

MANY CHAMPIONS HAD MR. BILLINGS

His Retirement From the Turf
Ends a Most Remarkable Career.

OWNED KINGS AND QUEENS.

Table Showing Wonderful Horses
Owned at One Time by Big Turf-
man—Some of the Records.

The retirement of C. K. G. Billings from the light-harness sport has brought to an end a remarkable career for one fond lover of the horse, says a dispatch from Cleveland. When Mr. Billings turned his fine, large stable at Glenville over to Charles Tanner recently, a very different lot of horses was placed in this stable for champions, as the stable could well be referred to when Mr. Billings was deeply associated with the light harness game. From now on the caliber of horses to be placed in this barn will not be a cheap lot, not by any means, but it is hardly expected that ever again will one man own so many champions as Mr. Billings and had them all stabled in one barn at one time of the year.

To give some idea of the high class lot of breeders this New York gentleman owned at one time can be illustrated in part by the fact that upon one visit to Glenville Mr. Billings rode thirty-seven horses one day better than 2:15, and at least twenty of those were better than 2:10. That is a record to be shot at, but it is feared that it will go unbroken for many years to come, as such facts are as scarce as fair weather this spring.

Dec. Tanner had charge of every one of these spirited steeds that were stabled at Glenville, and it was due to his expert training these horses were given that made it possible for them to show so much speed.

To start with, Mr. Billings owned the trotting queen, Lou Dillon, and the king of all the geldings, Major Delmar, the only two trotters up to date that have stepped a mile below the two-minute mark.

Lou Dillon holds the world's record of 1:55.4 to sulky, while she has a mark of 2:00 to wagon and 2:05 to high wheels. Major Delmar, the world's champion gelding, has a record of 2:05 to sulky, 2:10 to wagon, and has been a half-mile in one minute flat. These two speed merchants have never been beaten, and will likely never reach their mark again, as Lou Dillon has never been beaten, and it is hardly expected that Major Delmar, speed as he is, will be able to beat two minutes in the future.

This trotter may surprise some people this season, however, as he will be trained by Alva McChesney, who will show better form than is anticipated. In view of the remarkable stable of horses owned by Mr. Billings, it is hardly surprising that he has owned and were stabled at the Glenville track is given below.

Following is a list of the horses which are owned by Mr. Billings, were trained by Dec. Tanner and were stabled in the same barn:

Every Heart Beat

Forces about 8 ounces of blood out of the heart, and sends it coursing through the veins to the remotest part of the body. This is the amount required by nature to nourish and sustain your body. Every ounce less than this means a shortage in nature's supply of building-up material. A weak heart cannot meet this demand, and consequently you suffer. If your heart skips a beat, or flutters, palpitates, pains you, or you have shortness of breath, you may be sure that the heart is working imperfectly.

Dr. Miles' Heart Cure will strengthen the heart muscles and nerves. "I had been a great sufferer for 12 years. At the time I commenced taking Dr. Miles' Heart Cure I had been confined to my bed for four months. I had frequent fainting spells, sometimes as many as three in a day, during which my heart would seem to stop beating, necessitating the calling of a physician to resuscitate me. Before finishing the first bottle the aching pains had ceased, and I took altogether five bottles for a complete cure. I now enjoy perfect health, and am very grateful for this wonderful medicine, for it is the means of my being with my family now."
