

If you have a bad taste in your mouth, sallowness or yellow color of skin, feel stupid and drowsy, appetite unsteady, frequent headache or dizziness, you are "bilious," and nothing will arouse your liver to action and strengthen up your system equal to Dr. Pierce's Golden Medical Discovery. It is sold by all druggists.

#### By Universal Accord,

AYER'S CATHARTIC PILLS are the best of all purgatives for family use. They are the product of long, laborious, and successful chemical investigation, and their extensive use, by Physicians in their practice, and by all civilized nations, proves them the best and most effectual purgative Pill that medical science can devise. Being purely vegetable no harm can arise from their use. In intrinsic value and curative powers no other Pills can be compared with them, and every person, knowing their virtues, will employ them, when needed. They keep the system in perfect order, and maintain in healthy action the whole machinery of life. Mild, searching and effectual, they are specially adapted to the needs of the digestive apparatus, derangements of which they prevent and cure, if timely taken. They are the best and safest physic to employ for children and weakened constitutions, where a mild, but effectual cathartic is required.

THE most cogent reasons exist for the high esteem in which GLENN'S SULPHUR SOAP is held by the community at large. It has demonstrated beyond all peradventure that it is no mere palliative of local diseases of the skin but their most searching eradicator. No eruption can resist the operation of this safe and potent remedy. With the properties of a specific for diseases of the skin it combines the qualities of a most desirable toilet article and beautifier of the complexion. Ladies who have not yet availed themselves of this article, should lose no time in doing so, since it blanches the skin to a pearly whiteness, and when blemishes upon its surface exist speedily removes them. Cuts, bruises, sores, scalds and sprains are soon remedied by its application, and it is a reliable alleviator of the pangs inflicted by rheumatism and gout. For a trifling outlay it affords precisely the same benefits as Sulphur Baths. It removes dandruff and by keeping the scalp perfectly clean, cool and moist, prevents its return. Diseases originated by contact are prevented by it, and it counteracts contagion, if such exists in clothing and linen from the sick room. Articles of needle work, cotton, linen and woolen fabrics are bleached to a snowy whiteness by its use. It is free from any deleterious ingredients, which is more than can be said of many of the ointments and salves in use, which not only soil the linen but contain ingredients which are extremely irritating to the skin. There is a wide difference between such articles and Glenn's Sulphur Soap, which is in every respect superior to them, being a safe, efficient, and cleanly article. As it is a particularly prompt remedy for the cutaneous eruptions which children are more liable to contract than adults, parents will do well to keep it in the house. Travelers and emigrants will likewise find it a useful preservative of health of the cuticle under unfavorable conditions.

Sold by Druggists. Price 25c, per cake. 1 Box (3 cakes) 75c, sent by mail, prepaid, on receipt of price. C. N. Crittenton, Prop'r, 7 Sixth Avenue, New York.

Dyspepsia is the costly price we pay for luxuries. All civilized nations suffer from it, more or less, but none so much as the people of the United States. It is here, in the New World, that the disease has become domesticated, and we, as a people, have threatened to monopolize its misery. Let us check its further progress by the use of
