casts, I want to say, from some lit-t'e personal observation, that I be-lieve his account of affairs among them is in the main correct, not certainly any more highly colored than the believer of any other faith would give of his eeligion's practical workings, and that the claims he presents coupt, on every principle

workings, and that the claims he presents ought, on every principle alike of religious liberty and our re-publican government to be fully al-lowed. The only real charge which can be brought against the Mormons is that of polygamy. The accusations of persecution, blood atonement, bar-barity, complicity with the Moun-tain Meadows massacre, and the like, cannot, according to the testi-mony of such unprejudiced observlike, cannot, according to the testi-mony of such unprejudiced observ-ers as Judge White, be sustained. As a matter of fact, the territory has had less violence and bloodshed in it than any other Western commuit than any other Western commu-nity. And even in regard to poly-gamy, though with it as such no eastern man with a Christian train-ing and imbued with the spirit of our modern civilization can have one particle of sympathy, some things are to be said, often forgotten here, which take away very much from its character as a crime, and from its need of any outside inter-

1. It is to be remembered that, themselves with their religion in Utah, the territory was entirely out side of the jurisdiction of the United States. They went there on pur-pose to try a new experiment in society, where it would not trouble any one else or be troubled in turn. All thet they possess in it they

ENRTWAYN.

All that they possess in it they have redeemed by hard toll out of the wilderness; all that they have instituted, have built up on virgin soil. And, when the United States took them in, it was with polygamy indicate a much darker state of already established, a fact which things, just the same as they might makes their position very different here to indicate that
