## SCHOOL CONSOLIDATION.

Proposition to Unite Weber County Into One School District Discussed.

In Judge Howell's Court—Weber County Club Held and Banquet—Briefs and Personal.

The Weber county schoolteachers and trustees of the county schools held a meeting Saturday afternoon, in the commissioners' rooms for the purpose of considering the consolidation of all of the school districts of the county into one district, the same as in Ogden city, so that one board of trustees or board of education could control the county school.

President Joseph P. Smith, in speaking of the presentation of the Church authorities for the acceptance of the people, said that no man should vote to sustain the authorities unless they meant to sustain them, nor was any member of the Church under obligation to vote to sustain an officer of the Church unless he felt in his heart to do so, but it was the duty of every member of the Church to vote either one way or the other.

President David John and Counselors Keeler and Holbrook presented favorable reports of the condition of the stake, and some of the wards and other Church organizations were reported by Bishops and other officers of the several organizations, the reports showing that good interest was taken in them as a rule, although Elder J. A. Huttie and Elder E. S. Hinkley reported the Y. M. C. A. and the Religious classes respectively considered that there was need of improvement in those organizations in the matter of securing increased interest.

President Cliff reported the progressive condition of the Brigham Young Academy, with 100 students enrolled, exclusive of the kindergarten department, and the training school for the academy at Provo, and about 250 in the Beaver Branch. He spoke of the necessity for and the prospect of obtaining a new building for the preparatory school, and of the probability of a separate school being established in connection with the academy for missionary classes.

Clarence W. Reid, one of the instructors in music at the academy, and Miss Florence Jepperson, a talented young lady member of the choir, were sustained as stake organist and assistant organist respectively.

M. I. A. CONFERENCE. In the evening the usual M. I. A. conference was held. The large meeting was addressed on the work of the organization, and on timely topics connected with mutual improvement work by the following speakers: Sister Teenie S. Taylor, Elder E. H. Parmer, Elder Belle Nelson, Apostles John Henry Smith and Reed Smoot and President J. E. Hickman.

DEATH OF MYRON TANNER. The announcement made from the stand yesterday of the death of Elder Myron Tanner of the Provo Third ward was a great surprise to most of the congregation, although it was known that his health was failing when he left his home in Provo about two weeks ago to go to the home of his son, Dr. Joseph M. Tanner at Forest Dale, where he died. Many hearts will offer a tribute of love and sympathy to the memory of this faithful veteran in the Church, this plain, honest, kindly man, who has labored so faithfully for the material, educational and religious progress of the people through all the years of his life, and whose good works leave an enduring monument to his memory, a priceless legacy to his numerous children, and a shining example to all who follow him.

FOURTH DISTRICT COURT. Louis Lewis of Alpine has commenced an action in the Fourth district court to restrain J. T. DEATH OF ELDER MYRON TANNER—DISTRICT COURT—Setting of Cases—Teachers Association.

Special Correspondence. Provo, Utah Co., Jan. 12.—The stake conference held here Saturday and Sunday was attended by large congregations, who were favored with the privilege of listening to much valuable counsel on various duties from President Joseph P. Smith, President Anthon H. Lund and Apostles John Henry Smith, Rudger Clawson and Reed

## ONLY A SUGGESTION.

But It Has Proven of Interest and Value to Thousands.

Common sense would suggest that if one wishes to become healthy and plump it can only result from the food we eat and digest and that food should be albuminous or flesh-forming food, like eggs, beefsteak and cereals; in other words the kinds of food that make flesh, the food which form the greater part of our daily bills of fare.

But the trouble is that while we eat enough and generally too much, the stomach from abuse and overwork, does not properly digest and assimilate it, which is the reason so many people remain thin and underweight; the digestive organs do not completely digest the food forming breakfast and eggs and similar wholesome food.

There are thousands of such who are really confirmed dyspeptics, although they may have no particular pain or inconvenience from their stomachs. If such persons would lay their prejudices aside and make a regular practice of taking, after each meal, one or two of Stuart's Dyspepsia Tablets, the food would be quickly and thoroughly digested, because these tablets contain the natural pepsines and diastase. Nothing but a stomach which is supplied with this want the stomach is soon enabled to retain its natural tone and vigor.

Stuart's Dyspepsia Tablets digest every form of flesh-forming food, meats, eggs, bread and potatoes, and this is the reason they so quickly build up, strengthen and invigorate thin, dyspeptic men, women and children. Invalids and children, even the most delicate, use them with marked benefit as they contain no strong, irritating drugs, no cathartics nor any harmful ingredients.

