SWORN EVIDENCE.

The following Cure is probably the most remarkable ever effected by any medical preparation for the treatment of Catarrh:

Gentlemen.—I hereby certify that I have had Catarrh for ten years, and for the last six years have been a terrible sufferer. I was rendered partially deaf, had buzzing in the head, pains across the temple, dizzy spells, weak and painful eyes, swollen and ulcerated tonsils, hard and constant cough, severe pain across the chest, and every indication of consumption. My head ached all the time. The matter accumulated so rapidly in my head and throat that I could not keep them free. Frequently at night I would spring out of bed, it seemed to me, at the point of suffocation. I would then have recourse to every means in my power to dislodge the mucus from my throat and head before being able to sleep again. For a period of six years my tonsils were ulcerated and so much inflamed that I could with difficulty swallow. I finally consulted an eminent surgeon in regard to an operation on them, but at his request postponed it. The constant inflammation and ulceration in my throat caused by the poisonous matter dropping down from my head had so irritated and inflamed my lungs that I coughed incessantly.—A deep, hard cough. Meanwhile my system began to show the effects of this disease, so that I lost flesh, grew pale, and showed every symptom of an early death by consumption. When matters had reached this stage, or about six months ago, I began the use of SANFORD'S RADICAL CURE FOR CATARRH. After using the first bottle I began to improve rapidly. The first dose seemed to clear my head as I had not known it to be for years. It seemed gradually to arrest the discharge. *It stopped my cough in three days.* By using it as a gargle it soon reduced the inflammation and swelling of my tonsils, so that they soon ceased to trouble me. The soreness across my chest disappeared, the buzzing noises in my head ceased, my senses of seeing and of hearing were completely restored, and every symptom of disease that had reduced me to the verge of the grave disappeared by the use of SANFORD'S RADICAL CURE FOR CATARRH.

I have been thus explicit because, as a druggist, I have seen a great deal of suffering from Catarrh, and hope to convince many that this is a great remedy.

I am familiar with the treatment of Catarrh as practised by the best physicians, and have consulted the most eminent about my case. I have used every kind of remedy and apparatus that have appeared during a period of six years past, and have, while following their use, taken great care of my general health, but obtained no relief or encouragement from any of them.

BOSTON, Feb. 23 1878. GEO. F. DINSMORE.

SUFFOLK, ss. Feb. 23, 1878.

Then personally appeared the said George F. Dinsmore, and made oath that the foregoing statement by him subscribed is true. Before me,

SETH J. THOMAS, Justice of the Peace.

Each package contains Dr. Sanford's Improved Inhaling Tube, with full directions for use in all cases. Price, $1.00. For sale by all Wholesale and Retail Druggists throughout the United States. WEEKS & POTTER, General Agents and Wholesale Druggists, Boston, Mass.

COLLINS' VOLTAIC PLASTER

Affords the most grateful relief in all Affections of the Chest and Lungs.

CHRONIC PLEURISY CURED.

MESSRS. WEEKS & POTTER: *Gentlemen,*—Having for many months past suffered with a very lame side, called by my physician Chronic Pleurisy, caused by a former injury and strain, and for which I used many prescriptions and liniments, as well as the so-called rheumatic cures, without the least benefit, my physician recommended one of your COLLINS' VOLTAIC PLASTERS, which, to my great surprise, relieved the pain and soreness almost immediately, and I have been able to attend to my household affairs ever since with perfect ease and comfort, whereas, before the application of your invaluable Plaster, I was scarcely able to do anything. I consider them inestimable, and shall with pleasure recommend them to the afflicted. Yours respectfully, MRS. FRANCES HARRIMAN.

ORLAND, Me., April 21, 1876.

There is no medical or protective appliance that will prove so grateful and effective in Tickling Coughs, Irritation and Soreness of the Chest and Lungs. We believe them capable of preventing serious diseases of these organs.

PRICE, 25 CENTS.

Do not confound these Plasters with the ordinary Plasters of the day, that by comparison are absolutely worthless.

Be careful to obtain COLLINS' VOLTAIC PLASTER, a combination of Electric or Voltaic Plates with a highly Medicated Plaster, as seen in the above cut. Sold by all Wholesale and Retail Druggists throughout the United States and Canadas, and by WEEKS & POTTER, Proprietors, Boston, Mass.

EVENING NEWS.

Correspondence.

Spread of the Work in the South.

ROME, Georgia, March 17, 1879.

Editors Deseret News:

There having been some recent changes in the mission, I deem it prudent to inform the readers of your paper relative thereto.

