J. F. MADSEN, Probate Judge of Box purchases of Wagon and farming machinery for the spring trade of their wagon and machine establishment at high-pressure principle, and are grindthat town. They return this evening.

JUDGE EMERSON will shortly slt as a Judge on his last case, so far as Utah and attained, would be highly gratifyis concerned. But, then he will step down and out on his own volition, in which respect, and that only, he will probably differ from a number of his much haste in accomplishing results associates who hold Federal commissions.

WE have received a copy of the March number of the Popular Monthly | ances of General Grant was that "the from Mr. James Dwyer. It is, as usual, filled with instructive and entertaining reading as well as beautiful illustrations. "Staten Island," Origin of Domestic Animals," and "A Meeting with Afghan Robbers," are among the attractive features.

WE had a pleasant call this morning from Mr. C. H. Dittman, manager of Her 'Majesty's Opera Company, which will perform at the Theatre on the 26th inst. Further particulars as to the opera will be shortly announced. The company is much larger this time than on its former visit to our city. The artists who will appear here are all of European celebrity.

THE fcicles hanging from the eaves of houses are in some instances the heads of persons who may pass remove the danger.

In our advertising columns will be found the card of the Excisior Foundry, of which Messis, Chas. Abbott & Sons are proprietors. They are prepared to make all kinds of castings for builders use, also railroad work in all its branches. Thay make a specialty of castings for roofs, etc. They guarantee

to compete with Eastern prices. Give them a call if you want anything in their line
