WAR IN THE EAST IS IMMINENT.

Nothing But a Miracle Can Avert One Between Turkey and Bulgaria.

NOT A FORMAL DECLARATION.

Circumstances and the Inevitable Will Force the Two Countries Into Hostilities.

Sofia, Bulgaria, Aug. 31.—In both official and revolutionary circles the opinion is freely held that war between Bulgaria and Turkey is imminent, and can be averted by nothing short of a miracle. It is not expected that either government will formally declare hostilities, but that the prevailing conditions will force a war.

There is no question that large numbers of insurgents have recently crossed the frontier. An extensive outbreak in northern Macedonia is possible at any time. The Autonomy prints a telegram from Constantinople declaring that the sultan, influenced by the counsels of Germany, now favors war with Bulgaria. The Turks here, however, take an optimistic view, asserting that there is no danger of a war, as Turkey does not desire one and Prince Ferdinand and the present Bulgarian government are not in a position to force hostilities.

The Bulgarian agent at Uskub reports that detachments of Turkish troops sent to garrison the small towns in that vilayet have spread destruction along their route; the villagers have been robbed and beaten, the women violated and the Christian population subjected to every conceivable outrage, while the local authorities appear to be helpless to stop the atrocities. At the village of Drachme, six miles from Uskub, the soldiers attacked all the peasants without the gendarmes interfering on behalf of the latter.

The Bulgarian agent specifies similar excesses in many other villages, and the position of the Bulgarian residents is reported to be terrible, as the cruelties committed by the Turkish authorities exceed all limits.

Up to 6 o'clock this evening Prince Ferdinand had not arrived in Sofia, and the court officials declare that they are without information as to his movements.

TURKEY OFFERS AMNESTY.

Salonica, Aug. 31.—The Turks have occupied Klissura, Albania, without resistance. A number of Bulgarian villages in its vicinity were burned. Inspector General Hilmi Pasha recently sent a commission composed of five Christians and five Turks to offer amnesty to the insurgents on condition that they lay down their arms before the feast tomorrow in honor of the sultan's coronation.

The revolt has become general at Caza and Yenidje, twenty-five miles from Salonica, and is spreading to Ghergyli and Tikhvesh, sixty-five miles from Salonica.

Sarafoff, the revolutionary leader, has arrived in the neighborhood of Salonica for the purpose of directing the movements in this district.

Some Turkish officers on Aug. 29 sold fifteen cases of Martini rifles and a quantity of ammunition to Bulgarians.

ANXIETY AT SOFIA.

Sofia, Aug. 31.—The non-arrival here of Prince Ferdinand and the mystery surrounding his movements, although characteristic, he always having maintained similar reticence and independence regarding his movements, causes anxiety here. One report says the prince has gone through Roumania to the palace of Euxinograd, near Verna, while according to another report he is at Philippolis. In Macedonian circles it is believed that he fears to return to Sofia owing to the receipt of threatening letters.

UPRISING PROCLAIMED.

London, Sept. 1.—The Times correspondent at Sofia hears that the rising in northern Macedonia was to be proclaimed last night. Prince Ferdinand, he says, had a long interview at Constanza with the Roumanian premier, Senor Sturdza, yesterday, before embarking on the Bulgarian gunboat at Kustenji for Burgas.

IMPOVERISHED MINERS.

War Department Asked for Authority to Send Relief.

Tacoma, Wash., Aug. 31.—Capt. Perkins, commanding the United States post at Fort Egbert, on the Yukon, has wired the war department for authority to send a relief expedition to 200 impoverished miners who started in July on a 500-mile trip through a trackless wilderness on the Lai river, in the Copper River valley, to Tanana river, thence to Yukon.

Miners hurried into Nazina last spring, only to find that placer prospects there were workable only by hydraulic mining on a large scale. Hearing of a new strike on the Tanana river, they started overland, carrying but small supplies supposing that provisions could be purchased at several trading posts en route.

