Dispute as to Ownership of a Motor Results in Holway's Arrest.

Eugene Holway, one of the professional riders at the Salt Palace blevele track, was arrested today by Deputy Sheriffs Sharp and Steele upon a complaint charging him with grand larceny. It is charged that on Sept. 8, Holway stole a motor cycle valued at \$150 from Hardy Downing. Downing is now on his way to Australia, so the complaint was sworn to by Johnnie Chapman. There seems to be some Chapman. There seems to be some dispute as to the ownership of the motor, as Holway claims that it is his while Downing makes a similar claim for himself, so the criminal action is the result of the dispute. Holway was arraigned before Judge Dichl this afternon and his bail fixed at \$200 pending a hearing.
