AT POUR O'CLOCK

18 RELIGION A DISQUALIFI-CATION FOR A JURYMAN?

free America should be so bereft of reason, so destitute of consistency, as to spring such a question, or allow it to be sprung before them.

from Him we serve and confide in. The battle of religious liberty has been so obstinately fought in England and in America, and the vic-tory has been so signal, in theory at question. I have been led to think least, that any question tending to impair that victory, or to nullify its not we. They sought us out. We natural results, can be entertained did not seek them out. But there for a moment in this land only by is one thing we feel pretty com-fortable about—the Master we serve the degenerate sons of noble sires, and others equally as bad as themselves.

holds that great forty millions in
his hand. If he did not we should
be gobbled up before breakfast some

with the characteristic insidiousness of the old spirit of persecution and tyranny, a mean advantage Mr. Boreman, have no better work With the characteristic insidiouswas taken of official and popular to do than to be meddling with prejudice against a particular reli-that which don't concern them at all. If the "Mormon" ladies have gion, to introduce such an un- a mind to make the sacrifice it is American question before the court. But the principle of the question remains just the same. Really the question was not mend that Mr. Boreman read it. over the morning's meeting in the Tuesday in July next. whether a "Mormon" was eligible It is on the History and Philto be a juryman, but whether a osophy of Marriage, and a Husprofession of religion was a disqualification in any citizen for sitting upon a jury. That was the one thing I am sure, that the real question, however it may have "Mormon" ladies are under no obreal question, however it may have then purposely disguised by assoclating it with "Mormonism" and ed towards us in bringing us beveiling it with the current prejudice low the level of the Hottentots against that religion. The question He does so when he says that we practise crime in our religion. is one which every true American would scorn to discuss, were he not required by his duty to do so, as in the instance of the defense in the present case. We consider that every citizen who is instrumental in bringing such a question up for official or public discussion is recreant to the genius of Amerian liberty, to the principles of glory among the nations. If a "Mormon" could be rejected settle on, but this will not be so

rejected for the same cause. If a fifteen months.

Roman Catholic could, so could a President L. Snow, with others Methodist. If a Methodist could, of the priesthood from Brigham of the priesthood from Brigham of the priesthood from Brigham of could a Baptist. If a Baptist of the priesthood from Brigham of the priesthood from Brigha the jury box. America would then speakers and upon the saints. exhibit the spectacle of "godless" arhibit the spectacle of "godless" der County and the people want to ber's chair he was seized with juries, infidel juries, all over the sustain themselves, making what Union, for no other would exist or they need to eat and wear, that they nale, and almost deathlike. It may be a self-sustaining people, was thought by the few persons would consequently, and irresist. We did so when we first came to the present that he had been atwould consequently, and irresistibly follow—if a citizen can be rejected from a jury because he is a
professor of religion, cannot another