Stuart's Dyspepsia Tablets is the most successful and most widely known of any remedy for stomach troubles because it is the most reasonable and the most effective medicine. Stuart's Dyspepsia Tablets are sold by every druggist in the United States and Canada as well as in Great Britain, at 50 cents for complete treatment. No further medicine is required to cure any stomach trouble or to make thin, nervous, dyspeptic people, strong, plump and well.

Estate of C. L. Christensen, deceased; continued for one week. Estate of Richard Brereton, deceased; annual account approved. Clara Cameron of Alpine was granted a divorce by default from H. J. Cameron; plaintiff was awarded custody of children, \$25 a month alimony and \$25 attorney's fees and costs.

Leo Byle, charged with robbery allegedly to have been committed on John E. Dubois near Seaboard on the 13th of December, was arraigned and entered a plea of not guilty. Grant C. Bagley was appointed to defend.

In the estate of Shadrach Holdaway, deceased, the Lavonia Holdaway has been appointed administratrix under bond of \$3,000. John Marwick has been appointed administrator of the estate of Dell Ensey, deceased; bond, \$800.

D. C. T. A. MEETING. There was a large attendance at the meeting of the Utah County Teachers' association held here Saturday. At the morning session Prof. Marshall of the University of Utah, gave an address on the subject of "Literature, discussing lyric and epic poetry. The song, the ode, and the ballad were considered, and the lecture, like the previous lectures, was most interesting and enjoyable.

In the afternoon Prof. Eastmond gave instructions in manual training, color work being the subject of his lecture.

During the noon recess Supt. Brown held a session with the principals, giving instruction on a variety of subjects connected with the schools. The recommendation was made that the new text-books be brought into use as soon as possible.

HONE-KNUTSON WEDDING. Abraham Knutson, 46, and Mary J. Hone, 37, both of Benjamin, were married here Saturday by Judge Booth.

GARDEN CITY NOTES. The funeral services over the remains of the late Elder Myron Tanner will be held at the stake tabernacle on Wednesday afternoon commencing at 1 o'clock.

## Blood

On The Brain—Lost Self Control.

Lived in Misery For Ten Years.

Dr. Miles' Nervine and Heart Cure Cured.

The reason Dr. Miles' Remedies cure such a large percentage of cases is because they are formulated to and actually do, go at once to the root of the disease. Doctors often make the mistake of treating the symptoms, a method which must always fail. Dr. Miles' Nervine restores health, strength and vitality to the nerves. Dr. Miles' Heart Cure enriches the blood and improves the circulation so that the patient speedily regains health.

"I feel it a pleasure as well as duty to inform my friends the means I used to regain my health. I have been troubled a great deal with nervousness and headache; began to observe enlargement of the neck until it became so bad I felt severely, especially at night. The least excitement gave me dreadful pain and I would lose all control of myself. I lived in this misery for about ten years; consulted many doctors, but secured no relief whatever. I commenced the use of Dr. Miles' Nervine and a few days later began the use of Dr. Miles' Heart Cure and within a week I felt very much better. The second week my friends told me I was looking very much better. I continued the use of Dr. Miles' Nervine and I continued the use of the two remedies until now I am well enough to do my own housework without any trouble whatever. I consider my health good, the cure permanent and I can do any kind of work."—MRS. CHARLOTTE ELG, Idaho Falls, Idaho.

OUR NEIGHBORS. THATCHER, ARIZONA. FUNERAL OF PHIL MERRILL. Bright and Popular Young Man Victim of Foul Air.

Special Correspondence. Thatcher, Graham County, Ariz., Jan. 6.—Last night the remains of Phil Merrill were brought home, his cousin, Seth Merrill in charge. Saturday night, Jan. 3, about 8:30, while Bro. Merrill and another young man were working in the Black Diamond mine in Black Diamond district, Arizona, both were prostrated by foul air, but Philmon was struck with death.

Deceased is the son of Thomas S. and Esther Collett Merrill, and grandson of Patriarch Philmon S. Merrill, a survivor of the "Mormon" Battalion. He was born at St. David, Ariz., July 26, 1880. In consequence of his father being unable to work, Philmon was away from home most of the time at work, helping to support his family. He was one of our brightest boys. While his father was able to keep him, he attended the academy, and did so well that he worked his way up to be a member of the faculty at one time. He was a kind, affable, handsome and energetic young man, with splendid prospects before him.

