

# THE CHRISTMAS CROWDS ARE COMING!

Which means that the wonderful work of our buyers has filled this store with such an extraordinary assortment of delightful gifts that our patrons have appreciated their values at sight. There are numerous reasons why it is to your advantage to come and make selections from our great stocks at once. One is, almost everyone else is doing it and while we've crowded every part of our establishment with beautiful articles useful and ornamental, the very choicest of all must necessarily go to those who come and choose them first. Don't wait until you've settled the question of, "what you will give". You can decide in half the time, when you are here inspired by the sight of the great showing of acceptable articles exhibited here. And don't think that a fat pocket book is necessary. It isn't; very small sums will buy much of real beauty and worth if you come at once.