Elders A. W. Sabin and P. P. Pratt have been released to return home; Elder Joseph H. Parry, formerly President of the Welsh Mission, has been assigned to the North Carolina Conference, with Elder Thomas S. Higham as traveling companion. Elders James Standing and C. W. Hardy have been assigned to Eastern Georgia, P. O. address, Van Zantz store, Fannin County, Georgia. Elders Parry and Higham's P. O. address will be Braestown, Cherokee County, N. C. The emigration will leave Chattanooga on the 24th inst., and will comprise Saints from Georgia, Alabama, Mississippi and Virginia. They will go to Conejois, Colorado.

Elder Rogers reports the baptism of two in Mississippi and more applications for baptism. Elder Holt reports baptisms in Kentucky. Elder Parry baptized three recently in this section, while the result of my recent trip to North Carolina was the baptism of thirteen, and a good field of labor opened up for the summer.

The spirit of investigation is steadily growing and the future promises a glorious work in this mission.

Very truly, J. MORGAN.

The Tooele Election Case.

TOOELE CITY, U. T., March 21st, 1879.

Editors Deseret News:

I understand that application has been made to the Third District Court to adjudge the present incumbents in office in Tooele County in contempt. Now sir, if they are not in contempt I should like to know the reason why. In the peremptory mandamus they were commanded to canvass all the returns from all the precincts in the county, and declare the results thereof, and make return how and in what manner they had done so, which certainly they did not do; hence the order of the court not being complied with, must inevitably place them in contempt.

It has been stated that they have heretofore shown "that the work of registration was performed in a blundering and illegal manner. Names were entered upon the lists without the oath prescribed in the law being sworn to." Let us examine this for a moment. In the first place, I bid them defiance to show, that either in Tooele City, Grantsville, Lake View, Mill, Batesville, Quincy, St. Johns, or Vernon precincts, voting the People's Ticket, any such thing has ever taken place. All are legally registered and legal voters. But what can be said of Ophir, Stockton, Rush Lake and Jacob City, the "Liberal" precincts? We will take Jacob City for a sample of the rest. In the first place, there was no registering done there until after the 10th of June. The oaths prescribed by law were not many of them even signed at all, and a great majority of those that were signed were filled out and signed by the same hand, plainly showing that the work had been done by the same person; even the person who performed the registering did not sign his own affidavit. The fact is, the names registered as a general thing were selected from the old "time books" kept at the mines, and what makes the matter worse, some of the persons whose names appear on the registry list have not been in the county or Territory for years, while others are claimed to have been dead for four years, and out of near 300 names registered, only 30 are taxpayers. Now talk about "blundering and illegality!"

Further, I challenge any man to show that any "Mormon" Justice has refused to hear objections against any person who was illegally registered, simply because no illegal registering was done on the Peoples' side, and no objection was made in any way, save to the registry of legal female voters. Hence, the "Dogberries," if any, are on the "Liberal" side.

But true, it is to be hoped, that all the illegality and rascality that has been practised in Tooele Co., in regard to the election, will soon be exposed, and when it is, those who have managed the affairs of the "Liberals" in Tooele County will see their star set, darkness already begins to hover around them, many of whom are trying to make preparations, for to them a more congenial clime. Heaven grant they may succeed, no tears will be shed.

LEGAL VOTER.

SCIENCE AND RELIGION

FARADAY'S IDEAS OF THEIR RELATION.

Faraday's religion was of the life rather than of the lips. "In my mind religious conversation is generally in vain," he said, yet he was never ashamed to express his religious belief. The Christian religion is a revelation. The natural man cannot know it. In 1854 he delivered a course of afternoon lectures at the Institution, Prince Albert in the chair. In the opening sentences of the lecture on deficiency of judgment Faraday said, "I shall be reproached with the weakness of refusing to apply those mental operations which I think good in respect of high things to the highest; I am content to bear the reproach. Yet even in earthly matters I believe the invisible things of Him from the creation of the world are clearly seen, being understood by the things that are made, even his eternal power and Godhead, and I have never seen anything incompatible between those things of man which can be known by the spirit of man which is within him, and those higher things concerning his future, which he cannot know by that spirit."

Faraday came to the study of the laws by which God governs the forces of nature, fully convinced that there could be no more noble subject for the exercise of man's intellect. But he approached the Deity in his rule over man now and forever, saying, "The Lord is in His holy temple, let all the earth keep silence before Him." In that sense the devout philosopher did keep his religion and his science apart, but he could not, and probably had no wish to keep them absolutely separate. Take for instance the following extract. "When I consider the multitude of associated forces which are diffused through nature—when I think of that calm balancing of their energies which enables those most powerful in themselves, most destructive to the world's creatures and economy, to dwell associated together and be made subservient to the wants of creation, I rise from the contemplation more than ever impressed with the wisdom, the beneficence and grandeur beyond our language to express of the Great Disposer of all."—*Sunday Afternoon for March.*
