TESTIMONIAL

Editor Deseret News:

I had a son who appeared in ill health for a long time. I was unable to determine the nature of the disease which afflicted him. A few days since I read in the *Deseret News* of Plant, who, within a few hours without pain or inconvenience laid, freed the patient of a long and painful disease, of which time there has been mention. I wish you to publish this circumstance, as much for the benefit of those who may be troubled as to award credit to Plant, whose skill in that line of complaints can be relied on, but his charges are moderate.

Yours truly, W. W. WARREN
