Ever See One?

Thoughtful people have a laugh on coffee grinders now and then.

"I had used coffee ever since I was a small child," relates an Ind. lady, "and have always had bad spells with my stomach."

"Last spring just after I began housekeeping I had a terrible time with my stomach and head. My husband bought a package of Postum and asked me to try it."

"I laughed at it because none of my folks would ever try it. But I made some the following morning, following directions on the package, about boiling it well."

"I was greatly pleased with the results and kept right on using it. Now I wouldn't drink anything else. I tell every old coffee 'grunter' I see about Postum, and all my folks and my husband's people except a few cranks, use Postum instead of coffee."

"When put to soak in cold water overnight and then boiled 15 minutes in the morning while getting breakfast I make a delicious drink."