The funeral was conducted from the academy chapel under the auspices of the academy and national guard, of which he was a member. Bishop M. A. Moody of Thatcher, read the burial service. The speakers were Elders Emil Maeser, J. E. D. Zundell, Prents, W. D. Johnson and Andrew Kimball. Three lieutenants and three regulars, with a number of the guard were pall bearers; fully 60 vehicles followed the remains to the cemetery.

Less than a year ago the bereaved parents laid away a married daughter. The entire community feel the loss, and sympathize with the family in their bereavement.

SAINTAQUIN. Town Quarantine Against Payson and Spring Lake on Account of Smallpox. Special Correspondence. Santaquin, Utah Co., Jan. 10.—The health board has quarantined the towns of Santaquin against Payson and Spring Lake on account of the smallpox condition. Its action is considered very timely and highly necessary.

The taxpayers here met lately by invitation of the board of school trustees building a new school house. All appeared impressed with the pressing necessity of a modern building wherein the progressive and ever-increasing children of our community may be best taught.

ANOTHER PIONEER GONE. Anna Maria Sorensen, one of the pioneers of Monroe, passed peacefully away on the 6th inst. at the ripe age of 79 years.

Sister Sorensen crossed the plains with one of the hand cart companies and gave birth to a daughter while on the way. This daughter, now Sister Julia Larsen, took care of her mother in the latter part of her life.

FRIGHTFUL ACCIDENT. Yesterday morning, early, Bernard Winget, the 13-year-old son of Lucien Winget, was thrown from a horse landing on his head on the hard ground, cutting a frightful gash in his scalp and tearing it open for about eight inches. He walked home in the afternoon, a distance of three blocks. The doctor was summoned, and after putting him under the influence of chloroform, closed the wound with several

## THE SESSION

IS RESUMED.

Congress Begins a Period of Strenuous Legislation.

LOTS OF HARD WORK AHEAD.

Important Measures Are Pending and Appropriation Bills Have Right of Way—The Case of Hobson.

Special Correspondence. Washington, Jan. 6.—Congress reassembles after the holiday recess with the full knowledge that there is very little rest in sight now until the 4th of March and aware that in the windup, as usual, there will be protracted night sessions before the appropriation bills are all safe in the hands of the president. While the supply bills will be given the right of way as far as possible, there is a deal of legislation that members are anxious to put through. It would all stand a better chance if it were not for the omnibus standstill bill standing in the way and likely to occupy all the time of the senate. Senator Quay intends to get a vote at the earliest moment.

Representative Gardner of Massachusetts tells an interesting experience he had in patronizing a clipping bureau. He started in before he came to Congress, but he was not successful the first day. The announcement went out in the press dispatches that Mr. Gardner was among the four new members who were sworn in, and every paper printed it. The clipping bureau had sent him a clipping from every paper in the United States.

DELEGATE RODEY'S WORK. I heard a Republican member of the house "cuss" out Delegate Rodey the other day, and yet it was quite a compliment to Rodey. It happened this way: The member was first expressing his disgust because the house passed the omnibus standstill bill at the last session and was blaming the committee on rules, and Chairman Knox particularly, for reporting the bill. "Why didn't you fellows get together and defeat the bill in the house?" was asked.

"It couldn't be done," said the late Republican. "That man Rodey has been at work. He sneaked around and got pledges from everybody he could. He promised that New Mexico would be a Republican state, and he was such an insinuating fellow that I don't know he had enough of our fellows pledged to carry the bill through."

ARTHUR W. DUNN. A Million Voices. Could hardly express the thanks of Homer Hall, of West Point, Ia. Listen why: A severe cold had settled on his lungs, causing a most obnoxious cough. Several physicians said he had consumption, but could not help him. When all thought he was doomed he began to use Dr. King's New Discovery for Consumption and Cough. "It completely cured me and saved my life. I now weigh 227 pounds." It's positively guaranteed for Coughs, Colds and Lung troubles. Price 50c and 1.00. Free trial free at Z. C. M. I. Drug department.

It was almost a miracle. Burdock Blood Bitters cured me of a terrible breaking out all over the body. I am very grateful. Miss Julia Philbridge, West Cornwall, Conn.

HOBSON'S HARD TIME. The efforts that have been made in behalf of Constructor Hobson of the navy have not yet placed him upon the retired list. Hobson has been the subject of a special message from the president, and I think I know considerable of the conditions, yet I am told by members of the committee that his knowledge is superior to mine. We who went to Hawaii as a sub-committee to investigate the needs of that territory spent 42 days there, and we all acknowledge that there is a great deal more to learn. The senators of the territorial commission seem to have more qualities of absorption than we who went to Hawaii possessed.
