

TABERNACLE SERVICES.

Addresses Yesterday Afternoon by Elders A. C. Tamm, T. A. Clawson, Sidney B. Clawson and Alfred Nelson.

The first speaker at the Tabernacle yesterday afternoon was Elder Alfred C. Young, who said that fourteen months ago he left this city on a mission to Great Britain, and while in that country he enjoyed his labor greatly. As to when he would return, he said he did not know, but he was called of the Lord to go to the people of the earth.

The Lord through His angel Prophet, declared that He would choose the weak things of the earth, and bring down the mighty upon them. The Gospel revealed anew in the past, contained all the gifts and blessings which by the true revelation were revealed to the world as taught by Jesus Christ and His Apostles. God in His mercy, yesterday said, however, as formerly, He promises the same to all who will believe in Him, and receive His Gospel. He promises the same to all who will believe in Him, and receive His Gospel. He promises the same to all who will believe in Him, and receive His Gospel.

Elder T. Alfred Clawson was also called upon. He said that all the Elders called upon to address the people were called upon to address the people. He said that all the Elders called upon to address the people were called upon to address the people. He said that all the Elders called upon to address the people were called upon to address the people.

Elder Sidney B. Clawson, another returned missionary to Great Britain, likewise related his experience in the missionary field. He said that he had been called of the Lord to go to the people of the earth, and while in that country he enjoyed his labor greatly.

Elder Alfred Nelson was also called upon. He said that all the Elders called upon to address the people were called upon to address the people. He said that all the Elders called upon to address the people were called upon to address the people. He said that all the Elders called upon to address the people were called upon to address the people.

WHO WANTS A JOB?

Emile Sam Makes an Offer as to the Postal Service.

The regular semi-annual postal examination will be held at the Postoffice Saturday, August 10, 1900. Applicants therefor will be accepted up to the hour of closing business on Monday, July 17th, 1900. Only citizens of the United States can be examined. No person shall be examined for the position of letter carrier if under twenty-one or over fifty years of age, and no person shall be examined in any other position in the classified postal service if under sixteen years of age. The civil service commission have this opportunity of stating the examinations are open to all eligible citizens who may desire to make the postal service, without regard to their political affiliations. All persons

citizens, whether Democrats or Republicans, in making an application to the commission, should be careful to state their political party, and to state whether they are married or single, and to state whether they are married or single, and to state whether they are married or single.

The Fourth at Blomington, Idaho.

Independence day each year has become a patriotic occasion and a time of celebration with demonstrations of devotion to the Union of our land. Even while under the gentle hand of the non-violent constitution, with its spirit of liberty, it is a time of celebration with demonstrations of devotion to the Union of our land.

Now that we are related to our country, that the nation's glory which has been so long a part of our life, we are related to our country, that the nation's glory which has been so long a part of our life, we are related to our country, that the nation's glory which has been so long a part of our life.