Three miners were rescued from starvation by Henry Bratnober, who is exploring the Alaskan mineral zone for the Rothschilds and a London exploration company. In a small tent, exhausted, unable to move and hardly able to speak, he found P. A. Lettig, whose home is at Delano, N. Y.; William Kruhm of Baltimore and Harry Behrens, who said he lived in New York City. For three weeks these men had lived on berries, but finally their strength gave out and they had lain down to die. They told Bratnober that the trail from Nazina to Tanana was being traversed by 200 men in the same situation as themselves.

TWO MORE CARDINALS.

In Near Future United States Will Have Them.

Chicago, Aug. 31.—William J. Onahan of this city who returned today from Rome, is authority for the statement that in the near future two additional cardinals will be created in the United States.

Mr. Onahan was a friend of Leo XIII, and no layman in the country stands higher in the Catholic church than he. Mr. Onahan would not discuss the names of the men who are to be appointed, and would not even admit that he knew them.

ITALY'S KING.

Uses an Automobile at Military Maneuvers.

Rome, Aug. 31.—Some alarm was caused here today by a rumor of an accident to the royal motor car at the maneuvers around Udine. It was stated that the king had been thrown out. It was inaccurate and that it was an automobile occupied by three staff officers, which had run into a milestone. One of the occupants, Capt. Gaultieris, suffered a broken arm, but the other two, Admiral Deidbro and Capt. Avogodro, escaped unhurt.

The king is showing extraordinary interest at the military maneuvers. He is the first sovereign to use a motor car in inspecting and directing the movements of troops. He is out every morning at 5 o'clock and travels from point to point, now in the automobile, now in the saddle, with a rapidity that has greatly impressed the troops. The new Marconi apparatus for wireless telegraphic communication is being used with excellent results.

LORD SALISBURY'S REMAINS INTERRED.

Simultaneously with the Ceremonies at Hatfield a Memorial Service Was Held At Westminster Abbey.

London, Aug. 31.—The remains of Lord Salisbury were interred today beside those of his wife in the burial grounds of the Cecils at Hatfield. The arrangements were of the most private and simple character. All the children of the deceased were present, as were also Premier Balfour, Lord Selborne and a few intimate neighbors. Otherwise the mourners were made up of the dead statesman's tenants, retainers and inhabitants of Hatfield. The coffin was carried to and from the parish church by old retainers. Simultaneously a memorial service was held in Westminster abbey, which was attended by representatives of King Edward, Emperor William and other members of royal and imperial families, cabinet ministers, former cabinet ministers, diplomats, including Ambassador Choate, and members of the other embassies and a host of peers, members of parliament and others. The only floral tribute on Lord Salisbury's coffin was a wreath sent by Queen Alexandra. Other wreaths sent by the king of Portugal and others were used to decorate the graveyard. The archbishop of Canterbury officiated at the funeral service.

COURTS CLASH.

U. S. Marshal of Milwaukee Adjudged to be in Contempt.

Oshkosh, Wis., Aug. 31.—After a series of clashes between the federal and state courts United States Marshal Thomas B. Reed of Milwaukee, was today adjudged in contempt by Court Commissioner W. W. Walterhouse of Winnebago county, and will be ordered to appear before Judge Burnell of the circuit ecurt in this district and show cause why he should not be punished.

Harry Devit, alias Harry Howard, was bound over in the United States court on the charge of having robbed a postoffice in Kansas. While confined in the Milwaukee county jail a writ of habeas corpus was sued out here and the federal authorities were ordered to present the prisoner for a hearing today. Instead, they ignored the writ and Devit has been forwarded to Kansas.

HE HOLDS THE FLAG.

Customs Officer at Louisville Ignores State Department.

Louisville, Ky., Aug. 31.—In the controversy between Swiss Consul J. Conrad Baumberger and the local customs officials over the admission, duty free, of a Swiss flag, Collector of Customs Richardson today refused to recognize a warrant from the state department secured through the efforts of the Swiss minister. The collector declines to release the flag unless the duty is paid or he receives instructions from the treasury department to deliver the flag to the consul.

A MURDEROUS ITALIAN.

Kills a Fellow Countryman and Shoots a Policeman.

