THE EVENING NEWS.

NOTICE.

All Advertisements for the EVENING NEWS must be handed in to this Office not later than one o'clock on the day on which advertisers wish them inserted.

LOCAL AND OTHER MATTERS.

CHANGE OF OCCUPATION.—Stepping into the counting-house of Zion's Co-operative Mercantile Institution yesterday, we were pleased to see the face of our genial friend Brother Thomas Williams, who, for so long a period, has acted as Treasurer of the Theatre. He informed us that he had changed his occupation, from the Theatre to Zion's Co-operative, where he is now one of the book-keepers. We have no doubt that all who are drawn into business relations with him will be pleased with the change, for we feel assured that the geniality and pleasant disposition of Brother Thomas will gain him as many friends, and be as highly appreciated in the counting-house as in the Treasurer's box in the Theatre.

OBSEQUIES.—A large number of sympathising friends assembled at the residence of Elder Joseph F. Smith, in the 13th Ward, yesterday, on the occasion of the funeral services of his eldest daughter. The assembly was addressed by President George A. Smith and Elder George Q. Cannon, and sympathy and comfort were tendered to the family in their bereavement. The child was one of uncommon promise, and her absence and loss in the family circle will be irreparable.

PLEASANT RESORT.—The enterprise of John W. Young, Esq., is displayed in opening pleasure grounds for the public on Haight's Creek, in the Farmington precinct. We expect it to become a popular resort for pleasure. There is a beautiful grove there, where persons may enjoy themselves in the shade, and the Salt Lake near by, where boating or bathing may be indulged in. A place of this kind has long been needed, where persons could go out for a day's pleasure.

This place possesses superior facilities for enjoyment and the enterprise of the proprietor is commendable. Pleasure seekers in abundance will, no doubt, avail themselves of the opportunity offered by the Saturday's special train to visit Lake Side and enjoy themselves.

FLORAL.—We have to thank Bro. Thos. Fenton, of the Sixth Ward, for the splendid large bouquet laid upon our table this morning. Bro. Fenton has a reputation for raising fine flowers, and judging from the excellence, in perfume and appearance, of the sample before us, we think he merits it; and, being one of the pioneer floral decorators of this city, he is deserving of much praise for his success in this line. To see his field of roses is a great treat. For raising beautiful flowers the Sixth Ward is not behind any in the city.

THE ADVENTURES OF A LETTER.—A gentleman residing in this city, showed our local a letter he received last evening, bearing the post marks "Glasgow Oct. 21" and "New York Nov. 3." The history of that letter, where it has traveled or where hid away from the time it left New York to last evening, might prove interesting, could it, after the manner of "the adventures of an umbrella," tell its own tale and perhaps throw light on other missing letters. The letter is very plainly and fully addressed and bears no post mark other than those mentioned above.

COMMUNICATION.—The extreme love of apostates is almost unendurable, by them. They seem to be in agony with the tremendous burden of that passion which their infidelity imposes upon them. They love Brigham nigh unto death. Would not the devil like to counterfeit the vital spark of the Christian's faith? But, alas, for him! He makes a botch of the job.

To a correct business man, no currency is so objectionable as the counterfeit. Some of the inexperienced suffer loss therewith, and also some of the more wise.

Fortunate is he that has a counterfeit detector.—*

OGDEN VALLEY.—Brother Richard Ballantyne, of Eden City, informs us that the prospect for crops in that valley is much better than usual. They have had their crops eaten off in Eden for three successive years and the people naturally feel encouraged with the prospect of a crop this year. The health of the people there is generally good.

DIED, at Parowan, March 31st, 1870, John Pirkins, of disease of the heart.

Bro. Pirkins was born at Bath, Somersetshire, England, June 28th, 1821, was baptized in Australia, February 11th, 1854, and came to this place in 1857. He has been known here as an honest and faithful member of the Church. He leaves a wife and two children.

Thou hast triumphed over death,
Triumphed over sin and pain;
Heaven protect thy loved ones left,
Till we meet again.

—*Mill Star* please copy.

REMARKABLE CASE.—Brother Christopher Markley, of the 17th Ward, was hauling adobies the day before yesterday. He had on his wagon twenty-two hundred pounds' weight, and having occasion to leave his team a few moments, he left his little son, Alva Marion, seven years old, sitting on the adobies and holding the reins. The team started and the boy dropped one of the lines, and, in reaching over to pick it up, he lost his balance and fell, the fore wheel running over his short ribs and bowels. The child hung to the lines, which turned the team, and so the hind wheel missed him. The father picked him up, laid him on the wagon and proceeded home, where he had him anointed and administered to. Brother Markley was called away on business and returning in a few hours he found the child out at play, apparently as well as ever, and yesterday he seemed completely restored to health.

MENAGERIE.—Among the late additions to the stock of the Menagerie are a fine eagle contributed by Dr. Spencer, of Camp Douglas, and a beautiful lynx, just purchased.

EARTH CLOSETS!

ARE the modern improvements which take the place of and supersede the Water Closets in houses, and dispense with cesspools and other repulsive features of the out-door Privy.

EARTH CLOSETS!

ENTIRELY dispense with the use of **Water.** Employing **Dry Earth** in its stead. They enable nature's wants to be attended to in comfort, instead of with the usual disgusting surroundings. Are especially adapted to the use of invalids and of the sick room.

EARTH CLOSETS!

FREE from offensive odor, at all times, whether in or out of use. Can always remain where most needed.

Commodes, which may be used in any room, and **Fixtures,** by which an **Earth Closet** may be set in any convenient place in the house, are sold so cheaply that they are within the reach of all.
