EVENING NEWS.

Monday, April 28, 1884.

EAST TENNESSEE CONFERENCE

Was held at Baird's Mills, Wilson County, Saturday and Sunday, April 19th and 20th.

The following named Elders were present: B. H. Roberts, of the Presidency of the Southern Mission; Samuel J. Parish, Presidency of the East Tennessee Conference; and Thomas Godfrey, Orson M. Wilson, Jacob F. Miller, Brigham A. Holbrook, James A. Eldredge, George A. Black, John N. Bevan, William A. Hess and Josiah Richardson, Traveling Elders in the Conference.

President Parish made a few brief remarks. Elder Thomas Godfrey delivered a gospel discourse, speaking of the universal apostasy from the true gospel and its restoration through Joseph Smith.

Elder Wm. A. Hess spoke upon the necessity of men seeking earnestly and in faith for a knowledge of the truth instead of contenting themselves by worshiping God according to the precepts of men.

President Roberts made a comparison between the Roman Empire and the United States in the professed toleration of all religions and the actual persecution of believers in the true Gospel under both governments, showing that in each instance the exception to universal toleration was on account of the eternal conflict between the principles of good and evil. Mentioned the punishment and destruction which had befallen the Roman Empire, and advised the people in the words of the counsel given of old to take heed that they fight not against God.

2 p.m.

Elder J. F. Miller spoke of the necessity of the Saints living in such a manner as to keep with them the Spirit of the Gospel.

Elder J. A. Black spoke upon the necessity of the people receiving the comforter promised by the Savior, showing from the scripture in what way that gift is to be obtained. Also spoke upon the organization of the Church.

Elder J. A. Eldredge spoke of the necessity of those who were really seeking for salvation, yielding obedience to the laws and ordinances of the Gospel; and of the necessity of these ordinances being performed by men duly authorized so that their acts might be valid. Said that the gathering of the Latter-day Saints is in accordance with the predictions of the prophets, instead of being, as some supposed for war, was the beginning of a work which is destined to bring a reign of universal peace upon the earth.

Elder J. A. Bevan advised the Saints to be prayerful and keep themselves clear from the sins of the world. He spoke upon the necessity of continuous revelation. We are accused of teaching dangerous doctrines, if so the Bible should be laid aside as containing dangerous doctrines.

Sunday, 10 a.m.

Elder O. M. Wilson referred to the doubt and uncertainty existing in the minds of people of different denominations, while the promise of the Savior is given that those who did the will of the Father, should know of the truth of the doctrine he taught. This knowledge is to be obtained by the inspiration of the Holy Ghost, given through the laying on of hands.

Elder Josiah Richardson testified to the truth of the Gospel and to the protecting hand of God having been exerted in behalf of his people.

President B. H. Roberts spoke of the evidences we have that God has given other revelations to men aside from those contained in the Bible; also upon the doctrine laid down by the Savior that men would be judged according to their works, showing that there would necessarily be a difference in the glory to be received by different individuals hereafter.

Adjourning to a shady spot near the place of meeting, the Elders and a number of other partook of a bounteous repast provided by the Saints.

In the afternoon the General Authorities of the Church, the Presidency of the Southern States Mission, the President, Elders and Clerk of the East Tennessee Conference, and F. P. Simmons, Presiding Teacher of the Bairds Mills Branch were presented and sustained.

Elder B. A. Holbrook spoke upon the necessity of yielding obedience to all the laws of God. If we have not done this we should repent, which means that we should cease to break any of those laws. Bore testimony to the restoration of the Gospel.

Prest. Parrish spoke of the necessity of our cultivating faith in God in order to obtain his blessings.

