get a good breathing spell before the Christmas rush. At the Theater the holiday will be celebrated with a new play and a new production, nothing Clyde Fitch's play, "The Girl With the Green Eyes." The success of this play is well known to everyone who has kept posted on eastern theatricals. Miss Bloodgood is one of the most successful stars of the day, and Manager Pyper feels confident that she will do enormous business here at the holiday sea. son. She is one of Charles Frohman's attractions, and the scenery and company will come unaltered from the long New York engagement. Besides Miss Bloodgood, there are quite a number of well known names in the cast, including Robert Drouet, Jessie Busley, who will

herself become a Frohman star before the end of the season: Grace Hender-son, well remembered from the days of "The Wife," William H. Tooker, and little Edith Talhafero. The engage-Mrs. H. J. Burt, Miss Aura Rogers,

Our New York letter tonight confirms the report that Nat Goodwin has aban-doned Shakespeare for good and all, and that he has accepted Ned Royle's comedy "My Wife's Husbands." If the central role is as congenial as he expects ,it will be a great "ind" for Mr. Royle, as Goodwin is said to pay ilberal royalties on plays that suit his uaste and fancy. A private letter from Mrs. Kate Bridewell Anderson, who is in Birming-ham, Ala., encloses a program of a concert at which she and her mother

and sister took part. She also says that her sister, Carrie Bridewell, had lately been there singing for the Con-rederate veterans of Alabama. She is under the management of Robert Grau his season.

A New York note says: Miss Maxine Elliott is in doubt whether to really pack her trunks again or not. She has Elliott is in doubt whether to really pack her trunks again or not. She has packed them and unpacked them twice already, and she doesn't know just what she ought to do next. When the end of her original engagement in "Her Own Way," at the Garrick the-ater was in sight, she had her maid carefully pack seven tunks for the tour which had been mapped out for Mr. Fitch's clever comedy. At the last moment, her manager, C. B. Am-sterdam, secured additional time for her at the New Amsterdam theater, and Miss Elliott unpacked her trunks were again packed, but before they were sent to the railroad station, Manager Dillingham notified Miss Elliott that he had secured four extra weeks for "Her Own Way" at the Savoy theater. Again the trunks were unpacked. Now the word has gone forth that Miss Elliott's tour will commence in a few weeks, and the star is therefore in a quandary as to whether or not it is worth while to pack her trunks for the third time.
