MILWAUKEE PEOPLE

Could Hardly Believe It. A Prominent Woman Saved From Death by Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—I suppose a large number of people who read of my remarkable cure will hardly believe it; had I not experienced it myself, I know that I should not."

MRS. SADIE E. KOCH.

"I suffered for months with trouble peculiar to women which gradually broke down my health and my very life. I was nearly insane with pain at times, and no human skill I consulted in Milwaukee could bring me relief."

"My attention was called to Lydia E. Pinkham's Vegetable Compound, the first bottle brought relief, and the second bottle an absolute cure. I could not believe it myself, and I felt sure it was only temporary, but blessed fact, I have now been well for a year, enjoy the best of health, and can from words express my gratitude. Sincerely yours, SADIE E. KOCH, 124 10th St., Milwaukee, Wis.—\$4000 forfeit if above testimonial is not genuine."

Such unquestionable testimony proves the power of Lydia E. Pinkham's Vegetable Compound over diseased women.

Women should remember that they are privileged to consult Mrs. Pinkham, at Lynn, Mass., about their illness, entirely free.

and costumes were beautiful and varied. Mr. Anderson was in Logan from Mendon today, and states that the smallpox scare has passed away in that town. He expects that public gatherings will not be resumed, the one case of the disease having been isolated.

LAYTON.

IRRIGATION DISPUTE.

Sold a Reservoir but Claims the Water—Accident—Wedding.

Special Correspondence. Layton, Davis Co., Feb. 17.—At a meeting of the stockholders of the Holmes Creek Irrigation company held Feb. 12, Henry Ellis and John Bennett were appointed a committee to wait upon Geo. W. Adams and effect, if possible, a friendly settlement of the dispute as to who is the rightful owner of the water from Snow creek during the winter season. Mr. Adams has been the undisputed owner of Snow creek; he also owned a controlling interest in a reservoir, locally known as Adams' pond, which has been filled for years with water from Snow creek. The company above referred to came into possession of the Adams pond reservoir about a year ago, and as was thought, a doctor was soon called and there was no written contract to that effect. Mr. Adams is building another reservoir and seeks to divert the water under dispute into it.

The committee and Mr. Adams were as unyielding as a certain mayor and chief of police of current history. The company turned the matter into the hands of the district court and now a decision from the district court is awaited with interest.

PAINFUL ACCIDENT. Just as school was dismissed yesterday, two small boys engaged in a friendly wrestle which resulted in a broken leg for one of them. Albert Hutchinson was the unfortunate lad. A doctor was soon called and the boy made as comfortable as possible.

Torturing Pain in My Back.

"DR. DAVID KENNEDY'S FAVORITE REMEDY"

RELIEVED ME IN THREE DAYS"

Says Mrs. Charles G. McKay of Amsterdam, N. Y.

Mrs. Charles G. McKay of 133 Division street, Amsterdam, N. Y., and whose husband occupied the important position of Treasurer of the City Board of Excise, says: "For the past 20 years I have been a sufferer from a torturing pain in my back. There was no doubt in my mind but that I was suffering from kidney complaint. I tried various medicines and treatments but they gave me only temporary relief. My husband saw Dr. David Kennedy's Favorite Remedy advertised, and purchased a bottle of it. He said to me, 'I was relieved of those terrible pains, and continuing using it, I was cured. Previous to my taking "Favorite Remedy" I would have to lie on the couch nearly half of the time unable to do my work. I now do all my household work and feel first-class in every way.'"

Kidney disease is one of the most fatal maladies known, more so because it comes often without warning. The daily deaths from Bright's disease testify to the sudden and fatal results of indifference to nature's warnings, which, if observed and proper precautions taken, no one need fear this dreadful trouble.

TRY THIS KIDNEY TEST.

Put some of your urine in a glass tumbler; if in 24 hours it has a sediment, or a milky, cloudy condition; if it is pale or discolored,ropy, or stringy, your kidneys are diseased and you need a good medicine and "Favorite Remedy" is the best one you can take. It especially cures such dangerous symptoms as pain in the back, frequent desire to urinate, especially at night, scalding burning pain in passing water, staining your linen by the urine and inability to hold it, and the unpleasant and dangerous effects produced on the system by the use of whiskey, wine or beer.

If you suffer from kidney, liver or bladder trouble in any form, diabetes, Bright's disease, rheumatism, dyspepsia, catarrh, or any form of blood disease, or if a woman, from the sickness peculiar to your sex, and are not already convinced that Dr. David Kennedy's Favorite Remedy is the medicine you need, you may have a trial bottle, absolutely free, with a valuable medical pamphlet, by sending your name, with post office address to the Dr. David Kennedy Corporation, Rondout, N. Y., mentioning this paper.

Dr. David Kennedy's Favorite Remedy is for sale by all druggists at \$1.00 a bottle or 6 bottles for \$5.00—less than one cent a dose.

Dr. David Kennedy's Salt Rheum Cream cures Old Sores, Itch, Itching or Scrofulous Diseases.

FOR SINGERS AND SPEAKERS

The New Remedy For Catarrh is Very Valuable.

A Grand Rapids gentleman who represents a prominent manufacturing concern and travels through central and southern Michigan, relates the following regarding the new catarrh cure, he says:

"After suffering from catarrh of the head, throat and stomach for several years, I heard of Stuart's Catarrh Tablets and immediately bought a package and was decidedly surprised at the immediate relief it afforded me and still more to find a complete cure after several weeks' use."

"I have a little son who sings in a boy's choir in one of our prominent churches, and he is greatly troubled with hoarseness and throat weakness, and on my return home from a trip I gave him a few of the tablets one Sunday morning when he had complained of hoarseness. He was delighted with their effect removing all his hoarseness in a few minutes and making the voice clear and strong."

"As the tablets are very pleasant to the taste, I had no difficulty in persuading him to use them regularly."

"Our family physician told us they were an antiseptic preparation of undoubted merit and that he himself had no hesitation in using and recommending Stuart's Catarrh Tablets for any form of catarrh."

"I have since met many public speakers and professional singers who used Stuart's Catarrh Tablets. One prominent lawyer told me that Stuart's Catarrh Tablets kept his throat in fine shape during the most trying weather, and that he had long since discarded the use of cheap lozenges and troches on the advice of his physician that they contained so much toxic, potash and opium as to render their use a danger to the system."

Stuart's Catarrh Tablets are large pleasant tasting lozenges composed of catarrhal antiseptics, like Red Gum, Eucalypti, etc., and sold by druggists everywhere at 25 cents for full treatment."

They act upon the blood and mucous membrane and their composition is of remarkable success has won the approval of physicians, as well as thousands of sufferers from nasal catarrh, throat troubles and catarrh of stomach. A little bottle of treatment of catarrh mailed free by addressing P. A. Stuart Co., Marshall, Mich.