Prest. Roberts said it is well known that it is a part of our belief that the people who embrace the Gospel should gather to the valleys of the mountains. I would like to explain the reasons for the gathering. One reason that might be mentioned is that owing to the prosecution endured from our so-called Christian friends we are almost compelled to emigrate. But that is a comparatively trifling reason. I wish to discuss the question from a Scriptural standpoint. "Gather my Saints together those that have made covenant with Me by sacrifice." I have known those who have embraced the Gospel to be turned from their situations, robbed of their good names and driven as outcasts from their homes, simply because they acted according to their convictions of duty. Truly they have made covenants with God by sacrifice. It is no sacrifice to join any other church. Where were they to be gathered? To the tops of the mountains. And why? That they might be taught of the ways of the Lord and walk in his paths, that they might not partake of the sins of the world nor receive of its plagues. Mark the path of the cyclones which have devastated the land and you will find them to be traveling in that region where the Elders have labored and their testimony has been rejected. God had declared that he would gather his people and take them to the wilderness and there purge out the rebels from amongst them. In Colorado some of this purging has taken place. Colorado is a place where, by hard work and plenty of it, a man can live. None of our people have starved there yet and we don't expect they will. If any of you go there go for the love of the Gospel, and if that is not sufficient reason, by all means stay where you are. Now, what about other affairs? Is not Congress about to wipe "Mormonism" out of existence? The Lord God Omnipotent reigneth and will reign and the command will soon be given, "Touch not mine anointed and do my prophets no harm." As for our enemies we do not wonder at their conduct, as they must necessarily obey him whose servant they have listed to be and we wish to forgive them their trespasses, even as we wish to be forgiven.

Priesthood meetings were held in the morning and evening of each day of Conference.

A good spirit prevailed both with Elders and Saints.

JACOB F. MILLER,
Clerk of Conference.

Baird's Mills, March 21, 1884.

TUTT'S PILLS

TORPID BOWELS and DISORDERED LIVER.

From these sources arise three-fourths of the diseases of the human race. These symptoms indicate their existence: **Loss of Appetite, Bowels costive, Sick Headache, fullness after eating, aversion to exertion of body or mind, Eructation of food, Irritability of temper, Low spirits, a feeling of having neglected some duty, Dizziness, Fluttering at the Heart, Dots before the eyes, highly colored Urine, CONSTIPATION,** and demand the use of a remedy that acts directly on the Liver. As a Liver medicine **TUTT'S PILLS** have no equal. Their action on the Kidneys and Skin is also prompt; removing all impurities through these three "scavengers of the system," producing appetite, sound digestion, regular stools, a clear skin and a vigorous body. **TUTT'S PILLS** cause no nausea or griping nor interfere with daily work, and are a perfect

THE LIVER AND ITS FUNCTIONS.

IT has become a well established fact that the larger portion of diseases to which the human family is subject arise in the first place from some derangement of the Liver. This organ is not only the largest, but at the same time one of the most important. The venous blood, on its return to the heart, passes through this organ, and in its passage the impurities, as also the secretions which are necessary for digestion as well as for a cathartic to assist in the removal of waste material &c. are eliminated. From this it is easily seen that the Liver is liable to get out of order to a greater or less extent, and when this occurs it is impossible for it to properly fulfill its office of removing all objectionable matter from the blood, but allows it, to pass through, carrying with the poisons of which it should have been relieved.

With impure blood the whole system becomes affected, and no organ can properly perform its function unless it is supplied with PURE BLOOD to maintain its strength. So the Liver becomes all important and when one is ill, feeling of being continually tired, worn out, is constipated, with tendency to Piles, Headache, Sick Stomach, Sallow Complexion, Eruptions of Skin, etc. they may be sure their Liver is out of order and a remedy is required to restore it to its original Strength and Vigor. For all these kinds of complaints PRICKLY ASH BITTERS is a BLOOD PURIFIER, and will be found superior to all other preparations for the cure of

DR. S. F. SHERMAN'S PRICKLY ASH BITTERS. The result of years of study, experiment of medical research, and perfected by Dr. S. F. Sherman, its originator, and its success a history unparalleled in the annals of medicine. Prickly Ash Bitters acts directly on the Liver, Kidneys, Stomach, & Bowels, in a mild yet effective manner, and is at once the purifier of the blood and a tonic to the entire system.
