seattle, spoiled that. His support was high class, but his work was the feature in the field. Score: R. H. E.

BOUT CALLED OFF.

Tommy Jacobs May Be Substituted For De Coursey.

Now comes the startling announcement that the proposed bout between "Young" De Coursey and Billy De Coursey, which was set for the evening of the first, has been called off by Mr. Mulvey. Last evening that gentleman received a telegram in which it was stated that other arrangements had been made and that the bout with De Coursey would not take place. That was a decidedly cool way to throw Mr. Mulvey down after he had practically completed arrangements for the bout and was expected to take the place in any moment. Mr. Mulvey was then asked if he could handle a go between for the bout and was expected to take the place. It really looks as though Corbett was a little afraid of the De Coursey proposition, and as Tommy Jacobs had been written for a match, decided to take the place. Mr. Mulvey says he has learned that Jacobs and the champion are close friends, that they have been writing to each other for a long time and he does not like the looks of such a go, and, therefore, will have nothing to do with it.

It may be that someone else will take hold of the matter and arrange a go between Jacobs and Corbett, so that the local fight fans will not be disappointed. Hundreds of the boys of the city are waiting for the fight, and it is a pity that the local champion in action even if only an exhibition go, but he may be induced to put up with a local champion in action in six rounds. If such arrangements are made, the bout ought to prove highly interesting.
