

The Cultivation of Roses.

"Roses are her cheeks,
And a rose her lips."

The best way for ladies to cultivate this rare species of roses is by studying and practicing the rules of hygiene, as taught in the People's Common Sense Medical Adviser, only \$1.50. Address the author, R. V. Pierce, M. D., Grand Invalid's Hotel, Buffalo, N. Y. If suffering from those painful weaknesses incident to the female organism, use Dr. Pierce's Favorite Prescription—a never-failing remedy for these complaints. dsw

No preparation of Hypophosphites I have used can compare with Fellows' Compound Syrup of Hypophosphites for restoring strength to the nervous system.

DAILY ABLUTIONS with GLENN'S SULPHUR SOAP will banish the most obstinate eruption and render the cuticle wondrously clear and smooth. Itch, Salt Rheum, in fact all scorbatic ailments promptly yield to the purifying action of this sterling remedy. It is peculiarly acceptable to the gentler sex on account of its beautifying action upon the complexion, from which it removes every blemish arising from impurities of the blood or from the action of the sun and wind. Ladies going to the seaside or to any of our inland watering places cannot have a better protective against tan and freckles than this admirable clarifier of the skin, and it will be found to add materially to the benefits derived from sea bathing. As a deodorizer and disinfectant of clothing or linen used in a sick room it is also thoroughly efficient.

Sold by druggists. Price 25c. per cake. 1 Box (3 cakes) 75c., sent by mail, prepaid, on receipt of price. C. N. Crittenton, Prop'r, 7 Sixth Avenue, New York.

Solid Merit will Tell:

For all the bitter opposition of jealous rivals, no better illustration could be had of this fact than the immense sale already attained by the great Throat and Lung Remedy, Dr. Aug. Kaiser's German Elixir. For the cure of Coughs and Bronchial Affections, it is truly wonderful, even those suffering from Consumption in advanced stages find great relief, and numbers of patients have found, to their delight, not only relief but cure. It being perfectly harmless, makes it at once popular with mothers, who of all others have felt the necessity of such a medicine. The genuine bears the Prussian Coat of Arms, the fac-simile signature of Dr. Aug. Kaiser, and has his name blown on every 75 cent bottle. A trial size may be had for 25 cents.
