Alaska Conservative Company.

WASHINGTON, 25. - The examination of General Jno. F. Miller, President of the Alaska Commercial Company, was commenced to-day by a sub-committee of the committee of ways and means, and was several parts of the country, and when the committee adjourned to meet again to-morrow to continue in all probability happy.

—People don't seem to like to be taxed. The Greeley (Colorado) Tribune says, "The truth is, taxes have increased so enormously within a few years, that they absorb a large part of the profits of business

The Secretary of State, in a com-munication to the House commit-tee on foreign affairs, in reference to General Schenck's connection with the Emma Stiver Mining source, we are a fax rulned people. It takes all a laboring man can earn to pay the taxes on his little homestead. In Washington City alone, real estate to the value of over \$25, draw from the board or to take such And the same is true of nearly this telegram a reply was sent, on the following day, to the effect that although it was the privilege of every citizen to investigate in such not pay their enormous taxes, and so their homesteads must be sold to proper, the advertisement of the name of a diplomatic representapresent element of her tragic acting was grimness. For many years she did not play for less than \$500 a night, and sometimes she received more.

Satisfy the demand."

——Sadier's Wells, said to be the ing to dispose of its shares in the country to which he was accredited, was ill advised, unfortunate and calculated to subject him to be descrated by being turned into he was no party to the publication, and concluding with earnest advice to withdraw his name from the management of the company.

General Schenck thereupon with-"lion" in society. He has forgotten drew from the board upon Dec. 20. He has native language, but speaks gram to the Department in reference

in this way—"I highly approve the present fashion, comprehending as it does the highest graces of the two most distinguished models of female beauty—having in front the Venus de Medici, behind the Venus de Hottentot!"

—According to the Woman's Journal, "an intelligent American lady," temporarily a resident in London, speaks thus of some of the woman suffrage ladies there—tigation, and to demonstrate the second desiring to knew whether it had reference to him, and expressing his readiness for an investigation. General Schenck further refers to some proceedings on the part of such committee in his letter of January 10. As no such resolution of inquiry had come to this department a reply was sent to the dispatch above referred to to that effect on the following day, and the telegram was understood to manifest the readiness of General Schenck to at once meet any investigation, and to demonstrate the tigation, and to demonstrate the sincerity of his convictions in the value of the enterprise in which he had invested. As the resolution of the House makes reference to the action of the executive department of the governmention this question, of the governmention this question, if deemed 4t due to Schenck, as a public officer who has had various and important public trusts, and su who has for many years occupied a of

been guilty of no wrong, in purpose or intent, in connecting himsel with the company in question. I am further satisfied that he, in common with many others, became a sufferer thereby.

The Secretary then responds to that part of the resolution asking

that part of the resolution asking information concerning the action taken by the executive department concerning the connection of the minister in England with the prosecution of the Mechedo claim against the British government, and he gives a history of the case, and concludes by saying that so far as the reflections which have been cast on Schenck because of the prosecution of these claims or because of the presentation of them by him to the British government, a sense of justice compels me to say that I am satisfied that such reflections are unjust, and that General Schenck is open to no imputations whatever arising therefrom.