Philadelphia, Aug. 31.—Vincenzo Tilli, proprietor of an Italian bank, was shot and killed by a fellow countryman named Gibvanni Viola tonight. Viola ran from the bank, and as he was pursued by a large crowd, he turned and fired his revolver at his pursuers. One bullet struck Policeman Thomas Conley in the breast and he was removed to a hospital in a serious condition. Viola was captured after a severe struggle, during which he fired his revolver, but did no further damage. The police have been unable to learn what Viola's motive was in killing Tilli.

HARSH JUSTICE FOR FOREIGNERS.

Venezuela is Making it as Hard For Them in the Interior as She Knows How.

HOUNDED BY THE AUTHORITIES.

Those Who Dare Present Claims Against the Country Are Hunted Like Wild Beasts.

Willemstadt, Island of Curacao, Aug. 31.—Harsh justice is being meted out to foreigners residing in the interior of Venezuela, where the local authorities are hunting down all foreigners who dare to present claims against Venezuela in accordance with the recent protocol. Near Coroa a local tribunal refused to accept the testimony of five Italians. On the latter insisting on tendering their depositions three were arrested and thrown into jail. Two of them attempted to escape and were fired upon, one being killed. The Venezuelan government does not deny this occurrence, but is doing all it can to prevent a repetition. It is learned on good authority that letters sent to foreigners from the Italian and other legations instructing them to send in their claims were seized in the posts so as to prevent the claims from arriving at Caracas in due time.

"DEATH TO FOREIGNERS."

Cumana, Venezuela, Aug. 31.—A gibbet was erected in a street of this city yesterday, on which was hung an effigy representing a foreigner, and the populace beat the dummy with sticks amid shouts of "Death to the foreigners."

Two leading traders, M. Palazzi, a Frenchman, and Herr Sprick, a German, were recently arrested in Ciudad Bolivar by order of President Castro for refusing to pay their taxes, which had already been collected by the revolutionists, during the latter's occupation of the city. Many other persons were also arrested on the same charge. The French and German ministers at Caracas protested and obtained the immediate release of their fellow countrymen.

Gen. Rolando and 200 of the rebel officers who were captured at Ciudad Bolivar have arrived at Maracaibo. They were incarcerated in the fortress of San Carlos, with their feet in irons.

BOWERS MURDER CASE.

Leary Confesses to Intimate Relations with the Woman.

San Francisco, Aug. 31.—The application for a writ of habeas corpus in the case of Mrs. Martha Bowers and her sister who are being held at the hall of justice on suspicion of having murdered Martin L. Bowers, husband of the former, by administering arsenic, came up for hearing in Superior Judge Cook's court today, but was continued until tomorrow owing to the failure of the attorneys for the two women to file certain papers necessary to properly bring the matter before the court.

The police and the district-attorney state that there is little danger that the women will be released on habeas corpus, but that they will be charged with murder by formal complaint as soon as such action becomes necessary to hold them.

The detectives in charge of the investigation into the suspicious details surrounding the death of Bowers, are gathering evidence which they declare will ultimately bring the responsibility for the crime home to one of the two women and perhaps both.

Patrick Leary has confessed to relations of intimacy with Mrs. Martha Bowers and the police are certain they have at last discovered a motive for the death of Martin Bowers. In obtaining a statement from Mrs. Sutton, her sister, the detectives caught her in a misstatement, and, all in all, very important steps have been taken in unearthing the crime. Whether the man in the case was involved does not develop as no direct incriminating evidence against him was obtained. It is believed, however, that he has by no means disclosed all he knows.

The detectives were pressed for a fresh clew when they decided to take Leary out to the place where he lived. He had steadfastly maintained that he could neither read nor write and therefore was unable to tell the street number of his abode. But he piloted the officers to the lodginghouse. The landlady was questioned as to Leary's movements during the early part of last week and said that he had not been home since Tuesday.

When the prisoner was confronted with this statement and requested to explain where he had been, he admitted after some reluctance that he was at the Bowers house in company with Mrs. Bowers and subsequently went into full details. The confession came somewhat as a surprise to the police, who inclined to the belief that he was not the sort of man to be mixed up in an affair of the kind. Mrs. Bowers, when confronted with the statement of Leary, was taken completely aback for the moment, but finaly admitted it was true.

