Going to the Philippines to Live.

Julius Gauer of this city leaves for the Philippines on Sunday evening next. He is the first Salt Lake resident who will depart from Utah for the purpose of making the islands his home.

Genial Julius Gauer will be missed by many in this city, and his many positions will truly regret to lose him, though all will wish him every success in his new home.

He is a man of mild temper and together with the responsible Dr. Jos. Davis, one of the chief supporters of the "Mite Church," Grand Master Davis will give him his parting advice and he says he will establish a lodge among the Philippine natives.

Seven Workmen Injured.

A few nights ago a number of workmen were engaged in loading ice in refrigerator cars at the Rio Grande Western depot, and while doing so, a switch train came along and ran on to the same track up and against the cars in which the men were working with such a terrific force as to hurl them out of the car and badly injure several of them. One of the men was thrown out on his shoulder near the track and had a narrow escape from being run over and killed.
