

CHICAGO, ROCK ISLAND & PACIFIC R.R.

IS THE GREAT CONNECTING LINK BETWEEN THE EAST & THE WEST!
It is the main line from Chicago to the Pacific coast, passing through the Rocky Mountains and the Great Salt Lake region. It is the shortest and most direct route between the two coasts, and it is the only line that runs through the heart of the continent. It is the only line that runs through the heart of the continent, and it is the only line that runs through the heart of the continent.

U. P. R. R.

DANGER IN DISGUISE!

Summer Pestilence Unearthed: its Causes Explained and Some Timely Advice About How to Avoid It.

CERTAIN UNUSUAL FACTS MADE PUBLIC.

It is well known that hot weather brings sickness, and that few people go through the summer without unpleasant symptoms. The tongue becomes dry and parched, the mouth furred and white, the pulse irregular, the head feverish, the body cramped and the limbs swollen and tired. Ladies especially, with their natural delicacy and tendency to female troubles, find the hot weather almost unbearable, while Little Children are dying every day from exhaustion and because Parents neglect precaution and care. A prominent and well known physician of New York asserts as his positive belief that more than three-fourths of all so-called Summer complaints arise from disordered secretions, and that these secretory organs, which, by being out of order cause so much trouble, are the Kidneys and Liver. These organs are the governors of the system, and by their movements the other parts of the body are regulated. The liver controls the life, but the lower part of the body rules the health.

There is one, and only one known vegetable that will absolutely regulate and control the Kidneys and Liver at all times and thus prevent the many dangers of the Summer. That vegetable (a West India leaf) is used as the basis of Warner's Safe Kidney and Liver Cure. It is pure, pleasant to the taste and absolutely certain in its results. It keeps those who intelligently use it in perfect health, and cures those whose secretions are deranged. For all urinary complaints of either sex it is invaluable. For all bilious troubles it is certain. For the hot season it is invaluable, and it should be used upon the approach of the slightest symptoms. It may save your life or that of some dear friend; it will certainly prevent much suffering. No remedy in America has ever received such high and enthusiastic commendations, and it is warmly Endorsed by the Professions, the Press and the People.

An Editor's Escape.

OFFICE OF THE "INDUSTRIAL ERA," ALBANY, N.Y., May 23, 1917.
I take great pleasure in making the following statement: I have been afflicted with a disease of the kidneys for the past two years, and have been unable to do my work. I have been treated by many physicians, but without success. I have been advised to use Warner's Safe Kidney and Liver Cure, and I have done so. I am now perfectly cured, and I am able to do my work. I am a great believer in Warner's Safe Kidney and Liver Cure, and I am sure it will cure all who suffer from kidney and liver troubles.

A Doctor's Certificate.

I have been a practicing physician for twenty-seven years, and I have seen many cases of kidney and liver troubles. I have seen many cases of kidney and liver troubles, and I have seen many cases of kidney and liver troubles. I have seen many cases of kidney and liver troubles, and I have seen many cases of kidney and liver troubles. I have seen many cases of kidney and liver troubles, and I have seen many cases of kidney and liver troubles.

An Educational Endorsement.

The Rev. C. A. Harvey, D.D., of the Howard University, Washington, has written the following letter: I have been a student of the University of Washington for the past two years, and I have been afflicted with a disease of the kidneys. I have been treated by many physicians, but without success. I have been advised to use Warner's Safe Kidney and Liver Cure, and I have done so. I am now perfectly cured, and I am able to do my work. I am a great believer in Warner's Safe Kidney and Liver Cure, and I am sure it will cure all who suffer from kidney and liver troubles.

Arounding the Borders.

An alarm of fire at midnight is a startling thing, but not so startling to many who have seen the results of the Warner's Safe Kidney and Liver Cure. I have seen many cases of kidney and liver troubles, and I have seen many cases of kidney and liver troubles. I have seen many cases of kidney and liver troubles, and I have seen many cases of kidney and liver troubles. I have seen many cases of kidney and liver troubles, and I have seen many cases of kidney and liver troubles.

The Friend of Delicate Ladies.

Warner's Safe Kidney and Liver Cure is the remedy that will cure all who suffer from kidney and liver troubles. It is a pure, pleasant, and effective remedy, and it is the only remedy that will cure all who suffer from kidney and liver troubles. It is a pure, pleasant, and effective remedy, and it is the only remedy that will cure all who suffer from kidney and liver troubles.

Its Grand Reputation.

Warner's Safe Kidney and Liver Cure has reached a reputation that is not limited by the confines of a single country. It is a pure, pleasant, and effective remedy, and it is the only remedy that will cure all who suffer from kidney and liver troubles. It is a pure, pleasant, and effective remedy, and it is the only remedy that will cure all who suffer from kidney and liver troubles.

Journalistic Opinions.

Our exchanges come to us bountifully laden with commendatory notices of the wonderful cures effected by the Warner's Safe Kidney and Liver Cure. I have seen many cases of kidney and liver troubles, and I have seen many cases of kidney and liver troubles. I have seen many cases of kidney and liver troubles, and I have seen many cases of kidney and liver troubles. I have seen many cases of kidney and liver troubles, and I have seen many cases of kidney and liver troubles.

"It is the Only Thing."

MISS H. H. WALKER, N.Y., April 13, 1917.
I have been a student of the University of Washington for the past two years, and I have been afflicted with a disease of the kidneys. I have been treated by many physicians, but without success.