Missouri Boodler Trials.

Jefferson City, Mo., Aug. 31.—Judge Haxell of the circuit court today reset the case of the state vs Senator Matthews, on the charge of bribery, for Nov. 16, the first day of the November term of the Cole county court. The case was reset by agreement of attorneys. Judge Timmons this afternoon overruled the motion in arrest of judgement in the case of the state vs Senator Sullivan, convicted of soliciting a bribe from Whitney Layton for his vote on the alum bill. The case will be appealed to the Kansas City court of appeals.

Woman Accused of Murder.

Paducah, Ky., Aug. 31.—Mrs. Fannie Smith Cox, charged with poisoning her husband, William Cox, at Benton, was lodged in jail here today. Cox died from poison at first thought to have been taken with suicidal intent. At the coroner's inquest evidence was brought out that led to the arrest of Mrs. Cox, W. R. Burtram and the latter's son, Jordan Burtram. The Burtrams are in jail at Benton.

DANISH WEST INDIES.

Inhabitants Are Satisfied with Their Government.

Berlin, Aug. 31.—The National Zeitung says the Danish West Indian commission is said to have reported as follows to Finance Minister Hage:

"The population is the islands is satisfied to remain under Danish rule. The whites hope from the newly awakened interest of Denmark in the islands an improvement of economic conditions and the fostering of civilizing influences. The negroes for the greater part are indifferent and know but little of Denmark. The administration of the islands was found to be unpractical and expensive, and the hygenic conditions entirely unsatisfactory."

It is believed, says the National Zeitung, that the commission will report in favor of reducing the military establishment on the islands and reorganizing the gendarmerie on modern lines. The report will also suggest that more attention be paid to public instruction, the improvement of the hospitals and the tobacco growing industry and the raising of corn. The commission places great weight on the necessity of communication between the islands themselves and with Denmark. The hope is expressed that the exports of the islands can be developed, and in this connection hopes are based on the newly formed West Indian Steamship & Land company.

DANVILLE RIOTERS.

Fourteen Persons on Trial for Attempted Assault in Jail.

Danville, Ills., Aug. 31.—The trial of 14 persons on charges of attempting to enter the jail building on the night of July 25, with the intent to kill some of the inmates, was begun in the circuit court today. The defendants include Mrs. Bessie Dodge, the woman who was conspicious in the rioting about the county jail. But seven jurors had been secured when court adjourned this evening. Seven of the rioters have been convicted during the past two weeks.

ILL TREATED HIS SON.

Investigation of Father's Conduct Caused Him to Commit Suicide.

New York, Aug. 31.—Christopher Thompson, 52 years of age, father of Hugh Thompson, the boy who was rescued last Thursday from the French bark Michael de Gonaut, four miles east of Sandy Hook, committed suicide some time yesterday at his home in Brooklyn. He drank carbolic acid. The man's treatment of his son was being investigated by the federal authorities and this, with violent quarrels with his wife, who was angered at the treatment her boy received, are believed to have caused Thompson to end his life.

Three Men Arrested at Malta, Mont., Charged with Crime.

Butte, Mont., Aug. 31.—A Havre special says: Three men named Powers, Johnson and Hobart were arrested today at Malta by Great Northern detectives and charged with conspiring to hold up a train. With George Baker, who was arrested yesterday on the same charge by Stock Inspector Hall, they were taken to Glasgow. The Great Northern officials deny that Kid Curry is implicated in the plot, but say they have much evidence against the suspects. The Landusky authorities declare Curry was seen in the hills near there Saturday.

Ottawa, Ont., Aug. 31.—In the house today Mr. Bourassa asked if Lord Minto spoke on his personal responsibility at the banquet of the chamber of commerce in Montreal when his excellency said that the future of the empire depended on an interchange of trade on preferential conditions between the old country and her possessions beyond the seas and its safety from attack on a system of common defense.

Sir Wilfred Laurier replied: "His excellency attended the banquet as the guest of the board of trade of the city of Montreal, and in answer to the toast of his health he expressed his own personal view."
